Second Pretentious Airship Raid On Largest American Hospital Many Miles to Rear of Front—Bombs Fall On All Sides of Building, Shattering Windows.

WITH THE BRITISH ARMY IN FRANCE, Thursday, May 31.—(By the Associated Press.)—Another big hospital was bombed by German airmen yesterday morning and once more any medical workers and some patients were killed or wounded.

The hospital caught fire after a large section of the building had been demolished by a bomb. A few women nurses were among the slain and their bodies together with those of a considerable number more of the personnel and patients are buried in the ruins, according to the latest reports.

WITH THE AMERICAN ARMY IN FRANCE, Thursday, May 31.—(By the Associated Press.)—German airmen made a pretentious raid on the area behind the American lines in the night. Bombs were dropped on all sides of one of the largest hospitals in a town many miles to the rear of the front.

American and French wounded soldiers were carried to cellars and caves by American nurses and members of the American Red Cross.

Only a few persons were injured by flying glass as most of the windows in the hospital had been shattered by bombs dropped the previous night. Several private houses were wrecked and a number of civilians, including several babies were killed and injured.

On Large Scale. That the raid was planned on a much larger scale than recent ones over this territory is evidenced from reports made by many Americans in villages over which the raiders passed. The Germans came in wave formation and then scattered widely.

One squadron dropped bombs a few hundred feet from an American field hospital and at the same time one of the long range guns shelled a village a few hundred yards away. The first alarm was sounded at 11 o'clock. The dropping of bombs and the firing of many anti-air craft guns began almost immediately.

There was a brief pause after which the raiders returned to remain almost until dawn. A new American evacuation hospital had been opened only yesterday in a certain village. A bomb fell in front of it last night and shattered windows, but none of the patients was injured.

French Nurse Killed. In some instances the bombs fell within 30 and 40 feet of a hospital building, but fortunately there were no direct hits. A French nurse, her mother and two little sisters were killed in a house a short distance from a hospital. Another nurse was standing on the upper floor of the hospital ministering to patients when a piece of bomb struck her, piercing her lung.

Five American nurses were in the same hospital. They were Miss Natalie Scott of New Orleans, Miss Helen Spaulding of Brooklyn, Miss Mary McCadish of Atlanta, Miss Blanche Gilbert of Cleveland and Miss Constance Cook of San Francisco.

While the raid was in progress they went about cheering the patients, although many series cases of sick and wounded were aggravated because they had to be moved to the lower floors and the cellar.

"It was an exciting time," said Miss Scott, "but there was no panic. Some of our boys actually slept through it all although their beds were showered with broken glass."

ASHLAND AND VICINITY

A patriotic meeting which will be held on a rally scale, is set for Sunday afternoon, June 2, at 3 o'clock, at the Chautauqua auditorium.

Dr. Sidney L. Gulick of New York will speak on "The Moral Aims of the War," and Dr. George W. Nasmyth of Washington, D. C., will present "The Problem of World Reconstruction."

Mrs. Julia Hockett will sing Kipling's Recessional and other songs. All are invited. No admission and there will be no collection. Dr. Nasmyth is connected with the federal fuel commission as secretary to Director Garfield.

Dr. Gulick is a foreign missionary whose labors in both the religious and diplomatic field have been widespread, notably in Japan.

The normal school campaign has been placed in the hands of a committee of which Supt. Briscoe is chairman and Fred Homes vice-chairman. Frank Shin is secretary.

Other members are Mrs. D. Perazzo, Mrs. Frank Dickey, H. L. Whited and Homer Billings.

Decoration day was quietly and patriotically observed. Ecorted by the band, a large procession marched to Ashland cemetery and from thence to the armory where a brief program of music and addresses rounded out the formal observance of the day.

Co. E of Ashland is the official designation of this city's unit of the state's militia establishment, recruited from the home guard reserves.

H. W. Frame is captain; Peter Spencer and D. D. Edwards lieutenants. Ed Thornton, former captain, has been promoted to major of the battalion which will incorporate the Ashland and Medford companies.

On Wednesday evening a delightful social gathering occurred at the home of E. H. Bush on Oak street, where over a score of mutual friends met in reunion, the event being a semi-surprise upon Mrs. Maybly Jordan who is about to leave Ashland temporarily to join her husband who is employed at Vancouver, Wash., shipbuilding plants.

It transpired that the particular date marked the birthdays of Mrs. Jordan and Mrs. Bush, consequently the friendly greeting to both these charming young matrons were extended in double measure and in full accord with the hospitalities enjoyed by the jolly company present.

A unique attraction at the May festival on Friday night this week, at the Nat, will be a patriotic dance under the direction of Miss Alta Farmer, with a number of Ashland's young ladies in the "cast."

This new feature is said to be one of the most graceful movements in terpsichorean circles, and is introduced for the first time in this vicinity by the young ladies of the Auxiliary club. Be sure and see this innovation. This party is given in response to patriotic sentiment.

Clint Moore, grocery clerk at Enders, has moved to Seattle. E. F. Smith, demonstrator of motor car utilities, with his son Chet as chauffeur, returned the first part of the week from a business trip through Northern and Eastern Oregon.

GREAT TREAT TO COMMAND IN ITALY

WASHINGTON, May 31.—Orders detailing Brigadier General Charles G. Treat to duty in Italy were issued by the war department today. It was said that the orders might be revoked as they are contingent to some extent on the final assignment of Major General Leonard Wood, who has been assigned to command the western department, probably will be transferred at his own request to a divisional camp.

General Treat is now in command of the western department with headquarters at San Francisco.

WASHINGTON, May 31.—The exact duties for General Treat have not been disclosed. Two other general officers of the army already are in Italy, Brig. General George P. Scriven in Rome as military attaché, and Major General Eben Swift heading the special military mission.

The fact that General Scriven was recalled from the retired list to take his present detail has led to the supposition that he is to be relieved by General Treat.

Nasmyth will occupy the pulpit of the Presbyterian church, and Dr. Gulick that of the Congregational church, Sunday morning at 11 o'clock.

Among changes in the local schools Miss Margaret Anderson, teacher of music, and Miss Bessie Dunham, of Hawthorne school, both go to Mammoth normal, beginning with the fall term.

Alvin Wheeler, grad of Ashland high some time ago, has been elected principal of the schools at Waspat, Wash.

The first tourist car of the season to Crater lake made the trip from here recently over Dead Indian and Sand Creek roads. There were six in the party, the car being driven by H. J. Boyd within two miles of the rim.

Rev. W. N. Ferris, Baptist pastor, will deliver an address before the Ministerial union of the valley which meets at the library in Medford on Monday, June 3.

Now that the returns are practically all in, railroad men report that Shasta division records as to investments by them in Liberty bonds of the third series place this unit of the Southern Pacific system on a 99 per cent basis. Of 1769 employer only 15 failed to purchase a bond. The quota allotted to the division was \$100,000, whereas the subscriptions amounted to \$156,000.

George Damon is enlarging his woodworking headquarters at No. 41 B street and will increase the equipment of a carpenter shop in general. A new departure this season will be the manufacture of boxes for the Ashland Fruit & Produce association.

Chautauqua dates here have been set for the eleven days beginning Thursday, July 18, and ending the 26th. The program as furnished by Ellison & White will be available about June 10.

Word has been received by local friends of the death of E. M. McIntyre on May 23, at Seattle, Ore. EAGLE POINT EAGLETS

By A. C. Howlett. Last Sunday morning, it being the Sunday before Memorial Day, we had our annual Memorial services in the Baptist church. It had been announced for several days before and there was an unusually large attendance, and the program was carried out to the letter.

The arrangements were all made and the home was beautifully decorated with flowers and bunting and shortly after Sunday school was dismissed the procession began to file into the church, led by M. S. Wood, carrying a large flag of our "Land of the free and home of the brave," followed by the three old veterans of the Civil war, James Jordan Andrews, Jackson Florey and George Wansdy. Then came the wives and widows of those living and of those who have passed on before.

There was a seat arranged for any of the Confederate veterans but there was none here to fill the place. Then came the ladies of the Red Cross society, dressed in their regalia. They were all seated on the left hand side of the aisle. Then came the junior Red Cross members, also dressed in their regalia, and they were seated on the right side of the aisle. Then the rest of the

congregation was permissionally seated in the rear. The choir was seated on the platform. Then all of the congregation sang, "My Country 'Tis of Thee," etc., prayer by Rev. William Driver, the traveling evangelist, who is here with his chapel car. Then singing by the choir. Then the pinning on the stars on the service flag by the parents of the boys who have been called to do battle for their country, according to the roll call. This was the most solemn part of the entire program.

This was followed by an address by Rev. Driver. As he is a minister he took for his text the forty-fifth of the One Hundred and Nineteenth Psalm. It was more of a lecture than a sermon for he carried us back to the landing of the Pilgrim fathers and brought us down through the ages and showed how our fathers adhered to the true democracy and the result is a great and glorious nation honored by all the world. I heard quite a number express the opinion that it was as fine an address as they ever heard. Mr. Driver is a very pleasant, forceful speaker, and those of the citizens of Eagle Point and vicinity who have neglected to hear him during the past three weeks have missed a regular treat.

Among the callers Sunday at the Sunnyside were Mrs. C. D. Abbott, Mr. and Mrs. A. L. Gall of Sams Valley, Charles Cary of Table Rock, Frank L. Bailey, a U. S. timber cruiser, who had been up to Butte Falls during the week and came back here to spend the Sabbath, Mr. and Mrs. William Brown of the firm of George Brown and Sons, Charles Bacon, wife and two boys, Ole Moaman, Horace Goppert, Jed Edsall, the last two named had come out from one of the logging camps to reload a car of saw logs from off a car that was wrecked in the smashup onto another car, Lloyd Stenley, Jay Ritter, William Hazell, Miss Ethel Riley and Miss Ezzalia Goppert. Mrs. Eta Florey and Miss Hazel Brown went to Medford Monday morning. Miss Inez Willits and her sister-in-law, Mrs. Amos Willits, came out Monday morning in Mrs. Willits' auto, and Miss Inez went on up home to Tourist on the auto stage. William Holman of Climax came out Monday with an old mower and traded it to a Medford hardware firm for a new one. That is business. R. E. Morris, school supervisor, R. P. Harrington of Salea and Prof. J. C. Barnard, principal of our school, N. N. Yost of Boise, Idaho, W. E. Root of Medford, who are canvassing the county looking after the fruit industry in the interests of Denny & Co., Chicago, Ill., Otto Wezas, with Robertson Hardware company, Portland, and J. C. Brown, who is also in the fruit business, were here for dinner Tuesday. Since my last report W. Wagner of Trail, James Owens, ex-commissioner and Mrs. Lotie Van Seoy and E. S. Nichols have renewed their subscriptions to the Daily Mail Tribune.

congregation was permissionally seated in the rear. The choir was seated on the platform. Then all of the congregation sang, "My Country 'Tis of Thee," etc., prayer by Rev. William Driver, the traveling evangelist, who is here with his chapel car. Then singing by the choir. Then the pinning on the stars on the service flag by the parents of the boys who have been called to do battle for their country, according to the roll call. This was the most solemn part of the entire program. This was followed by an address by Rev. Driver. As he is a minister he took for his text the forty-fifth of the One Hundred and Nineteenth Psalm. It was more of a lecture than a sermon for he carried us back to the landing of the Pilgrim fathers and brought us down through the ages and showed how our fathers adhered to the true democracy and the result is a great and glorious nation honored by all the world.
