

YOUTH ACCUSED BY YOUNG GIRL CRIMINAL ASSAULT.

Mark Foster, aged 18 years, who had been in the employ of a taxicab company as an extra driver only a short time, was arrested Wednesday

on the charge of criminal assault on a 15 years old school girl of Medford. The girl asserts that Foster invited her to take a ride in his jitney to school yesterday, but instead of taking her to school drove to a lonely spot on a deserted road and attacked her. Foster was recently discharged from the navy on the petition of his parents who claimed he enlisted without their consent and that his services were needed to support his mother. He was arraigned before Justice

Taylor yesterday afternoon and his hearing was set for 2 o'clock this afternoon. Foster is confined at the county jail because of inability to furnish a bond of \$1000.

MANY PAY FINES FOR VIOLATIONS OF AUTO SPEED LAWS

Police Judge Glenn S. Taylor who is also justice of the peace, announced today that he would soon begin to administer the extreme penalty for

violations of the city and state auto laws. This would mean a fine of \$50 and costs for a first offense, with confinement in jail for 25 days unless paid. The second offense provides a fine of \$100 and 50 days in jail if not paid, and the third offense calls for a fine of \$150 and 75 days in jail if not paid.

Two men who were arrested for speeding in the city yesterday by Harold McDonald, the county motorcycle cop, were given fines of \$5 and costs, amounting to \$8.35, in Justice Taylor's court today. They are V. F.

Stephenson, driver of the Eagle Point jitney, who was speeding along North Holly street at 34 miles an hour, and James Leslie, taxicab driver, who was speeding on Riverside at 33 miles an hour.

W. S. Herring of Ashland, who was arrested by McDonald yesterday for speeding in that city, was fined \$10 and costs in the Ashland police court.
