

WASHINGTON TOO WARM FOR GIRLS, LEAVING BARRACKS

WASHINGTON, June 19.—An architectural blunder is causing serious interference with war work in Washington. In the construction of emergency office buildings the architects forgot that Washington is hot in summer. Girls are leaving the government employment literally by the hundreds because it is utterly impossible to stand the heat in these new working barracks.

The government is hiring clerks at the rate of about 1200 a week. They are leaving at the rate of 800 a week. Colonel Potter, in charge of personnel, has given numerous reasons for the desertion of clerks. Many of them are contributing causes. But he did not name the principal one.

I had occasion recently to visit one of these temporary office structures. The day was hot. I found that the clerks were leaving in large numbers and made inquiry. The so-called rest room was too full to hold any more prostration victims and those who could stagger were going home. Every cot in the Emergency Red Cross first aid room was holding two girls. Most of these girls were from offices on the third, which is the top floor. The temperature in these offices was above 100 and the humidity, as often happens in Washington, extremely high. Human being could not live and work in such environment.

The two lower floors are more tolerable. The buildings, however, are transient in character, built mostly of the flimsiest kind of battens and compboard. The great mistake, however, was to leave no air chambers between the roof and the ceiling of the top floor. The buildings are in groups so that many windows are cut off from the breeze, while many others look out on tin roofs. In Washington and structure which does not have a draft opening south and north is unbearable in summer. Whoever built these barracks did not know this fact apparently.

ASHLAND AND VICINITY

Up to the close of the campaign there were 850 subscribers approximately to the local patriotic fund, in sums varying from \$300 to 50 cents. About a dozen contributors subscribed \$300 each, and quite a large number of pledges ranged from \$60 to \$240. Most of the pledges are on the monthly payment plan which is deemed the best in behalf of the war chest fund. Of the total amount to be collected \$5,000 will be diverted to the Red Cross channels. The sum of \$326 is specified to be applied to Y. M. C. A. work. The unexpected sometimes happens, inasmuch as a certain individual who was rated in the doubtful column promptly sub-

scribed \$300. This was offset, however, by a few who didn't meet expectations.
Ralph Hadfield, well known clerk at Simpsons hardware several years ago, has enlisted in the navy, and will proceed from Astoria to San Francisco to fill an assignment on a submarine classer.

Mrs. Elizabeth Dunwiddie, of Gold Hill, was visiting relatives here early in the week, when the Stennet family held a reunion, over a score of the several subdivisions of the family relationship being present.

Julian Provost, of St. Paul, Ore., is paying one of his customary visits to his brother Pierre and numerous other relatives here.

Miss Gertrude Miksch will teach the primary department of the Bellevue schools the ensuing term. Her work will be near home, the family having returned from Ohio lately.

W. H. McNair is visiting San Francisco and other points in California. Mrs. McNair will return with him.

Wagner creek has instituted the latest Red Cross organization which is auxiliary to the Ashland chapter. Social entertainments have added considerably to the funds of the branch unit.

The Civic Improvement club is managing the local Red Cross salvage campaign fund. The drive is now on, the work being divided into two groups. The first embraces a "gift shop," where articles both useful and ornamental will be on sale. This repository will contain antique as well as other specimens of fancy designs. The "victory bins" are temporary receptacles of all kinds of old junk, which in due season will be sorted and classified. Tin foil is in special demand. Save all this refuse which will be available in due season. Now is the time to take stock in the junk pile on the premises.

"We have loaned Uncle Sam ten thousand dollars" is the legend boldly inscribed on a big streamer prominently displayed on the Junior high school grounds. This represents investments made by teachers and pupils in Liberty bonds and war savings stamps. Generous offerings in behalf of the Red Cross and through other war aid channels are in line with the schools government investments.

Damp, Changing Weather

Brings Its Toll of Sickness to Medford People
Chilly, damp, changing weather is hard on the kidneys.
Even more irritating are colds, grip and pneumonia;
They congest the kidneys;
They bring backache and disordered kidney action.

For weak kidneys use a tested remedy.
Medford people recommend Doan's Kidney Pills.
Mrs. J. H. Gustin, 521 S. Grape street, Medford, says: "I have been taking Doan's Kidney Pills whenever I have felt the need of a kidney medicine for several years and I have always received the most satisfactory results. My kidneys seem to be my weakest spot and every little cold or strain affects them and my back becomes weak and lame. After I have taken a couple of boxes of Doan's Kidney Pills, my kidneys become normal and in every way I feel as well and strong as ever."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Gustin had, Foster-Milburn Co., Mfgs., Buffalo, N. Y.
