BEST IN THE LONG RUN FAIR TREATMENT The World's First Torpedo Failed I inventor, David Bushnell, an American, in 1776 attempted to sink the British warship, Eagle. Bushnell towing his torpedo, charged with powder, by means of a hand-power semi-submersible, planned to fasten it to the hull of the attacked ship with a steel plunger; then explode it by clock work. His torpedo—too much of an experiment—failed. Safeguarding the user against failure, Goodrich never markets an experiment, tires or anything else. Goodrich Tires, though built with the experience and skill of the oldest and largest rubber factory, are proved out by the practical road travel of Goodrich Test Car Fleets to make them in word and deed. GOODRICH SERVICE VALUE TIRES For Goodrich recognizes but one value in tires—their SERVICE VALUE on your car and on the road; one tire value—SERVICE VALUE. Whatever pounds of rubber and other material go in tires; whatever hours of work and skill, their VALUE to motorists in their SERVICE, in comfort, dependability and durability. And you are sure to get it if your tires are GOODRICH SILVERTOWN CORDS, or BLACK SAFETY TREADS. Make sure of economy and security in tires by demanding big, masterful SERVICE VALUE TIRES. THE B. F.
