

HEARST'S HAT IN RING FOR GOVERNOR OF NEW YORK

WASHINGTON, July 10.—Hearst will probably be a candidate for the democratic nomination for governor of New York.

That means a hot time politically in New York, where a persistent fight has been going on for weeks against the Hearst newspapers as disloyal.

The New York Tribune has made a bitter fight on Hearst. The Times and World have printed the stories of the fight of the National Security League against his newspapers.

For a time Hearst's International News Service was barred from England and France. He was not permitted to send cable news out of either country.

Now Brisbane urges Hearst to go after the democratic nomination for governor of New York. There is much guessing on what it all means.

With the National Security League vigorously fighting Hearst as disloyal, and public meetings in New York, New Jersey and other eastern states forbidding the sale of his newspapers, the republican politicians will welcome his nomination for governor on the democratic ticket.

RED CROSS FEEDS YANK PRISONERS AT BRANDENBURG

BERNE, Switzerland, July 10.—Eat! Eat! Eat!

That's what every captured American proceeds to do when he reaches the prison camp at Brandenburg, Germany, to which naval captives are sent by Germany.

When the prisoner arrives after a long journey to a German port and thru the Limburg concentration prison, he is met by Chief Gunner's Mate James Delaney and three other American prisoners who constitute the American Help committee of the American Red Cross in Brandenburg camp, about 20 miles from Berlin.

To meet just such a contingency the American Red Cross at its prisoners' relief warehouse from Bern has sent this committee a stock of emergency food parcels and supplies of clothing and various comforts, such as soap, brushes, towels, etc.

There are no speeches of welcome for the men or anything but welcome—just a good American handshake, and the committee hands over a Red Cross parcel containing ten pounds of real American "cats."

Most of the food is cooked and ready to be wolfed by a man who has his own opinion about the sustaining powers of thin soup. When finally the sailor stretches and sighs the sign of the well fed, the committee shoots its first question.

"Smoke?"

This, too, is answered from another Red Cross package containing cigarettes, pipe and tobacco. The arrival is then given a post card addressed to the Prisoners' Relief Bureau at Bern. This card gives the Red Cross facts which it communicates to the prisoner's family in America.

The card also gives the sizes of shoes and garments the prisoner wears so that uniforms or other clothing can be supplied. Smokers receive regular packages of tobacco.

These shipments are made from the vast stores which the Red Cross has collected at Bern for the relief of captured Americans in Germany, enough to maintain 25,000 Americans for six months.

No American prisoner needs anything beyond what is being supplied to him except spending money. In fact, Franklin Abbott, director of the department of prisoners' relief urges relatives of captured men not to attempt to send them parcels.

"But do the American prisoners get these Red Cross shipments?" is a question asked frequently.

"They do," is Mr. Abbott's positive answer. "The American Red Cross has means of making certain that the prisoners get what is sent. Every package calls for return of a receipt signed by the prisoner."

SAMS VALLEY

We are experiencing some very warm weather, which owing to the humidity is felt more than usual.

Grandma Holst who has been failing in health for some time was removed to the Ashland sanitarium where she may undergo a rather serious operation. Her many friends anxiously await her recovery.

Our district was rather disappointed that we didn't quite raise our quota in the W. S. S. campaign but we believe the deficiency was owing to many of our largest property owners residing in other districts where they consequently gave in their pledge.

Mrs. Shaddock, sister of Mrs. Gardner and who has been assisting the latter in the work of the post office and store, left with her son William for their home in Los Angeles. Mrs. Shaddock's place will be filled by Mrs. Williams. Our good wishes go with Mrs. Shaddock who made many friends while here.

Mr. Edington and Mr. Burford were the recent losers of three very valuable horses.

Many from here attended the celebration in Ashland, while about 70

of our people including the Red Cross members and their families enjoyed a very pleasant picnic on Sams creek with a sumptuous spread accompanied by the delightful addition of ice cream.

Mr. Abbott who has been engaged in work near Roseburg for some time returned home this week to harvest his crop.

Out of the three boys from our district who were called in for examination preparatory to going into service Homer Wyatt failed but was placed in the government ship yards, while Ernest Lyman and Clarence Conger are now in training at Camp Lewis.

Jesse Tresham is now home from Riddle where he has been employed for some time past.

R. E. Weiland and sisters accompanied by Miss Cameron and Miss Verda Lynch of Table Rock, visited friends and relatives here Sunday.

The Union Sunday school group gathering which was postponed previously is now set for August 11 and will probably be held in the Potter Palmer place below the Bybee bridge.
