

July Clearance Sales

The Pot is Boiling Over With Sizzling Hot Bargains For Every One!

Undoubtedly one of the most important, if not the most important, July Sales we have ever held begins here tomorrow morning at 8 A. M. Merchandise is scarce; wholesale prices are steadily rising; many classes of goods are being taken by our Government for war purposes. Yet, in spite of these conditions, each department will offer from day to day, extra choice lots of broken assortments, odds and ends, surplus stocks and remnants of stylish, sensible merchandise at unexpectedly low prices! Every department is co-operating to make this the greatest event of many seasons, presenting wonderfully important saving opportunities to you! From the low prices quoted here now, you might believe that the old pre-war schedule is coming back again. But don't

Here's The Answer to The Mystery of "What's In The Pot." Every Department In The Store Has Many Offerings To Contribute To This Bargain Feast. Selling Begins Tomorrow at 8 a.m.

be misled! These self-same July Sale goods are costing more almost day by day, in the wholesale market. In many instances, we could not buy new goods for the prices we're now offering them to YOU! We can almost give you our unqualified guarantee that practically every July Sales offering will be higher in price the next time you try to buy it! Buy NOW and buy heavily of goods you'll need for Summer, Fall and even next year!
