HONOR LIST FOR 2ND DRIVE FOR RED CROSS FUNDS

List as Furnished By Committe of Those Who Subscribed to Mercy Fund In Spring Campaign In Northern Portion of Jackson County, Showing Amounts Given.

In accordance with an announcement made previous to the last Red Cross Second War Fund campaign that the names and amounts given by their respective contributors would be published in the local papers, the following list is submitted for the careful inspection of the public. The list is complete, making it possible for anyone to discover who has helped the Red Cross, and the amount given in each case. Credit is given for pledges of future payment the same as for cash contributions. With few exceptions the contributions have been generous according to the means of the individual contributors, and the public should consider the donations accordingly. The list has been carefully checked to eliminate errors but in such a long list some typographical errors are likely to appear. If your name or contribution is incorrectly puolished it will be corrected if the proper notification is addressed in writing to T. E. Daniels, 105 Geneva avenue, Medford. Don't ask for a correction over the telephone or from the papers. For the sake of brevity initials have been used instead of exceedingly long names. All names are taken from the duplicate receipt stubs turned in by the solicitors and it is assumed the solicitors have written the names as given them by the respective contributors.

The first payment on pledges to the War Fund were due July 1st and should be paid at the First National bank where special arrangement has been made to receive and receipt for the installments.
