MEDFORD GIRL ESCAPES HUNS

Mrs. Donald Clark recently received a thrilling letter from Miss Dorothy Conner describing her experiences in the recent German drive which smashed thru Braine, France, where Miss Conner had charge of a canteen. Braine is on the Vesle river between Soissons and Rheims, toward which the allied forces are now making rapid progress.

Miss Conner, daughter of Mrs. Charles Conner, formerly of Jacksonville, was on the Lusitania when the boat was sunk, and had a narrow escape from death. Nothing daunted, she soon returned to take up relief work near the fighting line, and had been at Braine many months when the Germans broke thru the Chemin Des Dames and drove south.

Miss Conner describes the frightful bombardment and seeing the German planes coming over the northern horizon. A French soldier pointed to them and said, "They are only a few miles ahead of the German advanced guards." After tending several wounded soldiers Miss Conner hastily got together a few personal belongings and climbed into a Ford car bound for Paris—the last car to leave before the invading forces arrived. She lost several valuable articles, and the canteen of course with all its supplies and furnishings fell into the hands of the Germans.

Miss Conner is now in Paris and wrote that as soon as the allies swept back the hated Huns she would return to Braine and continue her relief work.

RAINS IN HILLS PUT OUT FIRES

The heavy rains of Monday and Tuesday in the hill and mountain districts extinguished all the forest fires that were burning in Jackson and adjacent counties. Hugh B. Rankin, supervisor of the Crater Lake national forest, stated this morning that all fires were out in his district and that the slate was clean for the first time in months. There were very heavy rains in the Crater Lake territory on Monday and more rain yesterday.

The welcome rainfall in Medford and vicinity yesterday amounted to only .03 of an inch, but it did a world of good to all kinds of growing crops. The recent cool weather has also been of great benefit to the crops.

ERNEST ADAMS BURIED IN ENGLAND JULY 1ST

C. W. Adams, brother of Ernest Adams of Willow Springs, who was killed in an aeroplane accident in England a few weeks ago, has received a letter from a Red Cross captain in London giving some details of the fatal accident.

Adams was flying with an instructor, and when making a landing the machine hit a mess of telephone wires which turned the machine over, hurling it to the ground. Adams was instantly killed while the instructor was injured seriously. The writer expressed gratitude that the deceased did not suffer and was not disfigured, adding: "He was a fine, clean-cut American boy, one that his country may well be proud of."

Adams was buried July 1st at Lincoln, England, beside 11 other American flyers who gave their lives while preparing to meet the Boche at the front.

WESTERN BOHEMIA FACING STARVATION

WORLD'S PACING RECORDS BROKEN

TOLEDO, Ohio, July 24.—World's records were shattered on the new one mile track Tuesday in the inauguration of grand circuit racing in Toledo. Miss Harris M., in the free-for-all pace, went the first mile in 1:58 1/4, the fastest mile covered by a pacing mare. In the second heat of that event, Edward F. (Pop) Geers, drove Single G., winner of the race, a mile in 1:59 1/2, giving that horse a new record and establishing a record for the fastest two paced heats.

In Miss Harris M.'s heat she traveled the first quarter in 30 seconds, the half in 59 seconds and last quarter in 24 1/4 seconds. Her feat was the second fastest mile ever paced, Directum holding the record of 1:58 made at Columbus in 1914.

The second heat was the second time in his career that Geers has ridden a mile under two minutes.

William, the world's champion pacer, took the lead in the first heat and held it to the stretch. He was unequal to the dash and finished fourth.

HER DAUGHTER WAS SAVED FROM OPERATION

Mrs. Wells of Petersburg Tells How.

Petersburg, Va.—"For two years my daughter suffered from a weakness and pain in her right side; at times she was so bad she could not do any work. For two years she was attended by the best physicians here, and both agreed that she would have to be operated on. I suggested Lydia E. Pinkham's Vegetable Compound, and at first she refused to take it, but finally consented. From the very beginning it helped her, and now she is entirely well and telling everybody how much good it has done her."—Mrs. W. D. Wells, 226 North Adams Street, Petersburg, Va. If every girl who suffers as Miss Wells did, or from irregularities, painful periods, backache, headache, dragging down pains, inflammation or ulceration would only give this famous root and herb remedy a trial they would soon find relief from such suffering. For special advice women are asked to write the Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of forty years' experience is at your service.

EX-SOLDIER'S GO TO UNIVERSITIES

LONDON, July 24.—Soldiers and sailors of the British empire who are unfit for further active service and who desire to undertake a course in higher educational training can now realize their hopes.

Under the auspices of the Rhodes Trust and the Lord Kitchener National Memorial Fund, the Overseas Sailor and Soldier Scholarships fund has been founded.

Under this fund, those members of the overseas forces who are unfit for service and who have been recommended by the authorities, will be given scholarships varying from \$750 to \$1250, depending upon the university they choose.

Those chosen must have had either a university or preparatory training. If they have had neither they must, in the opinion of the authorities, have developed considerable character and power of thought.
