M. G. Lawrence, proprietor of the Buckhorn lodge, the noted resort in the Toimam Springs district, died recently in southern California after prolonged illness. The lodge is now vacant without even a caretaker to look after the fine property.

Major Carter, mining investor and prospector, is also of a floricultural turn of mind when it comes to noting the unusual development connected with buds and blossoms. Last Friday he was exhibiting twin roses, one white and one red, growing from two stems on one common stalk.

The patriotic rally, announced for Tuesday evening, July 30, at the Congregational church, by the Women's Christian Temperance Union, incorporates the following program: Song, "Come Thou Almighty King"; devotionals, Mrs. P. L. Ashcraft; solo, Miss Lois Smith; address, "National Prohibition," Hon. C. M. Thomas, of Medford; solo, Mrs. Julia Hoekett; address, "Women in Industry," by Dr. Keeney Ferris; solo, Mrs. Perry Ashcraft; address, "Moral Education," by Rev. D. D. Edwards; Reading, Mrs. W. L. Mellinger; address, "Soldiers and Sailors," Rev. G. S. Brett; song, "America," benediction, Rev. W. N. Ferris. The plan is to make this rally an epochal one in the union's annals.

The premier date of Chautauque, as far as financial receipts are concerned, was the closing day, when on the evening of July 25, with the Mother Goose festival, the Hawaiian quintet, and an illustrated lecture as triple attractions, the gate receipts were about \$450, exceeding the revenues derived from the big band concert earlier in the week. The assembly officials were on the alert, with G. A. Briscoe as president pro tem, aided by M. C. Reed, the regular presiding officer, who arrived on the scene from a lecturing tour in time to participate in plans and announcements. Frank J. Shinn, the efficient secretary, was omnipresent, while the executive board had the counsel and assistance of Mayor Lamkin.

Illinoisians held a jolly reunion in the park last Thursday, and it was decided to make the temporary organization of the people from that state a permanent one as to annual picnic events. The association will include Jackson county residents and is not limited to those living in this locality. About 50 were present. Dr. MacCracken was elected president, and Miss Nellie Ross secretary and treasurer. One Illinois man present was 91 years of age. The association will meet again in local parks in September and perfect the organization.

Funeral services of J. A. Slaughter, who died July 26, at his home near Phoenix, were held in that town on Sunday, interment being in Phoenix cemetery. The deceased was a native of Mississippi and was 65 years of age. He formerly lived west of Ashland near Frederick. He was a member of the Masons, Knights of Pythias and Modern Woodmen orders.

Miss Priscilla Carnahan, who has been teaching the past term in the Pilot Rock district, will attend the normal school at San Jose this fall.

The Rebekah lodges of the district will picnic in the parks on Tuesday, July 30. The district is supposed to extend territory from Ashland to Grants Pass, consequently the attendance will be large from this representative auxiliary of Odd Fellowship. Committees have arranged a varied program, while the refreshment accompaniments will include a medley of good things usually incorporated in a basket dinner.

The funeral of Grandma Holst, who died July 16 was largely attended by the many friends who were grieved and shocked by her sudden death. Though many knew of her ill health it was not thought serious until her removal to the Ashland sanitarium where she sought treatment but soon passed away.

The recent showers almost entirely escaped our district leaving only sufficient rain to settle the dust; and maybe just as well as grain harvesting is now in full blast.

Most of the grain around our vicinity looks very promising considering the season we have had and it is thought the yield will be much better than was previously expected.
