

War Clean-Up Sale

Curtailment of production of New Cars compels us to reduce our stock. We stocked up on supplies with the expectation of getting our usual amount of New Cars, but converting of factories to war uses shut off the supply. So we are going to clean up by putting our

\$50,000⁰⁰ Stock of Auto Supplies

on sale at unheard of prices. Never before has the auto buying public had such an opportunity.

TIRES, TUBES, OILS, GREASES, PUMPS
