EAGLE POINT EAGLETS

By A. C. Howlett

Last Wednesday afternoon Mrs. Fred Stinson and her daughter, Mrs. Hubert were here looking for a notary public so that Mrs. G. could sign a legal document, but were too late in the day as our N. P., Mr. J. V. McIntyre, had closed the bank and gone away.

Mr. and Mrs. L. C. Charley and their daughter, Miss Verna, were also business callers Wednesday afternoon.

Mr. and Mrs. A. H. Thomsen of Lake creek, arrived on the P. & E. Thursday morning from a somewhat protracted visit over in California. Mr. Thomsen is the postmaster of Lake Creek and is engaged in the mercantile business. They had been to California visiting relatives. C. W. Coos of Medford and Frank Dies, worth of Prospect, and two families bound for Butte Falls were on the train.

J. L. Robinson was a business caller Thursday, and reported that his son John, and family, daughter Terry, sons Paul and Elma Thomas, Mary, and Miss Dakla Minter started with a mule team that day for Huckleberry mountain to be gone several days. They went prepared to bring back quite a lot of huckleberries.

John Wingham, the mail contractor for carrying the mail from here to Persis broke a spring on his car a few days ago and so has put on his winter rig—a span of mules and a two seated covered hack—a good outfit, until he can get his car fixed up.

While Mr. Cadzon was here he was telling of a near escape from severe damage the people in the Ed Walker camp had of losing their donkey engine. Fire broke out, cause unknown among the saw logs, and came near getting to the donkey before they could save it. From what I can learn there was but little damage done.

Mrs. G. Montgomery, who has been up to Kirby, visiting her brother, returned to her home a few days ago.

Mr. Cadzon of Butte Falls, was a diner at the S. S. Thursday.

S. J. Stevens of Portland was with us Friday.

There was a little wreck on the P. & E. at that camp. The train men had hitched out two log cars loaded and pulled them out from the Edsall logging camp onto the main line and detached the engine from them, leaving them to back up onto the Walker switch, and just as they were getting onto the Walker switch the cars they had left broke loose, the brakes being insufficient to hold them and though the engineer discovered what had happened and started to back so as to catch the oncoming cars on the engine—as while underway he could have stopped the cars if he could have it strike the engine square, but while the train of empty cars was running back onto the main track the other cars were coming, as they were running, to a certain extent, almost parallel to each other, the cars collided, throwing one of the loaded log cars off into the ditch upside down, and jamming another car under the end of another, breaking it up considerably. There was no special damage done and no one hurt. The next time they will block a week as we used

to do with our wagons when hauling lumber.

Mrs. Walter Mitchell, Miss Fern Van Hardenbergh and Miss Jose Carlton of Wellen were doing business here Friday and so was Mr. and Mrs. Gus Nichols and Roy Stenley.

Harry Starr, representing Marshall Wells company of Portland, was here for supper, and Mr. E. Wheeler of Butte Falls and Thomas Lewis spent the night at the Sunnyside Friday night.

Among the passengers on the P. & E. Saturday morning were F. O. Ahlstrom, one of the Butte Falls merchants, E. P. Mulvey, a representative of the Crescent Manufacturing company of Seattle, Washington, S. S. Aiken, the pioneer of Prospect on their way to Butte Falls and Prospect.

James Culbertson came out on the E. P.-L. C. stage and took the Lewis jitney for Medford.

John Welch of Lake creek came out Saturday morning and took a small lot of shakes he had left at the depot here home.

Carl Brommer of Medford, and S. A. Sanford of Roseburg, Frank Smith, C. Y. Koffer, our meat man, and E. H. Hoger, representing the George Lorraine company, Portland, were here for dinner Saturday.

Says Chemist Is Public Benefactor

"Being a doctor, and suffering for many years with stomach trouble, I feel I cannot do justice to so great a public benefactor in writing. May's Wonderful Remedy is everything you have claimed for it. I can now eat and relish victuals I have not dared to eat in many years. Am feeling like newly born." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by druggists everywhere.

It's in the Air

Windblown pollen, carrying the bacteria that inflame nose and throat and cause hay fever, is abroad in the land. One remedy is known to give relief and comfort from choking, gasping asthma and tormenting hay fever. That reliable remedy is Foley's Honey and Tar that spreads a healing, soothing coating on the inflamed membranes, stops irritating coughs and summer colds. Any one who has once used this standard cough and cold remedy will accept no other. Sold everywhere.
