ASHLAND AND VICINITY

Taking advantage of the absence of the F. D. Wagner family, Mrs. Lou Case and Mrs. Al Kinney threw open the big lawn in the neighborhood of 47-50 Granite street last Tuesday evening and were social hostesses of the Butler, Peil, Eubanks, Applegate and Day families. The piece de resistance of the banquet, which was served al fresco, was a mulligan stew, the meat and vegetable components being cooked in just the right proportions. Dessert included all manner of experiments with food substitutes, and the major conversation of the picnic tables related to the merits of strictly home-made cookies, some of which were purchased at the nearest grocery, according to later reports.

Master Johnny Denton presided over the ice cream freezer.

Mrs. T. G. Mantle, from Oklahoma, whose husband is an army chaplain overseas, has been a recent visitor of Mrs. W. L. Mellinger.

Mr. and Mrs. G. F. Billings have returned from their vacation at Newport.

E. E. Bagley, now located at Milbank, South Dakota, as grain inspector for leading shipping interests, writes friends of abundant crop prospects in that region. He also refers particularly to the pleasure experienced in meeting Ashland soldier boys on the occasion of their going east via Spokane, and mentions a number by name who were most cordially greeted. The pleasure of the meeting being mutual.

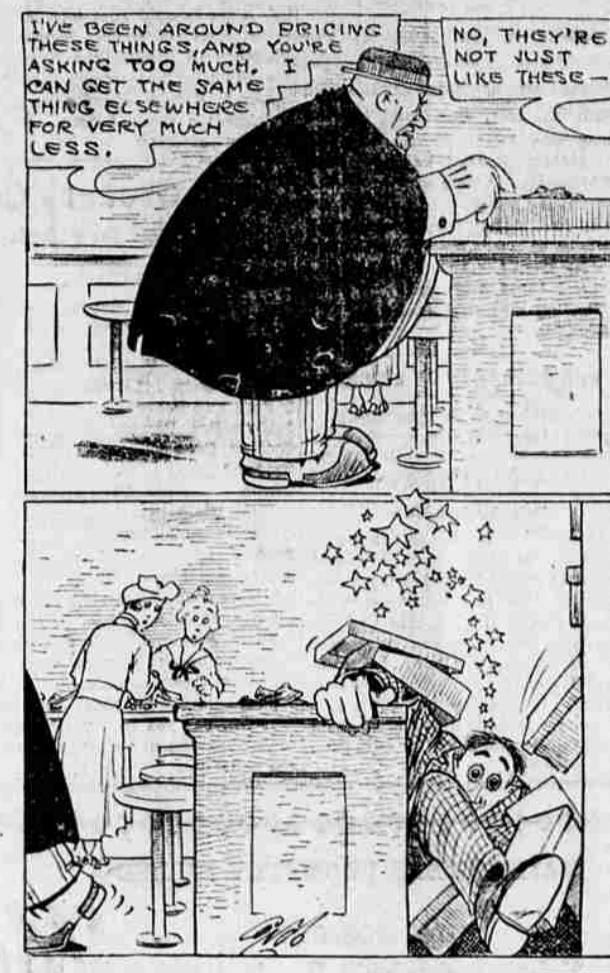

Funeral services of Fred L. Taylor, Y. M. C. A. field worker in the army service, who died recently at a southern California cantonment, were held at the Methodist church on Thursday, the remains having arrived from the south the previous evening. Interment was in Hargadine cemetery.

Presbyterians and Methodists will unite in Sunday morning service, Aug. 11, at the house of worship of the former. The sermon will be delivered by Rev. C. A. Edwards, Methodist pastor, from the text, "The Church in the World of Tomorrow."

W. D. Hodgson and G. C. McCallister, professional men, evidently can adapt themselves to mechanical pursuits, as is witnessed by their construction of a wood saw machine which also embraces propelling powers. This device is mounted on a large sledge instead of wheels, and by the aid of a steel cable and its own gasoline motive power can be moved from place to place on short notice. In capacity it has a horsepower voltage of six sturdy mules. In appearance it resembles a cross between the old-fashioned ironboat and a war tank. This initial machine has just been completed at the Emil Peil auxiliary plant of the Bethlehem Steel works, and it will be installed

for active operations on the Hodgson timber tracts southwest of town.

Herbert McCarthy, for sometime past Southern Pacific yardmaster at Klamath Falls, has received a new appointment with the railroad company, designated as division examiner, necessitating his removal to Dunsmuir. This is a promotion in the service. Herb is a former Ashland boy, whose father, Dennis McCarthy, piloted the locomotive which drew the first passenger train into Ashland in the 80's.

Owing to the high cost of fining and sentencing, Dr. Brower, judge of the city court, has asked for a raise of salary, the net sum under current payrolls being \$15 per month.

Big preparations continue for the Dixie picnic, to be held here on Thursday, Aug. 15. Announcements are being sent broadcast, inasmuch as the gathering is a Rogue River valley event. Dinner will be served promptly at noon in order to afford ample time for a fine program.

Mr. and Mrs. W. H. McNair of this city, early in the week joined Mr. and Mrs. Clarence L. Hobart, of Grants Pass, in a motor tour thru the scenic region which has Crescent City, Cal., as a terminus. Hal McNair and Tom Simpson, of Ashland, are partners of Hobart in the Ford garage at Grants Pass, an institution which is having a big patronage this season.

W. A. Turner succeeds W. W. Caldwell as member of the city council.

The gospel is to be carried into the darkest Crater Lake region, and the first religious service ever held in that locality will take place in the big hotel near the rim on Sunday, Aug. 11, at 8 p. m., conducted by Rev. J. W. Hoyt, of Ashland, as representative of the field of Sunday school missionary effort in territory included in the Southern Oregon presbytery.

R. P. Cornelius, watchman in Klamath county lumber mills, having recovered from a recent accident, has returned to resume his position with the Pelican Bay Lumber company. Two other old timers from this section are also employed over in Klamath.

Rev. W. N. Ferris, local Baptist pastor, will attend the Southern Oregon Baptist association convention, to be held at Klamath Falls, Aug. 9-11, and in the meantime Rev. Geo. W. Black, of the Imperial Valley, and who was pastor of the local church some twenty years ago, will occupy the pulpit on Sunday morning.

Street Commissioner Fraley has had the sphere of his influence enlarged, the city council having conferred upon him jurisdiction over all noxious weeds, particularly quack grass which is getting a foothold in our streets and alleys, and his orders are to have this pest exterminated, which will continue by "absent treatment" during a vacation of two weeks.

The Nazarene church has obtained a concession for the erection of a big

tent on the merry-go-round and ferris wheel grounds on Park avenue, the canopy to house the camp meeting headquarters of the evangelistic meetings to be held here Aug. 23 to Sept. 9.

LEMON JUICE TAKES OFF TAN

Girls! Make bleaching lotion if skin is freckled, tanned or sunburned.

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, shake well, and you have a quarter pint of the best freckle, sunburn and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of Orchard White for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles, sunburn, windburn and tan disappear and how clear, soft and white the skin becomes. Yes! It is harmless.—Adv.
