IDEAL WEATHER FOR HARVESTING OREGON CROPS

PORTLAND, Ore., Aug. 15.—Ideal weather for harvesting has prevailed in Oregon during the past week, according to the weekly summary of weather and crop conditions issued August 14, by the weather bureau. Day temperatures were moderate, with little rainfall.

Barley is giving poor yields of fair quality. Oats are ripening fast and the being harvested with a very light crop indicated. Threshing of spring wheat is under way, with fair to average yield. Considerable threshing of winter wheat was done, with fair to good yields reported. Corn is tasseling generally. Cool weather has been unfavorable for it.

Meadows under irrigation are doing very well. The third crop of alfalfa is being cut in Jackson county and has a good start in Josephine. The second crop promises well in Klamath, Malheur and Wallowa counties. Non-irrigated fields are very poor. Pastures and ranges are short and dry. While in some places cattle are losing flesh, they are looking better than unfavorable conditions would seem to warrant.

Pears are bing picked in southern counties. They are plentiful and of excellent quality. Large shipments the coming month are in prospect. Dry weather is causing some fruit to fall in Linn county and trees have been broken and fruit blown off by high winds in Josephine county. A small crop of Crawford peaches is being harvested in Jackson county and a fair crop in Wasco county.

Rains are greatly needed for gardens of all kinds. Hops show effects of drouth and the red spider is damaging them. There is a fair crop of flax in Marion county.

Overwork and worry cause kidney trouble. When the kidneys are not working properly, poisons accumulate in the system, resulting in backache, sore muscles, stiff joints, rheumatic pains, constantly tired feeling and other distressing symptoms. George McLain, Turtle Lake, N. D., writes: "I am a locomotive engineer. I had a bad pain in my back and my bladder action was very irregular. I took Foley's kidney Pills and was relieved in a couple of days." Sold everywhere.
