RENOWNED MAN MAY VISIT THIS SECTION

L. T. Cooper, Noted Philanthropist Gives Large Part of Income to Charity

Not in recent years, perhaps, has the coming of any public character aroused such widespread interest as has the proposed visit to Portland and other western cities of L. T. Cooper, the Millionaire Philanthropist. Mr. Cooper is described as one of America's foremost leaders of advanced thought, and sprang into fame and fortune through his new health theories based on what is known as the Tanlac treatment. He never ceases to surprise you with the infinite quality of his knowledge, and its absolute correctness and thoroughness. In several of the larger cities, he has done a great deal of relief work among the poor.

Mr. Cooper is a firm believer in practical philanthropy and his relief work is familiar to charity workers over the country. His Southern representative while in Houston, Texas, recently distributed, under the personal direction of leading charity workers, one thousand dresses of excellent quality to the poor women and children. In San Antonio the following week, he donated another thousand dresses to the poor of that city and a few days later four hundred of the garments were provided by him for the poor women and children of Galveston. Ladies prominent in social life and many prominent citizens of these places assisted and co-operated with Mr. Cooper's representatives in this worthy cause.

Similar service was also performed by Mr. Cooper in Memphis, Birmingham, Atlanta, Little Rock, Shreveport, Vicksburg, Jackson, Nashville, Knoxville, Chattanooga, Macon, Savannah, Montgomery, Mobile and Augusta, and his establishment of the famous free bread line at Louisville, where he distributed fifty thousand loaves of bread absolutely free and without question to those in want, proved a revelation to charity workers there. In fact, practically every city Mr. Cooper has visited he has always shown his great sympathy for the poor and unfortunate by performing some unique act of charity.

Mr. Cooper contends that nineteenth of the diseases and ill health of the present day American is due to faulty digestion and improper assimilation of the food, which finally produces a stuffed up condition of the vital organs. It has been said that Tanlac, his celebrated medicine which is now accomplishing such remarkable results throughout the country, not only quickly overcomes all catarrhal inflammation of the mucous membrane, but acts directly in the correction of stomach, liver, kidney and intestinal disorders. Tanlac as has been so convincingly proven by the thousands upon thousands who have endorsed it, is also a reconstructive tonic of great power, and has been known to entirely relieve the most obstinate cases of rheumatism and blood disorders in a very short time.

Tanlac Sales Phenomenal
It is indeed doubtful if anything ever placed on the market in the way of a medicine has sprung into such popular favor in so short a time. People everywhere have been quick to recognize its wonderful merit. The demand for it has been nothing short of phenomenal. In Seattle, Washington over 50,000 bottles were sold and distributed by jobber and retailer in eight weeks time, which established a new record there, and is unprecedented in the history of the drug business. In Denver over 65,000 bottles were sold in six months, in Ft. Worth, Texas, 122,204 bottles were sold in twelve months, in Atlanta, Georgia over 165,000 bottles were sold in twelve months time, in Dallas Texas 129,000 bottles were sold in 12 months time, in Knoxville, Tenn., the Kuhlman-Chamballs Co. sold and distributed 48,236 bottles in nine months, in Louisville, Ky., the Taylor-Isaacs Company, who operate eight retail stores in that city sold 22,900 bottles in less than ninety days. In fact everywhere Tanlac has been introduced its sale has likewise been phenomenal and the demand for it is continually increasing. A total of more than two and a half million bottles of the medicine has been sold through the Atlanta Office alone during the past eighteen months, and it

Teach your children to buy their stamps, writes in A. C. Jerusalem: It's our children who are teaching us!

is without doubt the most widely talked of medicine today. When asked to explain this record breaking demand, Mr. G. F. Willis, International Distributor of Tanlac said: "There can be only one possible explanation, and it can be told in one word, 'Merit.'" That tells the whole story. No preparation, no matter how extensively advertised, can possibly meet with such phenomenal success unless it possesses extraordinary curative power."

Thousands upon thousands are testifying daily that they have been relieved of disease after years of suffering by its use. Tanlac is sold in Medford by The West Side Pharmacy, in Gold Hill by M. D. Bowers, and in Central Point by Miss M. A. Mee. Adv.

WANTED
Will pay 44 cents cash for Eggs this week
Johnson Produce Co.
CENTRAL POINT, ORE.
10 South Fir Street.

A MEDFORD MAN'S EXPERIENCE

Can you doubt the evidence of this Medford citizen? You can verify Medford endorsement. Read this: Edwin J. White, prop. dairy, 322 East Main street, says: "I was nearly laid up with an attack of lumbago. It came on without any warning and I thought my back was broken. I could not straighten up and went about all bent over. A friend advised me to take Doan's Kidney Pills, which I did, and soon I was able to get about. It required only one box to fix me up in fine shape and since then, I have never had any trouble with my back and kidneys." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. White had. Foster-McMillan Co., Mfgs., Buffalo, N. Y.

COURT HOUSE REPORT

Reported by Jackson County Abstract Co., Sixth and Central Aves.
