Renault of Jacksonville, who had been out to the Huckleberry mountain, were unfortunately in having their horses stray off and Mr. Wilson hunted for them for four days before he found them and then a man had tied them up on Red Bluff ranch for him and the result was that they did not secure many berries. They picked a few and bought the rest that they brot home. The last two named spent the night here with us. Mr. Renault

They had been out getting ready to start Ray Wilson and Dr. Holt came up to the Sunnyside with Mr. Ray Wilson's father, Mr. Daniel F. Wilson. Mr. Wilson, sr., had been in an automobile wreck and was brought here for medical treatment. He was riding with Ray's family. Mrs. Wilson was at the wheel and in going out from the Dodge-French bridge the machine was running on high and when she came to the steep part of the hill—it is quite steep and on a curve—she tried to change it from high to low the lever caught and by some means "killed" the engine and the car began to run back down the hill and she lost control of the machine and it ran off the grade turning completely over, smashing the top all to pieces and catching the old gentleman under the wreck, jamming his chest quite badly, but hurting no one else.
Mr. Wilson is about eighty-two years of age and seemed to be in considerable pain but the doctor decided that there was no serious damage done. His son took him to Medford Saturday morning to stay with one of his sons. After the inmates of the auto were all extricated they simply rolled the auto over on the wheels and took it on to Medford for repairs, by its own power.
Miss Kinsheloe Going came out Saturday morning. There were three more youths came out on the P. & E. and all took passage on the Eagle Point-Lake Creek stage for Lake Creek. Miss Going was going up to teach the Lost Creek (South Butte) school.
Among the callers Friday Saturday were W. F. Quisenberry, O. O. Alenderfer of the California-Oregon Power company and another man in the employ of the same company whose name I cannot recall. Also Charles Bacon, conductor on the P. & E. and J. C. Kobbie.
Since my last report D. S. Nichols and J. L. Robinson have renewed their subscriptions to the Mail Tribune.
S. H. Harnish, son Bobbie, son-in-law and daughter, Mr. and Mrs. Fred Dutton who went to Crescent City the first of the week returned Thursday evening.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F.
