He expects to teach this fall and winter in the same locality. He has followed teaching in this county for several years.

witnesses until 6 p. m. There seems to be considerable feeling manifested in this community over the suit and the decision will be looked for by the friends on both sides with interest.

Mr. and Mrs. Putman and Mr. and Mrs. Manuel Leitman of Medford, were among the guests at the Sunny-side Sunday, and so was Geo. A. Hopper of San Diego, Calif., Mrs. Raymond L. Ward, New York City, and Miss Louise Mosier of San Francisco. Also Judge E. D. Briggs and wife, J. A. McNair and wife of Ashland and Mrs. Mary Sitzer of St. Paul, Minn. And Mr. W. H. Fred Fridgegar of Medford, who owns a twenty-acre pear orchard just outside of the corporate limits of our town, came in Monday to commence picking and boxing his pears, taking a room at the Sunny-side. His pear crop is quite good this season as he has a good tract of land and water to irrigate.

Mr. and Mrs. Dolph of Portland, arrived at the farm of Mr. Fred McPherson of this place, Sunday night they came down in their car to visit Mr. McPherson and family as they were school mates together when they were boys. Mr. Dolph is a relative of the late Senator Dolph and a grandson of Mr. Vanderbilt of New York.

I learned this Wednesday morning that the beautiful home of W. E. Hammel situated about five miles north of here was burned to the ground Monday morning about 3 o'clock. There seems to be no cause of the fire as far as I have learned as Mrs. Hammel was away from home on Applegate at the time and there had been no fire in the house since Saturday. There was some insurance but I understand that Mr. Hammel claims that the loss will amount to over a thousand dollars over and above the insurance. He saved nothing more than his clothes as he was in bed when he heard the fire.

Monday the lawsuit between W. E. Butler and Ed Dutton et al and the et al proved to be the county of Jackson for ten thousand dollars damages because Ed Dutton acting as road supervisor in this road district removed obstructions in the road acting under, as he supposed, the orders of the county court and in consequence of the suit there were some fifteen or twenty witnesses summoned from here and surrounding country and among that number was Frank Brown, Roy Ashpole, L. E. and John and Gus Nichols, Jeff Conover, Geo. Daley, Wm. Perry, A. C. Howlett, and a number from the country. Some of them did not appear while a few who did go to Jacksonville were not called on the witness stand. The principal point the plaintiff seemed to want to establish was that it was not a legal county road and that the plaintiff had a right to fence the land. How it will be decided remains to be seen as the court did not get thru examining the

Men Feel Tired, Too
While much is said about tired women it must be remembered that men also pay the penalty of overwork. When the kidneys are weak, inactive or sluggish, when one feels tired out and miserable, lacks energy and ambition. Foley Kidney Pills are tonic and strengthening. Wm. H. Clark, Springfield, Ohio, writes: "I found no relief from kidney trouble until I discovered Foley Kidney Pills. Now I am in A1 shape." They act quickly and surely. For sale by the Medford Pharmacy. In spite of the war excitement and the cry of hard times, the farmers are still going ahead improving their places and it appears that the demand for lumber shingles and shingles is just about as urgent as ever.
