

REGISTRATION OF SCHOOL STUDENTS BEGINS MONDAY

Registration of high school students will begin on Monday, Sept. 16, 8 a. m. Students are urged to register at the beginning as the first couple days will mean much in efficiency as it pertains to pupils and the system in general.

Regular outlined high school courses have been carefully worked out by the administration. These courses will be ready for distribution to those pupils that are interested in the securing of the same Friday afternoon and Saturday. While there will be no formal registration of students until Monday, Sept. 16, pupils and parents are cordially invited to feel free to call Friday afternoon and Saturday after 3:30 p. m. The principal of the high school and the superintendent will be pleased to confer with pupils or parents at these times.

During the past several days there have been many requests by non-resident pupils as to the work available in the schools for the ensuing year.

Parents Sent Blanks A special registration blank for the elementary schools will be sent to the parents. Patrons are asked to fill out the same carefully and return the same promptly with the pupil as this blank will be of great assistance in making out permanent records.

The principals of the various buildings will prepare a carefully certified list of all pupils regularly promoted in their respective buildings. These will be approved by the superintendent of instruction before they are presented to the various instructors in the different ward buildings. It is the plan that many details of this nature will be worked out this week preparatory to the beginning of school so that each teacher can start off the work efficiently. In order that these many details may be taken care of, it will be the plan of the superintendent to have several preliminary meetings with the principals of the grade buildings.

All instructors of the public schools will arrive in the city Friday, Sept. 13. The high school principal, the grade principals and the superintendent will hold meetings of the different groups of teachers on Saturday, Sept. 14.

All graduates of the other school of higher learning are asked to make it a point to call for the special blanks, that are as a rule required by the different institutions to be filled out, this week for it is easily seen that much of the time of the principal and superintendent will be consumed with the organization of the work of the school. If this can be done, it will be appreciated greatly.

Must Be Six Years Old

By order of the board of education, the same as other years, pupils that are not six years of age before January will not be permitted to start in school at the beginning of the session on Sept. 16. Patrons are kindly asked to notice this regulation. If the beginning classes should be exceedingly large, it may be necessary to limit even the foregoing concession.

In order that the patrons may understand the changes that have been made as to the shifting of the grades as regards buildings it may be advisable to give the same again: All pupils that are eligible to high school will be segregated in the high school building; grade VI-A of Roosevelt will be equally divided as near as possible between the Lincoln and Washington schools, location of the homes of these pupils determining largely which school they should attend; VII-B of Jackson will attend Washington; VII-B of Jackson will attend Lincoln; VII-B of Jackson will attend Lincoln; Grades VIII-B and VIII-A of Roosevelt will attend Washington; VIII-B and VIII-A of Jackson will attend Washington.

Patrons having rooms to rent to pupils or teachers will please call the superintendent of instruction. Undoubtedly there will be calls for the same as pupils and teachers arrive in the city.

WEDDING BELLS

Married, by Dr. J. C. Rollins at his residence on North Central avenue, Monday, Sept. 9, Ruby C. Conner and Nathaniel W. Davis, both of Ashland.

Married, by Dr. J. C. Rollins, at the home of Mr. John Dalaine in Medford, Tuesday, Sept. 10, Jesse Truesdame and Miss Hazel C. Knotts, both of Gold Hill, Ore.

At the same time and place Miss Eva Williams and Otis O. Olson, both of Gold Hill, were married. Both of these young couples will reside at Gold Hill.

Mr. and Mrs. Frank Metechan of Grants Pass, are the guests of Mrs. Metechan's parents in this city.

EXPLORERS SEEK NEW ARCTIC LAND

AN ALASKAN PORT, Sept. 11.—Five men of the exploring expedition of Valhjalmar Stefansson recently landed on the Arctic ice pack north of Alaska with the intention of drifting west toward Siberia in search of new lands, according to officers of a Stefansson boat which arrived here today bound outside from the far north.

Stork Storkerson, Stefansson's lieutenant, is the leader of the five. They expect to live on the ice and later land on the northern Siberian coast. The land they seek is supposed to lie between Prince Patrick land and Nord-Skakoldh sea.

Stefansson is now on his way from Dawson, Y. T., to Victoria, B. C.

TROOP SHIP TORPEDOED.

(Continued From Page One.)

the rest of the convoy, but the trouble had been fixed up and she was fast catching up with the other transports when a torpedo hit her just forward of the engine room.

The vessel at once began to sink by the bow. Many of the soldiers at the time were taking baths. They did not wait to dress, but made for the deck with what little clothing they could hastily lay their hands on. The water was rushing in at such a rate that it was thought the steamer would quickly founder.

To the surprise of most of the soldiers the troop ship did not sink. Some means apparently were found to check the inrush of water and she got near enough to the shore to be beached. It is hoped that the vessel ultimately can be salvaged.

To aid in caring for the men here, the American Red Cross rushed in large quantities of supplies from London.

Arrive in England

AN AMERICAN CAMP IN ENGLAND, Sept. 10.—(By the Associated Press.)—The majority of the 2,800 American soldiers from the troop ship which was torpedoed last Friday off the English coast, but was not sunk and upon which there were no casualties, have arrived here none the worse for their thrilling experience.

The men are finding some consolation for the loss of their vessel in the assurance that the submarine that attacked her suffered a far worse fate at the hands of the avenging destroyers which were speedily on the scene hunting the U-boat with depth charges.

WASHINGTON, Sept. 11.—The navy department announced today the receipt of a dispatch from Vice Admiral Sims stating that a British liner carrying American troops was torpedoed September 8 off the English coast. All on board were saved.

ported to be burning.

Travecy Captured

PARIS, Sept. 11.—(Havas.)—The village of Travecy, near the southern end of the main Hindenburg line has been captured by the French, say reports received here. If the French can hold this town the important enemy position at La Fere, a northerly defense of the St. Gobain massif, two miles south of Travecy, will be virtually outflanked.

British Advance Slightly

LONDON, Sept. 11.—During last night the British line was advanced slightly in the region of Vermand, northwest of St. Quentin, Field Marshal Haig reported in his official statement today.

The Germans delivered a counter attack in the region of Ecourt-St. Quentin. It was repulsed in stiff fighting.

There was sharp fighting also at

'PERSHING'S CRUSADERS' AT PAGE PLEASING LARGE CROWDS

'Pershing's Crusaders' opened for a three days' run, matinee and evening, at the Page theater yesterday, and delighted big audiences. It is a revelation of a nation aroused in all its might. When you see what your government is doing to insure your freedom, you will put your shoulder

to the wheel with new vigor. This is the truth about the war. This is Uncle Sam's answer to the lies of the Hun.

The Page theater orchestra renders splendid music and every blue blooded American should see what Uncle Sam has done the first year of the war.

Gouzeaucourt. The Germans were beaten off except at one point where the British posts remained in enemy possession.

Berlin Official Report

BERLIN, Sept. 11.—An attempt made by British forces to advance yesterday south of Ypres and north of La Bassee canal, says the official statement issued today by the German war office, was repulsed. Prisoners were taken by the Germans.

South of Gouzeaucourt and around Epehey British attacks reached the German first lines at a few points. The British were driven back, the statement adds, 3,000 prisoners being taken by the Germans.

Gain Railroad Towns

BRITISH ARMIES IN FRANCE, Sept. 11.—(By Associated Press.) British troops today gained a footing in Peziere and Epehey, on the railroad between Roisel and Marcoling.

School Books

LIVESTOCK MEN MEET SATURDAY TO DISCUSS BILL

A special meeting of the Jackson County Livestock and Farmers' association has been called by President D. M. Lowe to convene in Medford on Saturday to discuss the bill which proposes to withdraw 100,000 acres of former railroad land and place it under the control of the forest service. President Lowe's notice calling the meeting, reads as follows:

"A letter from Congressman Hawley, stating that a bill had been introduced placing about 100,000 acres of former railroad land in the forest reserve and withdrawing these lands from public entry and placing them under control of the forest service, and that he had withheld action upon the measure pending advice from the people of Jackson county interested in these matters. We wish your attention particularly called to this matter and will call a meeting of the members of the Livestock association on Saturday, September 14th, at Medford, Ore., 1 p. m. for the discussion of this matter and recommendations to be made at that time as to the wishes of the people of Jackson county upon this important matter."

SOCIALISTS PROTEST SHORTAGE OF FOOD

COPENHAGEN, Sept. 11.—The German socialist party and the German trade unions sent a communication to Chancellor Von Hertling recently pointing out the growing dissatisfaction among the population because of insufficient food.

FOCH MASTERS GERMAN TACTICS

NEW YORK, Sept. 11.—Marshal Foch is credited by some of the German newspapers with adopting a "new method of defense learned from Hindenburg." The allied commander is said by the German correspondent of the Berlin Vorwaerts to have applied the method to the de-

fective fighting just before the great allied offensive began at the Marne salient in July. The method is described as a withdrawal of troops from the first line and placing the main force on the second line. This weakened the effect of the German artillery. "Enemy batteries were in such deep formation," writes the Vorwaerts' correspondent, "that their barrage struck the German attack not in front of the first line but only in front of the second line. This defensive action, learned from Hindenburg, naturally demands a new method of attack which will not be long in coming."
