\$100 Reward, \$100. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is scabies. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Half-Century Medicine is taken internally and acts through the blood on the Micrococcus Surface of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and restoring nature's doing its work. The proprietors have so much faith in the curative power of Half-Century Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: J. C.
