ASHLAND AND VICINITY

A triangular deal involving suburban and city property and an auto was negotiated by the Beaver Realty company on Wednesday whereby Welborn Beeson, of Talent, secures about five acres a short distance southwest of that town, John Dosier gets possession of a house and two lots on Ohio street in Ashland, and may remove from Talent to live here. The third party in the deal is O. C. Rohrke, who receives from Beeson a Ford car for his equity in the Ohio street property. The Red Cross has lately received from Mrs. Denton, residing on Granite street, ten dollars, half of which is to be applied to the chapter's general fund, and the remainder for the organization's canteen benefit. Miss Anita Bernard will attend the California State University at Berkeley. Ivan Phipps and David Whitte go to Corvallis to take up various lines of study and training. The Civic Improvement club meets on Tuesday, September 24. Miss Maude Halley has purchased the Aeklin car and will continue the jitney service. Hillah Temple of Mystic Shriners will hold a ceremonial in this city on Friday, November 1, the date of a stated meeting of that order in the local calendar. This date has been irrevocably fixed, result of a change made in several preliminary announcements. O. Winter, in company with representatives of the Vining family, all expert hunters and fishermen, left on Thursday morning this week for a week's incursion into the comparatively unknown fastnesses of the upper Rogue river. H. C. Galey is taking a belated vacation in the way of a trip to Klamath Falls, mingling pleasure with keeping an eye out for the main chance in regard to business matters. Mrs. J. W. McCoy entertained a company of ladies early in the week, complimentary to Mrs. F. J. Shinn and daughter Allie, preliminary to their leaving for an extended visit amid former home surroundings in the vicinity of Bellingham, Wash. The local Masonic lodge will hold a special meeting on Saturday evening.

September 21, for work on the second degree. Levi Stewart, Civil War veteran and old time resident, whose face is familiar here, after long absence, is visiting relatives in the Inlow family, having continued his trip to Ashland after attending the national Grand Army Encampment at Portland. For some time past he has been living in Salem. H. O. Puracker, former representative of the Metropolitan Life Insurance company in this territory, has joined the forces and is now chief storekeeper at the Puget Sound naval headquarters at Bremerton, associated with his old pard, Warwick Essler, who is assistant paymaster. "Some give up sons voluntarily, and some give up certain food staples under compulsion, but those who complain are the ones who are restricted in the prodigal use of flour and sugar," is a comparison as made between loyal parents and disgruntled food shakers. Relatives of Darrell Minkler have recently received word from him that he sailed from San Francisco, via the Panama canal on the supply ship North Bend, on the way to New York, and from thence presumably to French ports. Attorney A. H. Davis has moved from the Hodgson realty offices in the Hotel Astin to first floor rooms in the Beaver block, corner of Main and First streets. The First Spiritual society will hold its annual meeting in the Temple of Truth, Wednesday, September 25. C. R. Watson and R. P. Cornelius are home from their summer employment in lumber mills of Klamath county. Additional local teachers with position in other towns, who have lately taken up their school work, include Miss Pina Benedict, at Eagle Point; Mrs. G. C. Henderson, Whitehall, Mont.; Miss Winifred Spenser, Coquille; Miss Mildred Million, Pinehurst; Miss Alva Herr, Heaverton. Some idea of the Y. M. C. A. work accomplished in its war activities is gained from Ashland boys in writing home from various scenes of foreign service. One feature is a well equipped international bureau, connected with the great triangle organization, which maintains forty interpreters for as many languages and associated dialects which are at the service of the army forces and the polyglot nationalities with which they come in contact. One lone Chinaman, whom it is thought comes under requirements of military service, was enrolled here under the recent draft registration. No sooner was the Frank Jordan cozy bungalow made vacant then it was reoccupied. On Thursday morning Bert Rippey and family, including his father, arrived here from Portland, and before noon were snugly housed in the comfortable Granite street residence through the efforts of the Beaver Realty company. Bert Oskanan, of Portland, new state deputy of the Modern Woodmen of America, succeeding J. W. Simmons, whose presence here has been a familiar one, will visit this territory ere long and hustle for new membership under the auspices of Mahogany camp No. 4565. Approximately 4,000 pads and other surgical dressings were turned out by Ashland Red Cross workers during the month of August in readiness to be shipped abroad. Sizes range from 3x6 to 21x26 inches. Mrs. A. J. Graham and Mrs. S. B. McNair direct the activities of this special work. Miss Martha Eliason, who is temporarily filling a position with the Southern Pacific in Portland, reports meeting several friends among the Ashland colony residing in the metropolis, including Mrs. Benah Caldwell Norman, and Mrs. Flossie Wovon Sinnott, the latter of whom is a sister of Mrs. George F. Walton, of Klamath Falls, and was an employee of the Wells Fargo office when the Walton family resided here. The date of the Pioneer reunion, the meeting of which was formerly set for September 12, has been definitely fixed for Thursday, October 3, at Jacksonville. The formal program

Mother's Friend
A Duty that Every Man Owe to Those who Perpetrate the Race. It is just as important that men should know of proper methods in advance of motherhood. Suffering, pain and distress incident to childbirth can be avoided by having at hand a bottle of the time-honored preparation, Mother's Friend. This is a penetrating external application that relieves the tension upon the muscles and enables them to expand without painful strain upon the ligaments and nerves. Thousands of women for over half a century who have used Mother's Friend tell how they entirely avoided nervousness and nausea and preserved a bright, happy disposition that reflects wonderfully upon the character and disposition of the little ones to open its eyes in bewilderment at the joy of his arrival. By regular use of Mother's Friend during the period the muscles are made and kept pliable and elastic. They expand easier when baby arrives, and pain and danger at the crisis is naturally less. You can obtain Mother's Friend at any drug store. It is for external use only, absolutely safe and wonderfully effective. Write to the Bradford Regulator Co., Lamar Bldg., Atlanta, Ga., for their valuable and instructive "Motherhood Book" or guidance for expectant mothers. Get a sample to get a bottle of Mother's Friend at the drugist's today. It is the greatest kind of help to nature in the glorious work to be performed. Summons

LEMON JUICE TAKES OFF TAN

Girls! Make bleaching lotion if skin is sunburned, tanned or freckled. Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well, and you have a quarter pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost. Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and white the skin becomes. Yes! It is harmless.
