ASHLAND AND VICINITY

Clergy and laity have returned from the Oregon conference at Portland, enthusiastic over the gathering of representatives of the great Methodist denominations, which closed on Sunday with a love feast at the auditorium in that city. Rev. C. A. Edwards is returned to this pastorate. Rev. C. B. Carlos is a new assignment at Medford; L. F. Belknap at Central Point, who will also supply Gold Hill; Talent is to be supplied, presumably from Ashland. Rev. H. J. Van Fossen of this city will continue to preside over the Klamath district. Mr. G. F. Billings, a lay delegate from here, reports having met Prof. P. A. Getz, who was a former superintendent of schools at Ashland about 30 years ago, and is engaged in educational work in Portland. T. A. Hayes, another former superintendent here, is practising law in the metropolis. Among former Ashland pastors, Rev. J. T. Abbett is with the University Park church in Portland; Rev. L. C. Poor, at Woodstock; Rev. R. E. Dunlap superintendent of charts, Methodist Centenary; Rev. E. C. Richards, First church, Salem, is connected with Willamette University as educational secretary. Rev. W. J. Douglass, now of Gooding, Idaho, attended the conference. Mr. Abbett has two sons in the service, Ferris being in France and Henry in the navy. Ferris was highly complimented recently for heroic conduct under shell fire.

The campaign in behalf of clothing for the Belgians began October 1, the receiving station being in the Elks' building, rooms adjacent to the Red Cross main headquarters. Talent is also enlisted in this work as planned here. As heretofore, Mr. Bertha Winter is chairman of the committee having this solicitation in charge.

The kind hearted proprietor of the Overland restaurant at the depot, W. Courts, provided abundant sandwiches, dispensed coffee, and then capped the climax of generosity by setting up hundreds of smokes to the numerous soldiers who passed through here last Saturday.

The gasoline selling hours, from 6 a. m. to 6 p. m., now prevail, as stipulated by federal regulations which went into force October 1.

F. F. Whittles' family, who moved to Hilt some time ago, are now located in the residence there formerly occupied by B. F. Smith.

Glenn Young, son of Mrs. Dora Young, who is with the army in France, writes his mother under date of September 6, that he, together with other American boys, is taking the "rest cure" at Aux Les Bains, a noted French pleasure resort, where the government is sending numbers of soldiers in relays for a recreation spell after fatigue exertions at the front.

Dan Applegate, Wells Fargo agent here, leaves on Thursday of this week for his customary annual hunting trip which will cover a period of 10 days, the exact locality being censored by the game commission. Dan's annual hunting tour has been a fixed one since none by the oldest inhabitant can remember, and every game refuge either in the Rogue, Umpqua or Willamette valleys is unto him as familiar ground. In the meantime his daughter Gladys, employed for some time past in San Francisco, will return home and manage the local office, she being an expert in routine express work.

The high school class of 1918 has generously donated $60, proceeds of its class play, to the Red Cross, for which it is receiving deserved thanks.

Mrs. Lyle Watson Kimball of Klamath Falls, has been visiting relatives here of late, also friends of whom she has a legion. On Monday evening there was a reunion of old time acquaintances who greeted her at the home of Mr. and Mrs. A. E. Kinney, a number from Medford also being present.

Two local teachers lately made a trip to Crater Lake, Miss McElroy and Mrs. J. R. Conroy, who went over in the Boyd car.

Oliver W. Stewart, renowned temperance advocate, who is campaigning under auspices of the flying squadron, passed through here on Tuesday, on his way to take part in prohibition agitation throughout California and Nevada. He spoke in Medford on Monday night. Mr. Stewart is from Illinois. He is one of the ablest speakers on the platform, and the local Chautauqua association for several years has been trying to secure his services.

Mr. and Mrs. Howard Rose are home from their vacation trip to Astoria, which town they report as being a thriving one, with soldiers and ships as leading factors in the development of big business.

Capt. A. W. Thomas has returned from a visit to North Dakota, whither he went on a business mission last spring.

Funeral services of the late Stephen Peabody Taylor, who died in this city last Sunday, were held on Wednesday at the family home of Dr. F. H. Johnson, 146 Manzanita street, conducted by Rev. C. A. Edwards, Methodist pastor. Interment was in Mountain View cemetery. The deceased was 87 years of age, and was a native of Shiefield, New Brunswick. He leaves a wife and several children, among them being the wife of Dr. Johnson. Mr. Taylor was an exponent of the fine old gentlemanly traits of a previous generation, urbane and genial, and possessed of the crowning sterling attributes.

The M. C. Reed property, 67 Scenic Drive, has been leased to N. B. Reynolds of Austin, Minn., who reached Ashland lately with wife and children, having made the long journey from the central west in the family car, leisurely visiting various towns and noted attractions on the way. Mr. Reynolds will become associated with the Tidings in newspaper work. In the meantime Mrs Reed will reside with Mrs. J. E. Fuller on North Main stret. IF BACK HURTS USE SALTS FOR KIDNEYS

Eat less meat if Kidneys feel like lead or Bladder bothers you—Meat forms uric acid.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
