Mr. and Mrs. Amos Willits who have just returned from a week's motor trip to Crescent City, Cal., then north along the coast thru Gold Beach, Bandon and Marshfield as far as North Bend, returning to Myrtle Point and then home via Roseburg and the Pacific highway, are enthusiastic over the scenery, good roads and industrial activity of the section thru which they passed. Among the interesting things noted were the mills at Brookings, which are turning out such a vast quantity of building material, while the Coos Bay mills and shipping seem to be very active. The shipyards near Marshfield and North Bend are an interesting sight. White cedar for airplane construction is being hauled on immense trucks, twenty-three miles down the mountain to Myrtle Point, for shipment, and the trucks are going night and day. Mr. Willits is foreman at the Gates garage and his car made the round trip without a puncture or trouble of any kind.

$200,000 MARK PASSED BY CITY IN BOND CAMPAIGN

Another substantial jump was made in the progress of the Medford district in the liberty loan campaign yesterday, which makes the total so far subscribed $200,000 and leaves a shortage of about $100,000 to be made up before the top is reached. In all $17,000 was subscribed yesterday. The district is waking up.

"Now that we have reached the $200,000 mark and are on the last leg let all patriotic citizens get together and with concentrated energy push hard toward the top," said Chairman Kidd this noon. "Always in a drive of any kind the last leg is the hardest to overcome and realize, but there are so many who have neglected to do their duty so far that if they will just hurry forward we would soon be over the top."

Among the large subscriptions of Wednesday were the following:

B. F. Adkins, $3000; Mr. and Mrs. H. Chandler Egan, $300; Mrs. Carrie L. Calkins, wife of Judge F. M. Calkins, $1000; this in addition to the $1000 subscription previously made by the judge; Leonard Carpenter, $1000; and Ed Wilkinson and the Bullis company, each $500.

The county court today decided to invest $15,000 in liberty bonds money in the refunding fund of county road bonds.

One of the most glaring cases of slackerism and attempted self-justification for failure to perform a patriotic duty has just come to light. A man who is well worth $50,000 when approached by solicitors exclaimed: "What are you bothering me for? I bought a $50 bond in the third liberty loan campaign."

And this $50 bond is all that this man worth $50,000 has subscribed for in the four liberty loan campaigns.

The following were yesterday's subscriptions:

B. F. Adkins	$3000	
H. C. Egan	$1500	Alice B. Egan
Carrie L. Calkins	$1000	Leonard Carpenter

ALL ABOARD LOST WHEN TAMPA SUNK BY A SUBMARINE

WASHINGTON, Oct. 3.—The U. S. S. Tampa, a former coast guard cutter in naval service, was lost off the English coast September 26 with all on board while on convoy duty.

Ten officers and 102 enlisted men of the crew, one British officer and five civilian employes, lost their lives.

A navy department statement today announcing the disaster says the ship was sunk at night in the Bristol channel, and that reports indicate that she was struck by a torpedo while escorting a convoy.

Captain C. Satterlee of the coast guard commanded the cutter. Apparently there were no eye-witnesses to the sinking. The navy's report says an explosion was felt after the Tampa had gone well ahead of the convoy about 8:45 p. m., and that later quantities of wreckage, one of the Tampa's lifebelts and the bodies of two unidentified officers in uniform were found.

AUSTRALIANS TAKE TURKISH COLUMN

LONDON, Oct. 3.—(3 p. m.)—Australian mounted troops northeast of Damascus on Wednesday charged and captured a Turkish column. Fifteen hundred prisoners were taken and two guns and 40 machine guns were captured, according to an official statement today.
