LIBERTY BONDS CAMPAIGN SHORT $68,000 OF QUOTA

The total of Medford district liberty bond subscriptions now is $230,000 of which amount $7400 was subscribed yesterday including $1000 subscriptions each by Paul W. Hansen and James P. Hansen, a $2000 subscription by Zach Cameron and a $500 one by J. V. Pettingill. To go over the top $68,000 must yet be raised in the district.

The district boundaries run to Bell lane on the north, to a point midway between Talent and Phoenix on the south, to the top of Roxy Anne on the east, and on the west to within a mile of Jacksonville including the Griffin creek region. There are 13 school districts in the Medford district outside the city, and the committee urges the citizens of those districts who have not subscribed yet to voluntarily come in to one of the banks and make subscriptions.

The crying need of the liberty loan committee is solicitors, solicitors, solicitors—more volunteer solicitors. The committee points out that there are patriotic people who tho financially unable to subscribe yet could give up some time to urging others to do so.

"We have just got to have more volunteer solicitors," said Chairman Kidd today. "I am certain that there isn't a business man in town but who could get away from his business at least twice a week for a half day to help out in raising our liberty bond quota. Every business man should make a sacrifice in the interests of patriotism in order to engage in this necessary work."

The following are yesterday's subscriptions. Following them is the complete list of Medford subscriptions:

THANKS LADY WHO GAVE INFORMATION

Overhears Conversation That Leads to His Recovery—Gains 18 Pounds

"I have already gotten back about eighteen pounds of the weight I lost while sick, and now my health seems to be just perfect," said Harry V. Horlocher in a recent conversation at the Mattheson Hotel, 204 Columbia street, Portland, regarding the benefits he has derived from the use of Tanlac. Mr. Horlocher is a well known carpenter and is employed by the Standifer Construction Company, of Vancouver, Washington.

"On the 20th day of last March," explained Mr. Horlocher, "I was taken down with an attack of stomach poisoning—ptomain poisoning. I believe the ... stomach almost carried me away, and since that time, until I got Tanlac, nothing I would eat agreed with me. What little I did manage to eat would soon sour, causing gas and terrible pain and misery. I lost my appetite almost entirely, and often just the smell of anything cooking would make me dreadfully sick at my stomach. My food evidently did me no good, as I fell from one hundred and eighty pounds to one hundred and fifty. I just had to lay off from my work, as I felt too weak and exhausted for several weeks to even attempt to do anything. Just climbing up the stairs to my room would exhaust me and take all my energy. I was constipated all the time, had headaches, and noticed that my nerves were going all to pieces, as I couldn't get a good night's sleep. Nothing did me any good, and I had become uneasy and worried about my condition.

"One day while in the Owl Drug Store I happened to overhear a lady who was buying a bottle of Tanlac, tell the man who was waiting on her, that she had been suffering from stomach trouble for years, and that Tanlac was the only medicine she had ever taken that did her any good. Well, she didn't know it, but just that little remark of hers sold me a bottle of Tanlac right then and there and if I only knew her name I would like to thank her for putting me onto the thing that has given me back my health and strength. My stomach feels now like it is in just as good shape as it ever was. And such an appetite as I do have! I believe I could eat five meals a day without suffering a particle afterwards. By using the Tanlac Tablets in connection with Tanlac I have been relieved of constipation, and I'm never bothered anymore with headaches. I now feel a hundred percent strong and well, and am putting in full time at my work and I certainly do think Tanlac is a great medicine."

Tanlac is sold in Medford by West Side Pharmacy, in Gold Hill by M. D. Bowers, in Central Point by Miss M. A. Mee, in Ashland by J. J. McNair. Adv.

PHEASANT FLIES TO DINNER TABLE

A notable illustration of the wildness and foolishness acquired by Chinese pheasants since the first few days of the hunting season occurred about 5 p. m. the other day at the home of Edwin G. Trowbridge, 131 Tripp street. He was in the house reading his Mail Tribune when he heard something go thud against the house.

"That darned Oregonian boy will break a window here yet the way he throws those papers on the porch," remarked Mr. Trowbridge petulantly. Then he went out to get the paper and was astonished to find lying on the porch a fine, husky pheasant which had flown against the house and stunned itself. Hastily picking up the fowl he wrang its neck and the next day the Trowbridges feasted.

The ten days Chinese pheasant hunting season ends tomorrow. Since the first few days of the season the pheasants grew so wild and hard to get that a hunter could only bag a few by keeping on the job all day long. There were and are plenty of the birds, but they became gun shy and wild, because of the heavy onslaught made on them the first week.

AILMENTS OF WOMEN

There is no denying the fact that thousands of American women drag along day in and day out suffering with these ailments peculiar to their sex which make life a burden. If women who suffer from dragging-down pains, inflammatory, ulcerated or catarrhal conditions would only give that greatest of all remedies, Lydia E. Pinkham's Vegetable Compound, a trial, they would readily find relief from such suffering, as the many letters of commendation constantly being published prove. Adv.

SALTS IF BACKACHY AND KIDNEYS HURT

Drink lots of water and stop eating meat for a while if your Bladder troubles you.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.
