BUTTE FALLS

October 4, Friday evening, in the assembly hall of the Butte Falls schoolhouse, a social was held for the benefit of the Red Cross. Sandwiches, made and donated by the ladies, were served at 10 cents a plate. Many games were played, both old and young participating in the general enjoyment of the evening. A sum of \$13 was turned over to the treasurer of the Red Cross.

On the evening of October 5, a dance was held in the Butte Falls hotel, its purpose being to increase the Red Cross treasury. Everything for the enjoyment of the evening was donated. The manager of the dance turned over to the treasurer the sum of \$8.00.

Cecil Ahlstrom, a student of Butte Falls high school, has been ill for a few days. His condition is rapidly improving, and it is hoped he will soon be able to resume his school work.

Mrs. William L. Jones left Wednesday to visit friends and relatives at Beugre, Ore. She expects to be gone about a fortnight.

Woman's Faith Helps Husband

I owe my good health to my wife who had faith in a newspaper ad she saw of Magy's Wonderful Remedy. I was down so badly with stomach and liver trouble after 15 years of suffering and trying every known remedy that I had no faith in anything. This medicine has certainly been a 'Godsend' to me. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Sold by druggists everywhere. Adv.

Inn, where he intends to establish a general merchandise store. T. L. Walker has recently returned to his home in Butte Falls. Mr. Walker was employed in the hay fields of Eastern Oregon and Washington during the summer months. Miss Wilma Morris of Butte Falls became suddenly ill October 9 and it was found necessary to hurry her to the doctor. The cause of the illness has not yet been determined. Vernon Jones motored to town today to get some fruit and have his car repaired. He was accompanied by Mrs. Charles Edmondson and her daughter, Bernice.

ASHLAND AND VICINITY

At last reports the status of voluntary subscriptions to the Fourth Liberty loan here approximated \$155,000 towards the required quota of \$181,600. An oversubscription is not anticipated or even expected for, but inasmuch as we are on the threshold of success in meeting the full requirement, no doubt is entertained but what this district will subscribe the full amount within campaign limits.

C. E. Spence, master of the Oregon State Grange, was a visitor here on Wednesday, incident to a tour of the valley in general. Rev. C. F. Koehler, local pastor, represented the Ashland church at a meeting of the Southern Oregon Presbytery held at Glendale earlier in the week.

Mrs. Ann R. Gregory leaves this week for a winter's visit at Santa Ana, Cal., in the home of her son-in-law, John A. Harvey. The coroner's jury at the inquest held over the remains of Miss Mary Kirschbaum, who lost her life in this city last Tuesday as the result of being run over by an automobile in the Valley Line jitney service, driven by Bert Hawkes, rendered a verdict of accidental death, and practically exonerated Hawkes from blame in the matter. This decision was arrived at Thursday morning, and under the circumstances no autopsy was considered necessary.

Funeral services of the deceased were held at the Methodist church on Thursday afternoon, conducted by Rev. C. A. Edwards. Interment was in Mountain View cemetery. Miss Kirschbaum was 69 years of age, and was a native of the central west. Her only relative in this state, Edward Spath of Gresham, Wash., was present at the funeral.

A. L. Kitchen, at one time manager of the local Fruit & Produce association, has been visiting Ashland of late, accompanied by his wife. They will winter in southern California.

A revised list of commissioned officers of the national and state guards who are eligible to attend the school of instruction to be held at Portland, Oct. 17-21, include Major J. E. First, Lieutenants P. L. Spencer and J. B. Webster, and Second Lieutenants Charles Robertson and D. D. Edwards. The term of training includes one day of field instruction at Clackamas. The appointment of Dr. J. B. Webster as medical officer of the sixth separate battalion, with the rank of first lieutenant, has recently been announced by Major Thornton.

Chief of Police Tatcher and George Robison, head of the fire department left early Wednesday morning on a hunting trip, the scenario representing the couple shooting bear somewhere in the Neill creek neighborhood. They went heavily loaded with a full complement of grub, and planned to be home on Saturday of this week, bringing many trophies of the chase. In the meantime, George Lowe is police chief, and J. W. Mosier looks after night patrol duties.

The Nut club will give a dance at Memorial hall on Friday evening of this week. This organization is no chestnut. George Jenkins, who has been employed in the lumber mills at Weed for some time past, is home for the winter. He reports lively operations still in order at this California lumber center, with a big demand for additional help.

Ora Deibert, of Yreka, in the employ of the California-Oregon Power company, has been visiting relatives and friends here the present week.

His wife is with her husband's people at Los Angeles for the present, and he will join her there later on for a vacation visit. Ora finds his military training, received here while in the ranks of the old First company, comes handy by way of instructing the Yreka high school cadets in military tactics. Fort Jones and Aetna Mills also have units of the cadet organization, which have been merged with the one at Yreka, with Ora in command as major of the battalion.

Oct. 12 will be observed here as a semi-holiday, with the banks closed and partial service of the daily routine of the postoffice.

Porter J. Neff of Medford, was to have joined Prof. Vining and E. V. Carter in a trip to Portland on important business connected with a conference over war fund drive matters, the national campaign in behalf of seven of the leading beneficiaries of the fund, which have been merged in an effort to raise \$170,000,000, to begin Nov. 11. Vining and Carter left here on Wednesday evening.

At a recent meeting of the Women's Foreign Missionary society, held at the home of Mrs. G. F. Billings, with Mrs. C. A. Edwards as president, and Mrs. O. G. Eubank, in charge of the program, a practical "foreign" coloring was given to the event by several of the thirty ladies present who were arrayed in costumes in keeping with the traditional habiliments worn by the natives of China, Japan and India, including the prevailing modes adopted by Mohammedan women in general. This innovation, as introduced by this Methodist auxiliary, lent charm to an interesting meeting.

Mr. and Mrs. G. E. Carpenter have lately received word from their eldest son Bert that he has arrived safely in England as a member of the Railroad Engineer corps. He reports having seen the periscope of a submarine which attempted to make trouble for one of the transports under convoy, but without any serious results. A younger son, Eugene, belongs in the infantry classification, and is stationed at Camp Lewis.

September 17 and 18 were the warmest days in that month in this locality, the temperature officially registered being 92, as compared with the minimum of 35 on the 24th. Clear and delightful weather prevailed on 17 days. Rain fell to the depth of 3.90 inches, the greatest precipitation within 24 hours having been 2.38 inches on the 14th, a record breaker in the annals of the weather service in this latitude.

The reception in honor of the family of Rev. C. A. Edwards, Methodist pastor, has been postponed until next week. J. W. Tarnholt, mining engineer and prospecting expert, who was formerly located here in O. L. Young's office, is revisiting Ashland after over a year's absence in various mining centers, notably at Leland, in Josephine county, where he has been installing extensive milling equipment.

Mr. and Mrs. R. L. Burdie, new residents of Bakersfield, Cal., are visiting a host of friends in their old Ashland home town.

Dan Applegate, Wells Fargo agent, has returned from his vacation hunt in the wilds of Douglas county, and comes home not empty handed as far as securing a deer or two is concerned.

The annual rally anniversary of the Methodist Sunday school will occur on October 13. Mr. and Mrs. James Rudd, residing on Liberty street, left on Wednesday for Modesto, Cal., to remain during the winter.

Why Puffer With Corns? Use "Gets-It"

Common-Sense, Simple, Never Fails. You can tear out your corns and soothe or you can use "Gets-It" and the corn is a "Goner!"

"Get the Drop" on That Corn—Use "Gets-It" and the Corn is a "Goner!" of "Gets-It" on any corn or callus dries it up. The corn family loosens off from the toe, so that you can peel it off with your fingers in one piece, painlessly, like peeling a banana. "Gets-It" is a corn peeler that before there is only one corn peeler—"Gets-It." Toes wrapped up in tape and bandages, toes suffering from irritating salves, it's all a hardship. Toes wounded by razors and knives, that's butchery, ridiculous, unnecessary, dangerous. Use "Gets-It," the liberty way—simple, painless, always sure. Take no chances. Get "Gets-It." Don't be misled by imitations. See that you get "Gets-It," "Gets-It," the guaranteed, money-back corn-remover, the only sure way, consistent tribute any drug store, M. T. B. Lawrence & Co., Chicago, Ill.

Sold in Medford and recommended as the World's Best Corn Remedy by Leon B. Hawkins and Medford Pharmacy.

EAT LESS AND TAKE SALTS FOR KIDNEYS

Take a glass of Salts before breakfast if your Back hurts or Bladder bothers you.

The American and women must guard against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health. When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jai Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders. Jai Salts is inexpensive; cannot injure, makes a delightful after-dinner lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.
