UNION LABEL

IZZET PASHA TURKISH PREMIER

COPENHAGEN, Oct. 16.—Upon the resignation of the Turkish ministry of Talaat Pasha, the premiership was assumed by Izzet Pasha, a former minister of war.

FLOUNCE ROCK FRILLS

Everybody is taking advantage of this beautiful weather and are harvesting their crops before the rainy season sets in.

Mr. and Mrs. H. E. Peyton returned home Tuesday of last week from an extended visit with their daughter of Aberdeen, Wash.

The Red Cross bazaar entertainment that was to have been held at the home of Mrs. Geo. A. Mansfield, Saturday, October 19, has been postponed for the present on account of the epidemic of influenza.

The many friends of Frank Manning of this vicinity are glad to know that he has returned from his extended trip to Wyoming.

Mrs. Carl Richardson spent Saturday night with friends at the power plant.

Carl Barton and sister, Miss Pearl, spent Sunday in the valley.

One through started to the valley Sunday morning.

The Froebel school started today, Monday, with Miss Jones of California, as teacher.

Mrs. Victor Dillworth and little son spent the day Sunday with Mr. and Mrs. J. W. Richardson.

J. W. Richardson is getting along nicely with his new dwelling. He has the shingles all now.

FINN SOCIALIST LEADERS CONDEMNED TO DEATH

STOCKHOLM, Monday, Oct. 14.—Five socialist leaders were condemned to death on Saturday at Helsingfors on a charge of treason.

But to continue this war for democracy, to stop these inhuman acts, it takes money. Our government spent over thirteen and one-half billions of dollars to carry on the war for last year, and the great demand for men and munitions will undoubtedly increase the costs for the coming year.

CATARRHAL DEAFNESS MAY BE OVERCOME

If you have Catarrhal Deafness or head and ear noise or are growing hard of hearing go to your druggist and get 1 ounce of Parmitin (double strength), and add to it a pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day.

COST OF THE WAR.

THE Society of Swiss bank has issued estimates showing that the war will have cost by New Year day, 1919, approximately 217 billion dollars.

The figures show the cost of war to be advancing by leaps and bounds. The 1461 days of the first four years of war, ending July 31, 1918, cost all belligerents an average of \$123,000,000 a day.

Counting the expenses of mobilizing and all war operations, but not including redemption of the debt nor the cost of restoring damaged property, the Swiss bank expert estimates the direct cost of hostilities as follows: 1914 (5 months) \$10,000,000,000; 1915 (12 months), \$26,000,000,000; 1916, (12 months), \$32,000,000,000; 1917, (12 months), \$60,000,000,000; 1918, (to July 31), \$50,000,000,000; 1918, (12 months), \$89,000,000,000. Total to July 31, 1918, \$180,000,000,000. Total (to January 1, 1919), \$217,000,000,000.

France and her allies, excluding the United States, received \$9,000,000,000 from Great Britain, and the United States up to the end of July, 1918, had opened to the allies a total of \$6,379,000,000 of credit.

Four-fifths of the war have been financed by treasury operations and loans. Such loans aggregate one hundred and thirty-five billion dollars, or just three-fourths of what the war has cost all belligerent nations.

The debts of the warring nations before the war totalled \$23,560,000,000, which four years of war has multiplied by eight. Besides these colossal costs, there have been appalling military destructions in the invaded areas, for which it will require enormous efforts of human energy to recuperate, and some of which are irreparable.

Destruction of building and industrial machinery in Belgium, \$1,000,000,000, and in France, \$700,000,000. The destruction of agricultural buildings and implements, of raw materials, of crops and livestock, has been estimated at a sum of \$780,000,000 in Belgium, and \$680,000,000 in France.

The losses in Poland estimated at \$850,000,000, in Russia, East Prussia and Serbia are even more appalling, while to the already heavy losses in France and Belgium is being added the systematic destruction of manufacturing cities and devastation of occupied territory, entailing a loss of billions.

The greatest loss, however, is in manpower. It was estimated that in the first four years of war the killed or permanently wounded totalled 15,684,000 men.

And all of this appalling burden of debt and sorrow has been piled upon humanity by Germany in her insane desire to rule the world—crimes for which she now seeks immunity by peace, but which justice demands that she be punished.

You can help insure this punishment by Pershing's men by loaning your dollars to Uncle Sam by buying liberty bonds.

Four-Minute Speech

(By Esther Miller of Phoenix School.)

The great and terrible war now raging in Europe is our war. It is ours, not because we were instrumental in causing it, not because we delight in manslaughter, but we may proudly say because we as a nation could not stand by with folded hands, letting barbarism and brutality reign over Belgium and part of France as it has done too is yet doing.

But to continue this war for democracy, to stop these inhuman acts, it takes money. Our government spent over thirteen and one-half billions of dollars to carry on the war for last year, and the great demand for men and munitions will undoubtedly increase the costs for the coming year.

The channel of helpfulness in which every home may have a part is that of saving food. There are no reasons available for the wasting of foods, and when we hear of human beings dying because of the lack of food necessities should it not indeed arouse us to the seriousness of the times? Should we not gladly comply with the rules of the food ad-

ministration and keep our garbage cans empty? Of course we have food enough for ourselves, but our allies with whom we are joined for the bettering of the world are pleading for energizing foods for their soldiers. Can we let their cries go unheeded?

Another reason, equally as important and as the saving of funds, is that of lending money, for we could never hope to be victorious without the means for war materials. Besides, this is our war, and we must all help pay for it. A \$100 bond will buy five rifles, feed a soldier for eight months, or clothe one; and it takes about \$1,000 to discharge one of the largest guns. All the citizens of the United States are in a democracy, the pearl of great price, so must each citizen pay his share, also helping others who have been more unfortunate than he.

Money is in great demand, we know, but the government which has protected us and granted our liberty is asking that we lend her. If it has

A FLAT TIRE

Fallen for Freedom

The following casualties are reported by the commanding general of the American expeditionary forces: Killed in action, 110; missing in action 69; wounded severely, 304; died of wounds, 62; died of accident and other causes, 150; died of disease, 52; died from airplane accident, one; wounded degree undetermined, 173; wounded slightly, one, Total, 837.

Sugar Conservation Recipes

(By Ann McCormick.) Standard cake recipe modified: 2 cups white flour, 1 cup barley, rice or corn flour, 1/2 cup fat, 1/2 cups karo or honey, 2 eggs, 4-5 cups liquid, sour milk can be used, 2 teaspoons baking powder, 1 teaspoon fls. yeast.

COLONEL LAMONT CHIEF OF PROCUREMENT DIVISION

WASHINGTON, Oct. 16.—Lieut. Col. Robert P. Lamont has been appointed chief of the procurement division of the army ordnance department to succeed Brig. Gen. Samuel McElhenny, who will join General Pershing's staff.

General Insurance Medford National Bank Bldg. Telephone 113.

PHOENIX SCHOOL NOTES

The program given by the Phoenix schools last Friday afternoon was attended by a goodly number of citizens; many good things have been said about the program and general management of the school.

The Junior Red Cross has finished the first installment and now beginning on the second; the school children are bringing in bits of all kinds. Mr. Milam will take them to Medford in his car.

The school board met Monday morning and by the advice of the health officer, will continue school for the present. Teachers coming from Medford and Ashland will remain at home. School is inspected twice per day and no children are being taken. Children are instructed to go home evenings and not visit or play where there is a crowd and stay away from the larger towns.

DRUGS EXCITE YOUR KIDNEYS, USE SALTS

If your Back is aching or Bladder bothers, drink lots of water and eat less meat.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salt which removes the body's urinous waste and stimulates them to their normal activity.

"I BELIEVE IT SAVED MY LIFE," SHE SAYS

Former Trained Nurse, Graduate of Bellevue Hospital, Gains 25 Pounds Taking Taulac

One of the most interesting of the many remarkable statements yet made in connection with Taulac was given by Mrs. Marie J. Howard, who resides at 402 Westlake Ave., North, Seattle, recently. Mrs. Howard has been a resident of Seattle for the past eighteen years, and before her marriage was a trained nurse and a graduate of Bellevue Hospital, New York.

"I have suffered from stomach trouble and disordered liver and kidneys for five years and had gotten in such a bad condition, that I honestly felt like I was going to die. Everything I would eat tormented in my stomach and the gas formed by it would cause my heart to palpitate so my breath would almost stop. There were intense pains all thru my back about my liver and kidneys and I can't begin to tell how I did suffer. I had fearful headaches and was so nervous I hardly knew what sleep was. I was often down in bed for a week at a time, hardly able to raise my hand. Then I would manage to stay up for two or three days, but would have to give up and take to my bed again. I would often go for two or three days without eating a mouthful of anything. I lost weight right along and am telling the positive truth when I say I was in such an awful condition that I thought I was going to die.

"After reading and hearing so much about Taulac I bought a bottle, thinking if it did others so much good, perhaps it might help me too. Well, it has not only helped me, but I have actually gained twenty-five pounds since I began taking it and have never felt better in my life. My appetite is good and my stomach in such a splendid condition that I can hardly eat enough and I don't suffer a particle afterwards. All my pain and misery is gone, my kidneys and liver are acting splendidly and my nerves are perfectly strong and normal. I sleep every night like a child, and don't know what it is to have a headache. My husband has also taken Taulac with wonderful results. In fact, I think it has done him as much good as it has me, and we both consider it the finest medicine made."

Taulac is sold in Medford by West Side Pharmacy, in Gold Hill by M. D. Bowers, in Central Point by Miss M. A. Mea, in Ashland by J. J. McNair. Adv.

There'll Be Two Classes of People After the War

THE one class will have bought Liberty Bonds — and kept their Bank Accounts growing too. The other class — may have bought bonds — but, owing to not SAVING — short-sightedly SOLD THEM when out of ready cash.

Decide NOW which class YOU are going to be in
