STATE POLICEMEN GAVE BOOZE PARTY IN ROOMING HOUSE

A raid made by Chief of Police Timothy and Night Policeman Adams on a room in a rooming house at midnight last night broke up a drinking party and resulted in the arrest of State Policeman Charles Smithers, 20 years old, and an individual giving the name of Brown, of Josephine county, and two young women. The room raided was that of Sergeant C. C. Triplett of the state police who was in Portland at the time, but who will be arrested on his return from that city tonight, as Chief Timothy claims that for some time he has been making his room the headquarters for social drinking parties.

Triplett's home is in Springfield, and Smithers is a resident of Salem. These two officers have been stationed in the Siskiyou for several months for the special purpose of catching professional bootleggers smuggling whiskey into Oregon from California.

Bootleggers Got By

In view of last night's raid and developments it is claimed are coming, it is not hard to understand why liquor in wholesale quantities has gotten by these officers the past few weeks. The smugglers in nearly every instance were later caught near Roseburg by Deputy Sheriff Hopkins of Douglas county. Hundreds of quarts of whiskey have been confiscated in Douglas county and about \$2,000 in fines imposed at Roseburg in the past two weeks from the several wholesale auto smugglers apprehended.

Chief Timothy had been watching Triplett's room for a week or more. He says that last Tuesday night the same two young women, and Triplett and Smithers were in the room drinking. Feeling sure of his ground, the chief obtained a search warrant yesterday afternoon, and at midnight made the raid. Triplett was absent at Portland, for which city he left Wednesday with Deputy United States Marshal Tebehor to take some hoodler prisoners to the state metropolis.

Total \$571,794 \$586,600

Hurrah everybody! The Medford district went clear over the top today in the fourth Liberty loan campaign exceeding its quota of \$298,158 by the safe margin of \$10,900. The total of subscriptions reached is \$298,000. Jackson county is also over the top with a margin of \$15,000.

As soon as it was known that the quota had been reached and passed the committee decided to make no further effort to get subscriptions—in fact called the campaign closed then and there. However, people who desire to make subscriptions between now and the official close of the campaign tomorrow afternoon can do so at the banks. Such subscriptions will be welcomed.

There is no doubt but that before the banks close at 3 p. m. Saturday a number of belated subscriptions will be received and the total considerably swelled.

More Subscriptions

Late this afternoon W. A. Hanna, agent of the Associated Oil company, received the following telegram from the company's headquarters at San Francisco: "Notify Fourth Liberty loan committee that this company subscribes for additional \$5000 thru the First National bank. Please draw at sight on this office to order of First National bank for \$500, being initial ten per cent payment." The company had taken a \$5000 subscription last week.

The largest subscription made yesterday was one of \$4000 by Zach Cameron. Mrs. P. R. Gill and P. S. Anderson made \$500 subscriptions. There were three \$200 subscriptions and ten \$50 subscriptions.

NO EXTENSION OF LIBERTY LOAN

WASHINGTON, Oct. 18.—There will be no extension of the Liberty Loan subscription period past Saturday night, Secretary McAdoo stated emphatically today.

Furthermore, said the secretary, it will be necessary to have a fifth and perhaps a sixth loan regardless of the outcome of the Germans' present peace negotiations.

Consequently it behooves the nation now to subscribe its utmost, both to reduce the amounts of these prospective future loans and to strengthen the nation's moral position at this critical time, the secretary added.

Secretary McAdoo expressed full belief that the six million total would be achieved, adding: "I do not know exactly where all that money is coming from, but I know it is coming."

Mr. McAdoo denied that the government contemplated selling Liberty bonds continuously and abandoning the intensive campaign method, but that if any efficient means could be found of marketing comparatively small amounts of bonds between drives it will be adopted.

Ashland's quota was raised without solicitation, 1134 persons voluntarily purchasing bonds—a unique record speaking well for the community's patriotism.

Proof that Some Women do Avoid Operations

Mrs. Etta Dorion, of Ogdensburg, Wis., says:

"I suffered from female troubles which caused piercing pains like a knife through my back and side. I finally lost all my strength so I had to go to bed. The doctor advised an operation but I would not listen to it. I thought of what I had read about Lydia E. Pinkham's Vegetable Compound and tried it. The first bottle brought great relief and six bottles have entirely cured me. All women who have female trouble of any kind should try Lydia E. Pinkham's Vegetable Compound."

How Mrs. Boyd Avoided an Operation.

Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could get well.

"My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them."—Mrs. MARY BOYD, 1421 5th St., N. E., Canton, Ohio.
