ASHLAND AND VICINITY

Attention of parents is called to the danger of children playing about the railroad yards, which is a growing habit of late. The danger is not only confined to train hours when so many congregate on the depot platforms, but at other times the youngsters are found playing under and climbing over standing freight cars. If these practices are not stopped, the yard men and police will be compelled to take a hand in preventing them, as a tragedy is in prospect sooner or later if the carelessness is continued.

That Dark-haired Chap from Virginia
says that down South the best people won't chew anything but Real Gravelly. They know how it's made—the Gravelly way. It costs nothing extra to chew this class of plug. A small chew of Gravelly holds its good taste. That's why it lasts so much longer than a big chew of ordinary plug.

Won't Last Long
23 acre alfalfa ranch with irrigation, good buildings, on paved highway, there are several other good things about this property. The reason the owner has decided to sell is solely on account of buying a larger place to handle more stock. We will be glad to give you further details about this property if you will call in.
