MONARCHY FORCED UPON FINLAND BY GERMAN PRESSURE

COPENHAGEN, Nov. 6.—Finland became a monarchy instead of a republic solely because the Finns yielded to German domination according to a communication from Finnish sources published in the Berlin Vorwaerts. The correspondent asserts that up to April last the Finnish leaders were determined to organize a republic but in May the government withdrew the measure for its organization and advocated a monarchy, giving as its reason the fact that Germany desired it.

The Vorwaerts asserts that altho the German government pretended to be neutral on this question, the political section of the German general staff supported a monarchy in Finland. "In reality we were not free," writes the Finnish correspondent, "German troops were quartered throughout Finland and warships lay in Helsinki harbor. The Finnish foreign minister announced in the Finnish diet in July that the German government wanted a monarchist government in Finland."

The Finnish communication asserts that some of the Finns refuse to recognize a German prince as a king of Finland. The Vorwaerts predicts that a time will come when the German rulers of the new Baltic countries will be packed off home bag and baggage. It asserts that the German people have been kept in ignorance of the developments in Finland and that this has created a dangerous position for Germany in the east.

YANK PRIVATES FIRST TO ENTER LIBERATED TOWN

WITH THE AMERICAN FORCES IN FRANCE, October 6.—(Correspondence of Associated Press.)—It was three American privates who gave the French civilians of the German occupied village of Thiancourt the greatest thrill of their lives. For four years they had been waiting—and then the Americans came. When the three privates—an advance guard of swarms of other Americans in their wake—swung into the war torn village of Thiancourt not a soul was in the streets. But within a few minutes news spread among the 700 civilians that the Americans were there and men and women and children came in droves from cellars where they had been hiding in terror for two days and nights. And from other cellars and garrets there came 600 German soldiers who were delighted with the idea of giving up.

The offensive of the First American army, which wiped out the St. Mihiel salient, began on a Thursday morning and it was Saturday afternoon when the weary Americans reached Thiancourt, hungry and fatigued from fast walking in their eagerness to keep pace with the fleeing Germans.

As the Americans poured into the village and the French realized more and more that again Thiancourt had come into her own men stood in the streets and cried openly and women sat about on doorsteps and bits of wreckage caused by shells and went until near exhaustion. And in the confusion the children cheered, but even some of them, the older ones, realizing what it all meant, cried too, and kissed the hands of the officers and men.

From the time the Germans reached Thiancourt in September, 1914, until a few days after the village had been retaken by American troops the civilians were entirely without fresh meat of any kind excepting now and then a chicken or a rabbit which were raised without the knowledge of the Germans. All the cattle in the region of Thiancourt were taken by the Germans, but the cows being left to furnish milk for babies.

CALIFORNIA MAN GAINS 18 POUNDS

Smith Feels Like New Man Since Taking Taniae—Suffered Thirty Years

One of the strongest and most convincing evidences of the popularity of Taniae throughout America is the large number of letters that are being received daily from well known men and women, telling of the remarkable results they have derived from its use.

Among the many received in the past few days is one from John Smith, 313 Eighth street, Richmond, California which is especially interesting. Mr. Smith states that he had suffered for twenty years, with his stomach, liver and kidneys, and had reached the point where he wished each breath would be the last. He also says that when he began taking Taniae he weighed only one hundred and forty-eight pounds, but that he now weighs one hundred and sixty-six—making a gain of eighteen pounds—and that he feels like a new man. Following is his letter in full:

"To whom it may concern: I, the undersigned, can truthfully say that the wonderful medicine known as Taniae has done more for me in thirty days time, than any other medicine I have ever taken before in all my life. I have been a sufferer from stomach, liver and kidney troubles for twenty years. I have taken six bottles of Taniae, and today I feel like a new man.

"Before I started using Taniae I didn't make any difference what I would drink, it distressed me so much that I wished the next breath would be my last. Also when I started taking this wonderful medicine, I only weighed one hundred and forty-eight pounds. Today I weigh one hundred and sixty-six pounds—have gained eighteen pounds already—and am still gaining. Also before taking Taniae I couldn't sleep either night or day, but now I average about nine hours steady sleep and I have an appetite like a horse. I am now fifty years of age and I can't praise Taniae too much for what it has done for me."

Taniae is sold in Medford by West Side Pharmacy, in Gold Hill by M. D. Flowers, in Central Point by Miss M. A. Sloan, in Ashland by J. J. McNaughton.

WINTERFELDT TO CONDUCT GERMAN NEGOTIATIONS

AMSTERDAM, Nov. 6.—(By the Associated Press.)—Germany of

Berlin says that General Von Winterfeldt, former military attache at Paris, will conduct the armistice negotiations for Germany on the western front.

CHAMP CLARK LEADING OPPONENT IN COUNT

ST. LOUIS, Mo., Nov. 6.—With one-third of the district vote tabu-

lated, Speaker of the House of Representatives Champ Clark, democrat, is leading B. H. Dyer by a plurality of 1,000 votes, according to unofficial returns up to 9 o'clock this morning.

FEAR OF FAMINE IN COMING YEAR HAUNTS GERMANS

AMSTERDAM, Oct. 15.—(Correspondence of Associated Press.) Whether the German food supply is sufficient to last for another year of war is being debated in German newspapers with signs of apprehension.

"Calculations warrant the belief that we can hold out provided the most stringent measures are taken to regulate clandestine traffic in food," says the Cologne Volksetzung. Its estimate is based on figures showing the German food supply collected by Stegerwald, a member of the Prussian diet.

"Nevertheless," adds the paper, "Stegerwald's figures show that we have a Siegfried position also at home." The significance of this lies in the fact that the Siegfried position on the western front went down before allied attacks.

After endeavoring to bolster up the waning confidence of the Germans, the Volksetzung says:

"Meat distribution must be further curtailed. Cattle have decreased three million head compared with last year while the number of pigs has been very seriously reduced. Meatless days must be maintained and consumption of game and poultry placed under much more severe control. Measures must be devised whereby all classes will be treated alike and clandestine slaughter be ruthlessly suppressed.

"The Ukraine remains a doubtful factor and from Rumania next year only corn is exportable but both countries are able to export different kinds of foodstuffs."

WASHINGTON ELECTS G. O. P. DELEGATION

SEATTLE, Nov. 6.—Washington's next delegation to the lower house of congress will be solid republican, returns early today showed. Eastern Washington reports indicated the state's one democratic representative, C. C. Dahl, was defeated by J. Stanley Webster, former state supreme justice.

Western Washington elected its three republican congressmen, J. F. Miller, L. H. Hadley and Captain Albert Johnson. Southeastern Washington, according to returns received here, elected Dr. John F. Sigmund, republican, to the seat now held by Congressman W. L. LaPoltte.

Re-election of Supreme Justice J. M. Mun, J. B. Mitchell and Wallace Moad, all non partisan, seemed assured. No complete returns were obtainable on the voters' decision on a proposal to call a constitutional convention. In Seattle the proposal appeared carried. The state legislature definitely put itself in the "bone dry" list by approving a prohibition amendment passed by the last legislature.

WALSH REELECTED BY MONTANANS

HELENA, Mont., Nov. 6.—United States Senator Thomas J. Walsh, democrat, continued his lead in the race for the senate from Montana over Dr. Lanstrum, republican, and Miss Rankin, national party, according to returns from 539 precincts of 1,400 in the state in yesterday's election. The returns tabulated showed Walsh 26,174, Lanstrum 23,078; Rankin 13,557.

In the first congressional district Congressman John M. Evans, democrat incumbent, has a lead of less than 1,000 over Frank B. Linderman, republican, and in the second district, Carl Riddick, republican, had a slight lead over Harry B. Mitchell, democrat in the votes so far tabulated.

STEADILY REDUCING ENEMY'S FRONT

BRITISH HEADQUARTERS IN FRANCE, Nov. 6.—It is a mistake to suppose that the allies are engaged only with the rear guards of the enemy, retreating "according to plans." The opposite is true. The Germans are being forced to fight their hardest by attacks which threaten to achieve the strategic collapse of the enemy. The successes gained by the allies has been won against immense concentrations of strength which are striving in a most determined manner to hold vital points.

CALL FOR LIMITED SERVICE REGISTRANTS

WASHINGTON, Nov. 6.—Protest Marshal General Crowder has called for 18,000 draft registrants physically and (not for limited service) to be in line for service between November 25 and 27. Voluntary enlistments will be accepted until November 26.

A variety of grades and occupations are mentioned in the call and 40 states are asked to furnish the necessary number.

Total call for military service for November have now exceeded the 310,000 mark and are far in excess of previous monthly mobilizations under the draft.

Good Picking

The youngster's idea of "goodies" made with Kream Krisp is to get his hands on them. Mother's idea is to use nothing but Kream Krisp for shortening and frying. She said so at the last meeting of her cooking club. That the members unanimously adopted her idea is evident by the following endorsements she has received from them:

"Kream Krisp is the most economical shortening on the market."

"In all my recipes I use less Kream Krisp than I ever did butter or lard, and get more satisfactory results."

"I can always depend on my baking being successful because measurements with Kream Krisp are accurate, making the results uniform and sure."

"I am for Kream Krisp because it doesn't smoke up or leave any odor in my kitchen."

"I use my Kream Krisp again and again, because no matter what I fry in it, it doesn't absorb the flavor. And after straining it I can put it back into the can as good as new."

"I don't think I could make creamy, fluffy cakes or rich, flaky pie crust without using Kream Krisp."

Try Kream Krisp today, and your own uses of it will O. K. these endorsements.
