BAD BREATH Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects. Dr. P. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.

All Traces of Scrofula Cleansed from the Blood Impurities Promptly Wiped Out. If there is any trace of Scrofula, or other impurities in your blood, you cannot enjoy the full physical development that a healthy body is capable of until your blood has been thoroughly cleansed and purified of all traces of impure matter. S. S. S., the wonderful old purely vegetable blood remedy, has no equal for removing the last trace of Scrofula and other blood taints, and there is no case that it does not promptly reach. S. S. S. will thoroughly cleanse and remove every disease germ that infects the blood and give you new life and vigor. It is sold by all druggists and you should get a bottle and begin its use to-day. Write a complete history of your case, and you can obtain expert medical advice free by addressing Medical Director, 30 Swift Laboratory, Atlanta, Ga.
