THOMSON SAYS HE GAINED 34 POUNDS

Suffered Fifteen Years With Rheumatism and Other Troubles

Another remarkable statement to be added to the thousands already given, testifying to the undoubted benefits that have been derived from the use of Tanlac in long standing cases of rheumatic troubles, is that made the other day by Duncan Thomson, who is in the meat market business and lives at 421½ Hawthorne Ave., Portland, Ore. In telling of his experience with Tanlac Mr. Thomson said:

"I feel it my duty to tell everybody how Tanlac restored my broken down health, for the only way I found out about this wonderful medicine was through others telling how it helped them.

"I suffered from a rheumatic condition of the system for fifteen years," continued Mr. Thomson, "and I kept getting worse all the time. My kidneys worried me too for the last two years and the misery in my back was so terrible I thought at times it would surely break me in two. My legs and knees would draw up till my muscles felt like they were tied in knots and ached so bad I could hardly bear to have anything touch them. I was so badly constipated, that I had to take something for this condition every two or three days, and my troubles weighed on me so and pulled me down till they nearly put me out of business. I lost weight, and felt so tired and worn out all the time that it was all I could do to drag myself off to my work.

"Well, I tried everything I could hear of, but got no better, and had begun to think there was no help for me at all. I was in Snyder, Oklahoma, when I first heard about Tanlac. Everybody there was taking it, and the results they were getting were so remarkable that I bought some myself to try. Why, I personally know one lady who was down in bed with rheumatism for six months and her friends had given her up to die. She took Tanlac and is now up and doing her own work, as well as ever, and I could tell you of many other cases. But to get back to my own case, I felt so much better after taking my first bottle that I kept on with it till now my rheumatism and kidney trouble have been entirely relieved, my constipation has been removed and I have actually gained thirty-four pounds in weight. I am stronger and better than I have been in years. I work as hard as men half my age and it don't hurt me a bit. I have already told many people about the way Tanlac has fixed me up and I expect to tell many more for I think Tanlac is the best medicine anybody can take."

Tanlac is sold in Medford by West Side Pharmacy, in Gold Hill by M. D. Bowers, in Central Point by Miss M. A. Slee, in Ashland by J. J. McNair. Adv.

As a preliminary to Thanksgiving the great national holiday will be ushered in by special prayer service at the Methodist church on Wednesday evening. In a business way the ild will be tightly closed as regards banks and stores, in fact the day proper will be observed properly, even the postoffice observing hours on a Sunday basis. At sunrise Wilson's eleven commandments (to the Huns) will be read, supplemented by Mayor Lamkin's proclamation. In line with advisory orders to Red Cross canteens thruout the country, the local organization will keep open house, dispensing cookies, fruit, coffee and chocolate to all soldier boys who pass our way on the several thru trains, and their name will probably be legion, but great or small, the ladies will be on hand to render unvarying kindness to all of them. The formal service of the day will be a union one at the Baptist church, 10:30 a. m. Several clergymen will participate, the sermon to be delivered by Rev. C. E. Koehler, who has chosen the opportune theme of "Thanksgiving: Present and Future." Mr. Koehler is the Presbyterian pastor. He is a newcomer here, and is a man whose breadth of vision is not circumscribed by narrow tenets. There will be abundant musical accompaniments, and in line with custom introduced elsewhere there may be a national liberty sing. From 1:30 to 3 p. m. a social armistice will be declared, enabling all to mingle around the festive board and indulge in the joyous reunions which the Thanksgiving term implies.

J. D. Hoag is home from a long spell of Carpenter work at MacDoel, Calif.

The Ashland Mills is to institute a bread-making contest, prizes to be awarded in cash instead of substitutes for the real genuine flour.

R. J. McCafferty, Southern Pacific employe, has rented and is already occupying one of G. S. Butler's tenements on Skidmore street. DRUGS EXCITE YOUR KIDNEYS, USE SALTS

If your Back is aching or Bladder bothers, drink lots of water and eat less meat.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.
