WILSON TO OPPOSE MILITARISM AT PARIS

NEW YORK, Dec. 4.—Prior to President Wilson's departure today for Europe to attend the peace conference it became known that he goes determined against militarism in any form. The crushing of Prussian militarism was a part of his plan for the future peace of the whole world, the president feels, according to persons who conferred with him on the transport George Washington before it sailed.

WAR BOARD QUILTS BUSINESS JANUARY 1

WASHINGTON, Dec. 4.—President Wilson has accepted the resignation of Bernard M. Baruch as chairman of the war industries board, effective January 1, and has agreed that the war industries board cease to exist as a government agency on that date.

Mrs. Tolbert Astonished at Results of Tanlac—Gains 20 Pounds

"Some wonderful things happen in this world, and the way Tanlac has restored my health and built me up is one of them," said Mrs. Paul Tolbert of 916 California Ave., Butte, Mont., in one of the most interesting and remarkable statements yet published in connection with the Master Medicine.

"My trouble started about two years ago," she continued, "and I have simply been a nervous wreck ever since until now. Last January I went to the hospital where I was told that my whole system had become poisoned by an affected appendix, that an operation was my only hope and it was doubtful if this would save me. So I arranged to have my children cared for, in case I should not see them again, and submitted to the operation. Well, the operation was done with so much skill, and I was so carefully nursed that I finally got out of the hospital, and was home with my husband and children again. Then I picked up wonderfully for a little more than a month when I began having terrible pains in my back over my kidneys. My appetite left me, and nothing tasted right. I was constipated, had fearful headaches, and was so nervous I could hardly sleep. I fell off until I weighed less than a hundred pounds and was so weak that it was an effort for me to get about at all. An effort for me to get about at all."

"Finally my husband suggested that I try Tanlac, as it was being so much talked about, and the results have astonished me both. I couldn't see much improvement on my first bottle, but with the second my appetite got better, I commenced to feel improved and was surprised when I got on the scales, to find that I had gone up to one hundred and eight pounds. Well, the third bottle did wonders for me, relieving me of all pain and headache and making me want to eat up everything. I now weigh one hundred and eighteen pounds—making a gain of more than twenty pounds on three bottles—and I'm wondering what my fourth bottle will do for me. I sleep like a healthy child, never waking at night at all and feel like I could eat five or six meals a day. I dismissed my hired help, four weeks ago, after eighteen months steady service, and since then I have done all my own housework, cooking and everything. I have no more dull, draggy bad feelings and life is a pleasure to me. I can't praise Tanlac enough for what it has done for me."

Tanlac is sold in Medford by West Side Pharmacy, in Gold Hill by M. D. Bowers, in Central Point by Miss M. A. Moen, in Ashland by J. J. McNair.

PEACE STIMULATES RETAIL BUSINESS THROUGHOUT NATION

WASHINGTON, Dec. 4.—Reaction from war time economy is apparent in reports to various government agencies since the signing of the armistice. War savings committees in all parts of the country have submitted statements tending to show that persons who abstained from buying unnecessary clothes during the war have rushed to shops within the past week or two and bought according to pre-war standards. Retail businesses report stimulation of business by peace news. In some cases, the response was immediate, business showing a big jump within a day or two after Nov. 11. This reaction seems most marked among the wealthier classes.

Business Picking Up. Reports gathered by the Federal reserve board also show activity among wholesale houses to meet the demand of retailers. The wholesale business, however, is somewhat restricted by the desire of retail merchants to let their stocks run low, while waiting for prices to come down. Thousands of retailers quickly arranged special sales of their stocks at lower prices, in view of the uncertainties of the future course of prices.

Building operations have taken a sudden start after the long enforced period of sluggishness during the war, and building materials are now beginning to flow away from former war enterprises toward peace time building projects. Private building seems to be holding back, however. Municipalities and states have turned their thoughts to building roads and bridges, held up during the war by shortage of materials, and within the next month officials here look for a multitude of advertisements for bids for these projects.

Need \$8 Billions. At least eight billions of dollars must be raised in the United States next year from war bonds or war savings. Officials argue that floating of these loans without corresponding saving in money and materials merely serves to inflate credit, and the practical result of this inflation is a general rise in prices.

The treasury now is seeking to develop means of continuing thrift propaganda through the next few years, to educate the public to the duty of paying off indebtedness before relaxing war time economy. In fact, students of economy in the treasury declare that unless the American people learn lessons of thrift which populations of England, France, Germany and other warring nations have learned during the past four years, the country will be in position during reconstruction of absorbing much more than its share of the world's available stock of food, materials and labor, needed for the physical rebuilding of devastated portions of Europe.

ROGUE RIVER

Miss Thelma Owens has been taking care of the post office. Mr. and Mrs. Campbell, parents of Mrs. Earl Strahn, were called to Bona Vista, Colo., a week ago, by the serious illness of a daughter there. Word has just been received by Mrs. Strahn of her sister's death from pneumonia. She leaves her husband

who is also sick and four young children.

Mrs. Rena Whipple returned from a visit to Mrs. Alvin Williams at Butte Falls on Tuesday evening but was sick with "flu" on her arrival. She is now much better.

Don Dimick spent Thanksgiving with his parents here, returning to his duties with the students army training corps at Corvallis on Sunday morning.

Mrs. J. B. Hills went to Grants Pass on Sunday evening to nurse her daughter Marie who has "flu."

Judge and Mrs. Gilmore and Mrs. Fowler spent Thanksgiving day with Mr. and Mrs. W. Wetherell. They had the pleasure of attending service in the Glendale Presbyterian church and of an auto ride round the valley.

Mrs. Clark and Miss Marietta Martin came up from the Pass to spend Thanksgiving with their parents.

Mr. and Mrs. Lake returned home for the winter after an extended absence at the coast.

Mrs. Lucy Terrill of Talent who died last week, was the mother of Mrs. Roy Seaman, whose friends extended their sympathy to her in her loss.

E. Stevens went to Medford on Thursday to eat Thanksgiving dinner with his daughters, Mrs. Roy Gayer and Mrs. Morse.

Principal and Mrs. Narvagan had a family dinner party on Thanksgiving day.

Mrs. Ida Magerle was a Grants Pass visitor on Saturday.

Andrew Moore in a new pupil in the freshman class of high school. May Sander in the third grade and Yella Coverdale in the fourth grade, and Jimmie Coverdale in the primary room.

Mrs. Fowler is busy making Xmas plum puddings the profits from which will be devoted to the Armenian relief fund.

ASHLAND AND VICINITY

Anticipating the return of the soldier boys from overseas, this community will plan a "Victory Week" entertainment in their behalf. The scope of the big event will be more than local, several Southern Oregon counties being invited to participate, including notables from both civil and military life. This epoch making event in local annals will be held next July, and thus early committees have not only been appointed but are actively at work regarding details. A fund of at least \$15,000 will be raised to finance the home coming jubilee. A permanent and historic reminder of the great reunion will be a monument of native granite, on which shaft will appear a roster of the soldiers who enlisted from this city, the memorial to be erected in Lithia park. Abundance of time is at the disposal of the projectors of this enterprise to plan demonstrations which imply the limit in the way of hospitality and enthusiasm, and they are busy accordingly. To E. V. Carter has been accorded the credit of the inception of this testimonial to the soldier boys. Good cheer, jolly reunions and a hearty reception await the return to their native hearth.

Trinity Guild will serve a chicken supper Thursday evening, December 5. There will be a sales table on the side for holiday gifts.

Medford and Klamath Falls have been vying with each other in offering 40 acre tracts near their respective towns, eligible for landing spots in the aerial mail service between Sacramento and Seattle. In the meantime the initial flight is reported to have been made on Tuesday. Since the customary smoked glasses, citizens have been earning their necks between the hours of 1 and 3 o'clock, trying to get a glimpse of the aerial visitor, and their efforts would have done justice to an eclipse in the totality classification. Private appeals from Sacramento for details as to arrival and departure of the aerial

Ever constipated or have sick headache? Just try Wizard Liver Whips, pleasant little pink pills, 30 cents. Guaranteed.

Delinquent Pavement Assessments. On the 16th day of this month there will be published a list of all delinquent pavement assessments and delinquent interest due the city of Medford and notice of sale of property to be held at the City Hall on January 20th. At this time all property will be sold where the assessments and interest are not paid or not signed up on the new plan. The city council has concluded that in order to assist those who are delinquent and who hold Liberty Bonds, to take Liberty Bonds at par as a part payment on their delinquent assessments or delinquent interest. This will enable quite a number to pay who otherwise could not do so.

We wish to assure the property owners that there will be no favoritism shown in this matter whatever, that it is strictly a business proposition and the city must be run on this basis.

mail at the local postoffice, had to be dismissed with the information that the sky pilot chose the Eagle Post route, 20 miles distant from the beaten path of traffic heretofore. Moreover the skies were on the cloudy order in this vicinity, and not favorable for saving out airship voyagers.

The official count as finally made known places the majority against the normal schools proposition as having been 16,135 throughout the state.

Presbyterians, including many friends among denominations at large, will greet the new pastor, Rev. C. F. Koehler and family, at a reception to be given in their honor at the church on Thursday evening, December 5. Various committees are busy arranging details. In addition to Mr. and Mrs. Koehler, the ministerial family includes four manly boys.

Weather for November in this latitude incorporated a maximum temperature of 65 on the 10th, and a minimum of 20 on the 28th. Precipitation, 3.1 inches. Snowfall, 2.9 inches on the 26th. Louis Dodge, local observer, reports the clear and cloudy days as being 14 in each classification, with two dates scheduled as being on the hazy order.

The Mystic Shrine ceremonial is slated for Friday evening, December 6, having been postponed from November 1. In the words of the official announcement, present conditions impel the order to "Purchase Liberty bonds, help the Red Cross, buy war stamps, and to be real, live, active and patriotic citizens." All these lines of endeavor will be demonstrated at Masonic hall on the above date.

Over a score of local business houses have joined the early closing pact. The hour is 5:30 p. m. every day in the week except Saturday, when the time has been fixed at 8:30. The movement went into effect December 2.

The commercial club will unite in a rally assembly at the city hall on Friday night, December 6. An interesting program will be a special order, and this supplemented by the serving of light refreshments, will afford an ideal community reunion, the slogan for the sociable event being "Resurgam," implying higher aims of, and more efficient labors by, the commercial organization. Citizens in general are invited, consequently let none hold aloof from the gathering just because their names are not on the club's membership list.

Many friends will regret to learn of the serious illness of Mrs. E. N. Butler, wife of the proprietor of the Plaza confectionery. She was stricken with paralysis early last Sunday

SALT IS FINE FOR KIDNEYS, QUIT MEAT

Flush the Kidneys at once when Back hurts or Bladder bothers—Meat forms uric acid.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they roughly filter or strain only part of the waste and poisons from the blood, then you get sick. Nerve, all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of stinging, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grape and lemon juices, combined with H. J. and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot irritate; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.
