To Guard Against Influenza

Don't let the dread influenza get you. If you have even the slightest cough or cold, better begin using Foley's Honey and Tar at once. Henry Willis, Sandy Point, Texas, is one of many thousands who consider this remedy "just fine." He says: "I suffered severely with a bad cough; after using four or five dollars' worth of different medicines decided to try Foley's Honey and Tar. One bottle gave relief. Best medicine I ever used." Contains no opiates. For sale by Medford Pharmacy.

DARTING, PIERCING SCIATIC PAINS

Give way before the penetrating effects of Sloan's Liniment

So do those rheumatic twinges and the lumbago of lumbago, the nerve-inflammation of neuritis, the wry neck, the joint wrench, the ligament sprain, the muscle strain, and the throbbing brusle.

The ease of applying, the quickness of relief, the positive results, the cleanliness, and the economy of Sloan's Liniment make it universally preferred.

as yet in our immediate neighborhood altho the disease is plentiful in districts on all sides of us.

It is a known fact that worry causes a torpid and sluggish liver which in turn impairs digestion and leaves the body in a state unable to overcome disease. Consequently while we should use all precautions to prevent getting the flu we should not let it worry but consider it a joke until we get it ourselves, then consider the joke is on us and immediately take steps to eradicate it from our system.

Table Rock school teachers who are home for the holidays are Miss Lydia Lillard, Miss Verda Lynch and Miss Katherine Nealon.

The new Turkish-highwayman style that has come into vogue during the last few weeks, has proven quite becoming to some of our citizens, in fact improves their looks considerably, and also serves as a nose warmer these cold days in dry Oregon, while it acts as an air-strainer filtering out such dregs as flu germs.

It is said that the mayors of some of the nearby cities have proclaimed this the universal fashion and to be worn on all occasions in their respective towns. Some of our more modest citizens do not seem to fancy the new garment and are staying out of town.

Many of the homes in this district will contain small but well decorated Christmas trees on Tuesday evening, so that the kiddies will not be deprived of their usual enjoyment.

The Red Cross membership drive just completed in this district netted some eighty members which considering the end of the war we think is remarkable and reflects much credit on those in charge of the drive who were Mrs. John McBride, Mr. and Mrs. Hull and Mrs. R. E. Olson.

A fine grade of walnut grown on the R. F. Dean place at Willow Springs are an addition to the Christmas feasts in several of our homes.

We acknowledge receipt of several requests that we continue writing the Tablets, and while we appreciate the praise contained in these requests for our past efforts, we feel it only fair to ask those making these requests to kindly furnish us from time to time with a little of the material the Tablets must be composed of.

Owing to the flu situation there will be no public Christmas tree in this district which will be the first time in many years that Table Rock has not celebrated Christmas with an entertainment and tree to which all are invited and to which the kiddies look forward to during the entire year.
