Non-Rigid International Machinery By Which a Council, By Exerting Influences Towards Conciliation May Work, Suggested By British—Must Have Sufficient Power.

LONDON, Jan. 22.—Lord Robert Cecil, who today announced at Paris that he had submitted to the peace congress a British view on the subject of the League of Nations, believes the world has not yet reached a stage at which an absolutely rigid system for the preservation of international peace can be set up...

No Nation Independent The interdependence of modern states has become so great that no nation can control its own affairs entirely without regard to the effects of its actions on other nations.

It is easy to see that in future cities located on waterways will have to be under international control, which will guarantee free access to them.

ping of this city, was united in marriage to Mr. Elmer M. Church of Portland. They were attended by Corporal Bruce F. Sims of Portland and Miss Mary B. Hackney of this city. Little Miss Dorothy Topping was the ringbearer and led the way to the altar where Rev. C. R. Carlos, D. D., met the happy couple and pronounced the words that made them husband and wife. The ceremony was performed in the presence of members of the families and a few intimate friends. The bride met the bridegroom in Portland several years ago and their acquaintance culminated in this marriage. They will make their future home in Portland, where Mr. Church holds an important position with a large manufacturing firm.

Get the Habit of Drinking Hot Water Before Breakfast

Says we can't look or feel right with the system full of poisons. Millions of folks bathe internally now instead of loading their system with drugs. 'What's an inside bath?' you say. Well, it is guaranteed to perform miracles if you could believe these hot water enthusiasts.

OLD-TIME COLD CURE DRINK HOT TEA!

Get a small package of Hamburg Breast Tea at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold.

RUB RHEUMATISM FROM STIFF ACHING JOINTS

Stop "dosing" Rheumatism. It's pain only; not one case in fifty requires internal treatment. Rub nothing, penetrating "St. Jacobs Liniment" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacobs Liniment" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops rheumatism, lumbago, backache, neuralgia, Limber up! Get a 30-cent bottle of old-time, honest "St. Jacobs Liniment" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

LADIES! SECRET TO DARKEN GRAY HAIR

Bring Back its Color and Lustre with Grandma's Sage Tea Recipe. Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients in a large bottle, at little cost, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness by darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

People who feel good one day and badly the next, but who simply can not get feeling right are urged to obtain a quarter pound of limestone phosphate at the drug store. It is intended to flush the stomach, liver, kidneys and the thirty feet of intestines of the previous day's waste, sour bile and indigestible material left over in the body which if not eliminated every day, become food for the millions of bacteria which infest the bowels, the quick result is poisons and toxins which are then absorbed into the blood causing headache, bilious attacks, foul breath, bad taste, colds, stomach trouble, kidney misery, sleeplessness, impure blood and all sorts of ailments.

Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so limestone phosphate and hot water act on the stomach, liver, kidneys and bowels. It is vastly more important to bathe on the inside than on the outside, because the skin pores do not absorb impurities into the blood while the bowel pores do.
