Rainbow, the big Commercial club cat, and mascot, retired to private life Saturday as Mrs. Satchwell, the retiring secretary, gave him to Night Policeman Elmer Adams whose home on West Jackson street will be the permanent domicile of Rainbow until some mouse unexpectedly runs across him and chases him out of the county.

The handsome cat is six months old and one of the largest, if not the largest in Medford, has spent most of his life in the club building and therefore his feline education has been woefully neglected as regards dogs and rodents. One good thing about him was that he stayed in nights. The incoming secretary, Will G. Steel, will have to get another mascot, probably a bull dog or a spider.
