# SERIES OF FOOD DEMONSTRATIONS BEGINS MONDAY

Several weeks ago Miss McCormick announced a series of food lessons to be given in Medford during the month of February. The first lesson will be given Monday evening, February 3, in the Medford public library at 8 o'clock. These lessons are entirely free and all women wishing to take advantage of the opportunity to study foods are welcome to attend.

As the lessons have been arranged in consecutive order it is important for those women who wish to get full benefit of the whole course to be in attendance at the first meeting.

This course is being given in order to assist women in planning balanced menus through a knowledge of food values and food combinations. Special attention will be given to the diet of children and the relation of food to health, growth and development. For food most people spend the largest part of their incomes. What a pity if they buy sickness instead of health!

It is possible to make the planning of three meals a day a pleasure. Find out how it can be done by attending these classes.

# FARM BUREAU TO SEEK MEMBERSHIP

The officials of the Jackson County Farm Bureau have been working hard preparing for the county-wide campaign for membership which begins at Neil creek, Tuesday, February 4, at 2:30 p. m. The entire week will be spent in organizing the south end of the county before starting on the north end, this plan being adopted because the south end is better organized. A good corps of speakers has been arranged for, and it is hoped that the people will see that a good crowd attends. The schedule for the week beginning Tuesday, February 4, is as follows:

Neil Creek, Feb. 4, 2:30 p. m.; Bellview, Feb. 4, 8 p. m.; Valley View, Feb. 5, 2:30 p. m.; Talent, Feb. 5, 8 p. m.; Phoenix, Feb. 6, 8 p. m.; Griffin Creek, Feb. 7, 7 p. m.

# S. P. ROUND HOUSE ASHLAND COLLAPSES

The central section of the Southern Pacific roundhouse at Ashland collapsed today. Nobody was injured but two men had narrow escapes from being struck by the falling debris. A locomotive was partially covered by wreckage.

The roundhouse was erected in 1888, the same year as the Southern Pacific depot and the original Hotel Oregon structures in Ashland were built. A new roundhouse building is contemplated to take the place of the collapsed structure.

# THINK OF THE MONEY YOU CAN SAVE ON SHOES

Clarence J. Bloenker of St. Louis, Missouri, writes, "I have a pair of shoes with Neolin Soles and have used them for two years. I think they will last another six months."

Mr. Bloenker also recommends Neolin Soles for their comfort and waterproofness.

It is a remarkable fact that Neolin Soles cost no more than others that give only ordinary wear. You can get them on new shoes in many styles for men, women, and children—and they are available everywhere for resoling, too.

And look at the money you save—because you need fewer pairs of shoes with Neolin Soles. Remember—these soles are made by Science to be especially tough and durable. They are manufactured by The Goodyear Tire & Rubber Co. of Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear any other heels.

# DRIVE AWAY HEADACHE

**Rub Musterole on Forehead and Temples**

A headache remedy without the dangers of "headache medicine." Relieves headache and that miserable feeling from colds or congestion. And it acts at once! Musterole is a clean, white ointment, made with oil of mustard. Better than a mustard plaster and does not blister. Used only externally, and in no way can it affect stomach and heart, as some internal medicines do.

Excellent for sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, all pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia).
