MRS. M. E. HOYLE HAS GAINED 30 POUNDS

I've Never Found Anything to Equal Tanlac, She Says—Troubles Overcome

"If I could speak with everybody personally who has stomach trouble and rheumatism," said Mrs. M. E. Hoyle of 1323 Pennsylvania Ave., Kansas City, Mo., "I would advise them to take Tanlac, for I have tried it myself, and have never found anything to equal it. I have suffered with rheumatism during the past ten years until I thought I would go distracted. The pain would extend from my hips down to my ankles, the muscles and leaders felt like they were drawn, my knees were so stiff I could hardly bend over, and many a night the pain was so severe that I could hardly keep from crying. My appetite was very poor and my stomach was so out of order that what little I did eat made me miserable. I suffered terribly from indigestion and would bloat up so badly from the gas on my stomach that I could scarcely breathe, and there was also a dull aching pain in the pit of my stomach. My complexion was very bad—sallow and yellow looking—and I just felt badly all the time.

"But Tanlac has been a wonderful blessing to me and no one could see the change that has taken place in me and during the past few weeks and doubt it being a great medicine. All my rheumatic pain and stiffness is gone now, and you may know I feel like a new person. My appetite is splendid, I am never bothered with indigestion or gas any more, no matter what I eat, and my color is fine. Not only have I been relieved of rheumatism and stomach trouble but I have also gained thirty pounds in weight, besides. Now these are my reasons for thinking so well of Tanlac and I will gladly tell anyone who cares to call on me what I have found out by experience about it."

Tanlac is sold in Medford by West Side Pharmacy, in Gold Hill by M. D. Bowers, in Central Point by Miss M. A. Mee, in Ashland by J. J. McNair. Adv.
