ASHLAND AND VICINITY

The Ohio society of the valley meets in Ashland this year, the date being Saturday, March 1, and the place Moose hall. Last year the reunion was at Medford, and all remember the events in that city as one of extra pleasure, with an ideal program in the way of music and informal talks. This year it is planned to make the reunion equally as successful along merged lines, and residents of Medford and vicinity are reminded of the place and date of gathering coupled with a cordial invitation to be present and participate in the anniversary of the legislative enactment which placed old Ohio in the galaxy of states. O. H. Johnson and Mrs. J. J. Cambes of this city, are president and secretary respectively of the organization. In the way of keeping up the associations formed in earlier days and in exhibiting fealty to their native state, Buckeye enthusiasm is waxing instead of waning by way of comparison with other commonwealths. Dinner will be served at Moose hall at noon, and this is a reminder to bring along well filled baskets.

Siskiyew chapter of the Masonic order will meet on Thursday evening February 27, for work in the royal arch degree. The "team" will include candidates from Ashland and Jacksonville, and a member of officers from both chapters will exemplify the work. Members of Crater Lake chapter at Medford are also cordially invited to attend, the intent being to hold a social reunion of R. A. M's throughout this territory.

Mrs. Dora Hubbard is now the accountant at the local office of the Oregon Gas & Electric company, succeeding Mrs. Anna McCarthy Moore, resigned.

The requisite number of names to insure the establishment of a national guard organization here is 104, and not over 70 have thus far expressed a willingness to enlist. The organization carries prestige with it, and it will be unfortunate to let the movement go by default. The Commercial club is steadfast in trying to create interest in the enterprise, an eminently laudable one for both a military and social standpoint, effort also being supported by a committee from the Siks.

Emil Peil is in Portland this week attending a state convention of the hardware and implement interests. In the meantime Bert Shady is attending to office matters at the old reliable headquarters.

District Superintendent Van Fossen and Dr. G. W. Cozart are the accredited delegates to the meeting of the Methodist centenary missionary gathering at Portland this week.

Mrs. May Whitney has returned from Portland and has as visitors from the coast her son's family, Mr. and Mrs. Frank Whitney and children.

"Egg day," as suggested by the Farmers' Bureau, will be observed on Thursday, February 27, at the city hall, 2 p. m. Parties who are curious to learn what the designation means should attend this meeting, as the intent is to devise means for furthering the egg and poultry industry.

With the issue of Friday, March 7, the Tidings will resume publication on the semi-weekly basis instead of weekly. Publication days will be Tuesday and Friday.

Will Dodge returned early in the week from Oakland, Ore., where he attended the funeral of his father, the late A. F. Hunt, who died at his home in Portland last Friday, after protracted illness. The vicinity of Oakland was the former home of the family, antecedents having been pioneers of that section of the state. Mr. Hunt was a native of Iowa, 59 years of age. He came to Ashland about 30 years ago, and removed to Portland in 1908. He was actively connected with the livestock commission business, and was a member of the exchange in the metropolis identified with these interests. Mr. Hunt's name was a familiar one in livestock circles throughout Oregon and California. He leaves a widow and four children. The daughters are Mrs. W. McMillan of this city, and Mrs. R. C. McDermott of Boise, Idaho. The sons are

LILA LEE AT LIBERTY.

There are few photoplay stars who are so ably supported by talented screen players as is Lila Lee in "Such a Little Pirate," her second Paramount starring vehicle which will be shown at the Liberty theatre today.

Lila Lee is declared to be even more charming in her role as granddaughter of the old tar than in her first Paramount picture, "The Cruise of the Make-Believes."

IF BACK HURTS USE SALTS FOR KIDNEYS

Eat less meat if kidneys feel like lead or bladder bothers you—Meat forms uric acid.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless, inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
