

LOCAL AND PERSONAL

Incident to the home-coming of the local unit of the 65th artillery next Monday afternoon, the following explanation is made as to the meaning of the red, black and white insignia on the left shoulder of the men. The large letter A in black signifies that the wearer belongs to Pershing's first army. The red and white strip stands for artillery corps. Therefore the combination interpreted means "First army artillery."

Great French Sacrifice Calls for World's Gratitude

The French have suffered and bled more than any other nation at war. Of her 36 million population, 6 million were placed in the trenches and have poured out their blood on the altar of Liberty. America will ever remember this heroic sacrifice. It is likewise not unmindful of the great service to the world rendered by the French peasants who have given it a perfect remedy for stomach, liver and intestinal disorders, which is reported to have relieved incalculable suffering, saved thousands of lives and prevented innumerable surgical operations.

Geo. H. Mayr, prominent Chicago chemist, imports and sells it in this country under the name of Mayr's Wonderful Remedy. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by druggists everywhere. Adv.
