

PREPARATIONS FOR WELCOMING YANKS NOW COMPLETED

Monday, March 3, will be red letter day in the history of the soldiers' return. The city is fairly honeycombed with committees and sub-committees, all working toward the same gratifying purpose, that of making the patriotic party, the biggest town party ever held in southern Oregon, and perhaps it would not be taking in too much territory to say the biggest town party ever held in the whole state of Oregon.

The heads of the various committees all have the same splendid report to make. That the people have responded generously and enthusiastically and everything is working harmoniously toward the success of this gala night. Some comment has been made upon the time of holding the party, accompanied by the suggestion that a later date might have been more propitious. The general arrangements committee fixed upon this date because of the fact that the boys already home are scattering so rapidly. Every boy is again hunting his niche in the commercial world, and his work often takes far afield. These boys will never again be assembled at any fixed time or place. So in consideration of the boys already home, it was thought that the largest number could be assembled at this time. The arrival of the boys of the 45th on Monday is most timely and augments the number of soldiers materially. Although the party is given just as much for the boys who only saw Camp Lewis or Fort Lawton or other service, as for the boys who fought in France. They all played their part and Medford is proud to honor all who wore Uncle Sam's uniform whether in the army, navy or other department of service. It might be added that soldiers and sailors returning later will receive proper recognition by the city.

The honored guests are asked to appear in uniform or any part of their uniform they may have. Three entire days will be required to decorate the natorium and a corps of workers, under the direction of Mr. Stoekman will transform the building. Those who have knowledge of Mr. Stoekman's work, and his artistic ability have no doubts as to the brilliant setting for the party. Mrs. J. W. Mitchell will have charge of the reception line, comprising the parents of the guests of honor and will present a handsome badge to each. These badges are now on exhibition at the Medford Pharmacy.

The dancing floor will be in charge of W. F. Isaacs and his committee, who will see that every man in uniform has a dancing partner.

The refreshments will be served on the first floor and it is desired the uniformed men be first served. This department is under the direction of Mrs. H. S. Walther who has organized her assistants in a most competent manner. This department has been so systematized that each corps of ladies will serve but one hour and then be replaced by a fresh corps. Generous donations of cakes have been received but more are wanted and those willing to contribute a cake may telephone Mrs. Walther. Donations of oranges and lemons to be used in punch will be received at Davison's news stand up to Monday morning at 9:30. The main interest perhaps centers around the program.

In the large hall will first be held the informal reception, an address of welcome by Mayor Gates and response by Mrs. Leonard, the mother of five sons in service. The floor will then be given over to dancing.

On the first floor a splendid musical program will be in progress including numbers by Mrs. Irene Hansen Isaacs, Mrs. W. M. Van Scoove, Mrs. Edna Isaacs, Miss Adele Brault, Miss Leona Willard and chorus of 15 girls, Miss Lucille Jones, Messrs. Charles Edward Roof, Herbert Alfred, Henry Harko and the Choral club comprising George Andrews, William Vawter, Fletcher Fish, Geo. Mattox, H. H. Corlies. This program will partake somewhat of the nature of a cabaret, inasmuch as it will be introduced on the refreshment floor and during the refreshment hour.

On Tuesday evening Our Boys will be treated to a ticket to the French band concert which will be followed by an informal reception. Tickets are now on deposit at Mayor Gates' office, where returned soldiers and sailors may secure them free of charge.

TODAY'S CASUALTIES

Wounded severely—Private Fred R. Birch, Salem, Ore.
Died of disease—Sergeant Raphael K. Hudson, Portland, Ore.
Wounded slightly, previously reported missing in action—Private Roy Reed, Marcola, Ore.
Wounded, degree undetermined, previously reported missing in action—Private Eugene A. Caris, Murphy, Ore.
Wounded, degree undetermined—Private Neal W. Hazelton, Redmond, Ore.; Capt. Manton D. Armstrong, Portland, Ore.
Wounded slightly—Corp. William W. Sutton, Portland, Ore.; Private Walter L. Stringham, Imbler, Ore.

LOSES FINGER IN PATRIOTIC WORK SERVING NATION

L. M. Hawk, who for years has operated a small lumber mill at Derby, has returned from Portland where for the past year and a half he has been employed in the Stamfer Shipyard at Portland, having enlisted in this branch of the service because he was too old to join the army. Through the carelessness of an assistant, part of his hand and little finger was cut off in a saw, and the wound has not yet healed. He left for Derby Saturday to reopen his mill.

Mr. Hawk is the father of Russell Hawk, who enlisted at the outbreak of the war in the Marines and was killed in the battle of Chateau Thierry, when his regiment, the Sixth Marines, halted the German rush toward Paris. Beyond the bare announcement of the death of his son in action, July 19, Mr. Hawk has received no details, and heard nothing concerning the manner of his death. The last letter received from Russell was dated a few days before he was killed and stated that he had been on the front line fighting continuously, without rest or even a chance to change his clothes, for six weeks, when his regiment went into action at Belleau Wood.

Russell Hawk was a former Medford high school student, well known and popular. He had a fine physique and made an ideal soldier and his heroic death came as a shock to family and friends.

CARL HEILBRONNER HEIR TO \$40,000

Julius Heilbronner, pioneer Oregon resident who died February 22, left an estate valued at \$42,000, according to the petition for probate of his will filed in the county court yesterday. Of the amount, \$20,000 is in real estate and \$22,000 in personal property. Carl Heilbronner of Portland, a nephew, is chief heir and is named executor in the will.

The provisions of the will, drawn up July 30, 1916, are as follows: Fanny Mann, sister, aged 60, Ichenhausen, Bavaria, \$300 a year for life; Minna Wunsch, sister, aged 75, San Francisco, \$2,500; Jette Neuberger, sister, aged 62, Munich, Bavaria, \$2,000; Samuel Heilbronner, brother, aged 69, Munich, Bavaria, \$2,500; Carl Heilbronner, nephew, aged 34, Portland, the residue.—Portland Oregonian.

Mr. Heilbronner was for many years a resident of Medford and widely known as a merchant. He enlisted in the naval reserve at the outbreak of the war.

Daily Health Talks

The Best Way to Treat Constipation

BY S. C. BABCOCK, M. D.
The medical books name many drugs that will move the bowels. The drug store shelves are loaded down with laxatives, purgatives and pills. The trouble with most of them is the after-effects. Constipated people know that pills work all right for a little while, but they soon lose their effect, and a change has to be made to something else. The constant taking of pills results in a form of bowel inactivity that is difficult to cure. The system becomes so accustomed to laxative drugs that the organs just won't work without them and so the pill habit becomes as bad as constipation itself. Dr. Pierce, of Buffalo, N. Y., seems to me to have the right idea. He says the bowels should first be gently moved with Pierce's Pleasant Pellets, and in the meantime laxative foods only should be eaten. Figs, prunes, olive oil, spinach, bran, vegetables and fruits are fine for constipation. Chew every bite thoroughly, eat little meat, and be as active as possible. Now, doesn't that seem sensible? Pleasant Pellets will start the bowels working right; then it is up to you to keep them right by right eating. Try Pleasant Pellets for sick headache, coated tongue, biliousness, dizziness, torpid liver or to break up a cold. They are just fine! Dr. Pierce's Anodyne Pile Ointment soothes, cools and heals piles in a most gratifying way. Perhaps there is no other remedy for this torturing trouble that relieves so surely and quickly. Dr. Pierce believes Anodyne Pile Ointment will overcome any case that can be overcome by medical treatment. Try it right now. Dr. Pierce's Anuric Tablets are intended for people who suffer from kidney disorders—whose backs ache, and whose systems are overrun with uric acid. Nearly everybody has too much uric acid. Anuric Tablets dissolve uric acid quickly, they are made double strength.

JUNIOR RECITAL ST. MARY'S ACADEMY HIGHLY PLEASING

An enthusiastic audience of some 200 persons were present at the splendid musical recital at St. Mary's academy Thursday evening, February 27. Those who have ever attended any of these recitals are already familiar with the ability of the pupils. We cannot say which numbers excelled, for their diversity of selection and interpretation gave each a setting singularly appropriate. A special feature of the program was a solo by Miss Jean Steel. Miss Margaretha Anna Schomisch completed the junior pianoforte course and proved her ability both in duo and solo work. Several of the pupils are working toward these honors while the Misses Lucile Kooztz, Neva Samuels and Jean Steel are continuing their studies to academic graduation in music.

The entire program was rendered from memory and this calls for special commendation in view of the fact that many of the pupils were making their initial appearance in public recital. The program was as follows:

Concerto D Minor, Margaret Schomisch, Neva Samuels; "Come Ye Fairies," Choral class; Hungarian, Patricia Miksche; "Told in Twilight," Cello, Jean Steel; Serenade Badine, Bessie Weeks; Dance Caprice, Bertille Mikehe; Arabesque, Louise Howard; Reading, Nona Howell; Valse Op. 4, Si Fetais un oiseau, Margaret Schomisch; Romance Sans Paroles, violin, Alfredo King; Au Ruisseau, Arabesque, Winifred Clancy; Etude de Concert, Lucille Kooztz; Mornine Wind, Choral class; Silver Spring, Margaret Schomisch; Valse de Concert, Neva Samuels; Suite Op. 15, Lucille Kooztz; Jean Steel; Valse Lucile, Saitaralle Caprice, Mercia Miksche; Danse des Elfes, Jean Steel.

I. W. W. RECORDS AT SPOKANE CONFISCATED

SEATTLE, Feb. 28.—Agents of the department of justice here today were sorting Industrial Workers of the World records which were found in a number of stored boxes and chests seized here yesterday.

Officials said they believed the records seized were of national importance and declared some of the letter files and photographs found in the boxes were sought by the prosecution as evidence at recent trials of I. W. W. in Chicago.

AZORES ISLANDS GREAT FACTOR IN ALLIED VICTORY

LISBON, Portugal.—(Correspondence of the Associated Press.)—"The possession of the Azores Islands as a naval base has been a distinct factor in the allies' victory," says Rear Admiral Herbert Omar Dunn, U. S. N., commander of that base, who recently arrived in Lisbon, where the American naval men were the heroes of the hour.

Rear Admiral Dunn was received by the new president of the Portuguese republic, Admiral Canto e Castro, and a banquet in his honor was given at the American legation, which was attended by representatives of all the allied powers.

In an interview with a Seattle reporter, Rear Admiral Dunn expressed his warm appreciation of Portugal's co-operation in dealing with the U-boat pest from that outpost in the Atlantic. Nothing would please the Azoreans better than to be able to say homage to President Wilson personally. When the president embarked for Europe, Rear Admiral Dunn called him a request that the ship might pass in view of the islands. The request was granted, and afterwards at a meeting in Paris, the president chartered Rear Admiral Dunn to convey to the Portuguese people his sympathy and thanks for their friendship and co-operation with the American naval services at the Azores.

The influenza scourge has not spared Portugal's westernmost colony, and there has also been a serious shortage of food. Rear Admiral Dunn not only succeeded in obtaining some shipments of wheat from the United States but also distributed to the islanders all the available medicine

HAPPY SURPRISE GIVEN RED CROSS BADGE WINNERS

When the women who had given the required 800 hours service in Red Cross work were called together Monday afternoon for a social half hour and to receive the "badge of service" they little knew the splendid surprise that was in store for them. Fifty-six ladies were present and as the Red Cross does not give to any cause but charity all were prepared to give one dollar in exchange for the beautiful service pin—that means so much to a Red Cross worker, especially to those who had not given husbands, sons and fathers to the service of our country.

Mayor Gates presided and in a few well chosen words thanked the ladies for their untiring efforts, commended those to whom the service pin would be given and pointed out the necessity of keeping right on with the work for the sake of the suffering of those in the war zones, and then presented the pins saying the First National bank, thru its president, Mr. Tait, wished to present the ladies with the service badges.

It was a most happy surprise and a most generous gift and those receiving the service pins and the board of directors wish to thank, most sincerely, each and every one associated with the First National bank for this and many other thoughtful acts in behalf of the Medford chapter of American Red Cross.

From the American ships, sending the naval surgeons to visit the sick and the hospitals, and furnishing gasoline for the Red Cross ambulances. The Stars and Stripes is the most popular foreign flag in the Azores Islands.

IT'S NOT YOUR HEART; IT'S YOUR KIDNEYS

Kidney disease is no respecter of persons. A majority of the ills afflicting people today can be traced back to the kidney trouble. The kidneys are the most important organs of your body. They are the filters of your blood. If the poisons which are swept from the tissues by the blood are not eliminated through the kidneys, disease of one form or another will claim you as a victim. Kidney disease is usually indicated by weariness, sleeplessness, nervousness, drowsiness, backache, stomach trouble, pain in loins and lower abdomen, gall stones, gravel, rheumatism, sciatica and lumbago. All these derangements are nature's signals that the kidneys need help. You should use GOLD MEDAL Heart-remedy Oil Capsules immediately. The soothing, healing oil stimulates the kidneys, relieves inflammation and destroys the germs which have caused it. Go to your druggist today and get a box of GOLD MEDAL Heart-remedy Oil Capsules. In twenty-four hours you should feel health and vigor returning. After you feel somewhat improved continue to take one or two capsules each day, so as to keep the first-class condition and ward off the danger of other attacks. Ask for the original imported GOLD MEDAL brand. Three sizes. Money refunded if they do not help you.

Medford Furniture and Hardware Co.

Mothers — Know what you give your children.

The open published formula appears on every bottle of

MRS. WINSLOW'S SYRUP

The Infants' and Children's Regulator

Senna—a prompt, efficient vegetable cathartic. Sodium Citrate—an effective regulator of the bowels—used frequently with other ingredients by learned doctors in treating colic and diarrhoea.

Rhubarb—a rejuvenator of digestive action. Sodium Bicarbonate—highly valuable in treating severe gastric indigestion in children.

Oil of Anise, Fennel, Caraway, Coriander, Glycerine, Sugar Syrup, all of which help to make this formula the very best that medical skill can devise. If it were possible to improve this formula it would be done regardless of the fact that a bottle of Mrs. Winslow's Syrup now costs twice as much to make as any other similar preparation. Yet it costs you no more than ordinary baby laxatives.

Ford

THE UNIVERSAL CAR

We are experienced, and know how to give service to the owners of Ford cars. We have the same methods, machinery and skill that they have in the Ford factory, and we use the same parts made by the Ford Motor Company. Ford owners are doubly guaranteed by us as to reliability of our service on Ford cars. Don't try to do it yourself, bring your car here. Incidentally we are getting a few Ford cars and are able to make fairly good deliveries.

Touring Car, \$525; Runabout, \$500; One Ton Truck Chassis, \$550; Coupe, \$650; Sedan, \$775. These prices f. o. b. Detroit.

DAVISSON'S Table Rock Store

We have bought the Table Rock store, have re-stocked it, and are going to try and make it meet the requirements of a good country store by keeping the things that you need.

We pay the same for eggs that they do in Central Point or Medford and we think we can sell goods as cheaply as they do in either place. We would be very glad indeed to have you come and look over our stock and get acquainted with us.

H. W. Davison
