

LOCAL AND PERSONAL

The downpour of last night and this morning up to 7 a. m., amounting to .39 of an inch, made .87 of an inch of rain that had fallen this month up to that hour. Rain continued to fall more or less all day, and more rain is predicted for tonight and tomorrow. The ground is wetter now, and has been for a week or more, than for years past, and the continued rainfall so late in the season is causing farmers and orchardists not a little worry, the former because of being unable to work the ground and sow spring grains, and the latter because of inability to spray fruit trees with dormant spray or to do necessary pruning. The wet ground and continued rain will make late gardens in the city. By this time usually most of the gardens have been made and planted.

C. A. (Jack) Carson, a well known Canyonville resident, desiring to be absent from his home for a short time and not desiring to carry his "bank roll" along, placed \$225, all in crisp greenbacks, in the firebox of his cook stove, says the Roseburg Review. Returning a few days hence and having forgotten the hidden wealth, he started a fire for the purpose of practicing a little of the culinary art. An hour or so later he remembered of having cached his hard earned savings in the stove. A hasty search of the ashes failed to produce even the corner of a five spot.

The jury in circuit court found W. A. Campbell, aged 80, of Ashland, guilty of contributing to the delinquency of a minor. The jury was out for a long time until its members learned that a conviction would not carry a penitentiary sentence, they being loth to be instrumental in sending so old a man to the penitentiary. When they learned that the penalty would only be a fine or jail sentence or both, they quickly returned a verdict of guilty.

KIDNEYS WEAKENING? BETTER LOOK OUT!

Kidney and bladder troubles don't disappear of themselves. They grow upon you, slowly but steadily, undermining your health with deadly certainty, until you fall a victim to incurable disease.

Stop your troubles while there is time. Don't wait until little pains become big aches. Don't trifle with disease. To avoid future suffering begin treatment with GOLD MEDAL Haarlem Oil Capsules now. Take three or four every day until you feel that you are entirely free from pain.

This well-known preparation has been one of the national remedies of Holland for centuries. In 1600 the govern-

ment of the Netherlands granted a special charter authorizing its sale. The good housewife of Holland would almost as soon be without food as without her "Real Dutch Drops," as she quaintly calls GOLD MEDAL Haarlem Oil Capsules. Their use restores strength and is responsible in a great measure for the sturdy, robust health of the Hollanders.

Do not delay. Go to your druggist and insist on his supplying you with a box of GOLD MEDAL Haarlem Oil Capsules. Take them as directed, and if you are not satisfied with results your druggist will gladly refund your money. Look for the name GOLD MEDAL on the box and accept no other. In sealed boxes, three sizes.
