White Sewing Machine Manager Belles Tanlac Will Help All Other Sufferers

"If it hadn't been for what other people said about Tanlac I might be suffering yet, and nobody need fear troubles like I had as long as Tanlac is made," said H. A. Morrison, local manager for White Sewing Machine Co., Dallas, Tex., and living at 3517 Brown street, that city.

"I suffered from a long-standing and stubborn case of stomach trouble," he continued. "My stomach was nearly always full of gas that gave me no end of misery, and I had to quit eating most everything but broth and other light diet. I had such an awful pain in my right side that I couldn't stand up straight and sometimes I would almost double up in agony. I had terrible headaches, my sleep was so broken it didn't do me any good and I felt tired and worn out all the time.

"I read of a man in Tennessee who had gotten relief from the same trouble as mine by taking Tanlac, so I decided to try it. Before I had finished my first bottle I began to feel better and a few more made me feel like a different man. I get as hungry as a bear at meal times, eat anything I want and nothing hurts me at all. I sleep as sound as a log and get up full of life energy. I have already gained eight pounds and my work is a real pleasure to me now."
