TALENT TALK

A most delightful surprise party
was given by the Woman's Mis-
sionary society to Mrs. Tom Tomham
at the home of her daughter, Mrs. Louie
Brown, last Thursday afternoon. The
following guests were present: Mrs.
Mathison, Mrs. Ella Holdridge, Mrs.
Toogood, Mrs. Denham, Mrs. Adam-
son, Mrs. Williams, Mrs. Reed, Mrs.
Mills, Mrs. Fuller, Mrs. Weaver, Mrs.
Edna Holdridge, Mrs. Foss, Mrs.
Downman, Mrs. Scott, Mrs. Seaman,
Mrs. John Benson, Mrs. Frank Hold-
ridge and small daughter Miss Esth-
er, Mrs. Hurley, Mrs. Marion Tryer
and daughter Laura. An enjoyable
program was given immediately after
a delicious lunch had been served.
The program consisted of a recitation
by little Miss Esther Holdridge on
"The Doctor's Call on Her Dolly",
which took the meeting by storm.
Mrs. Mills gave several instrumental
selections which were greatly appre-
ciated by those present, as was also
a recitation on "Kaiser Bill on the
telephone with his Satanic Majesty."
Music on the phonograph completed
the program and finished a most en-
joyable afternoon. Mr. and Mrs.
Tomham expect to leave soon for a
visit with their daughter at St. Cloud,
Minn.

Mrs. Perry spent Friday in Med-
ford a guest of her daughter, Mrs.
Ames.
J. F. Denham and family motored
to Ashland Saturday.
Arthur Brown of Medford, repre-
sentative for the Portland Oregonian
was a dinner guest of his Talent
agent, Donald Tryer Monday.
This seems to be a time of surprise
parties, another one of these most
delightful occasions occurring Friday
at the home of Mr. and Mrs. Charles
Holdridge, the occasion being their
eighteenth wedding anniversary. The
recipients were taken wholly by sur-
prise. The guests were Mr. and Mrs.
Mathison, Mrs. Ella Holdridge, Mr.
and Mrs. Frank Reed and Mr. and
Mrs. Frank Holdridge and family.
H. H. Goddard and Emery Nell
were attending to business in Med-
ford Monday.
Mrs. Boyden and her son, Charles
Boyden of Medford, moved to Talent
last week and have rented the Wal-
ters apartments. Mr. Boyden is as-
sisting Mr. Dillard in the survey for
the irrigation ditch in the Talent dis-
trict. We are glad to welcome Mrs.
Boyden and her son into our commu-
nity and hope their stay here may be
a pleasant one.
Charles Sherman is a guest of his
mother and sister, Mrs. H. H. God-
dard and family on Wagner creek.
Mr. Sherman has been working the
past season in the navy yards at
Marine Island near San Francisco.
Frank Elliott returned Tuesday
from California where he had spent
the past two or three months visiting
in San Francisco, Oakland, Sacra-
mento and other cities.
William Yoe and family moved to
Ashland last week. We regret ex-
ceedingly to lose Mr. and Mrs. Yoe
from our church circle here.
The Missionary society of the
Methodist church met at the home of
Mrs. T. C. Williams Thursday after-
noon.
Mr. and Mrs. Mark Kilne attended
the soldier reception in Medford Mon-
day evening.

derson creek Tuesday attending to
business matters.

RICHARD CARLE
AT PAGE TUESDAY

Richard Carle surrounded by a
cast of exceptionally fine talent, will
appear here at the Page one night,
on Tuesday, March 11th. The musi-
cal comedy in which Mr. Carle is
everywhere meeting with the great-
est success, is called "Furs and
Frills," and was written by Edward
Clark and himself. The book is in
two acts. The plot revolves around
the fortunes of a sable coat, which
changes ownership with a rapidity
that is surprising, while each change
brings more comedy and increased
complications. Among the many
musical numbers are "When My Wife
Returns," "You Can't Take It With
You When You Die," "Does Polly
Want Wally," "Furs and Frills,"
"Spring," "Deception is the Better
Part of Valor," "Love's Menu," "A
Short Farewell is Best," "Heart of
My Heart," "Maké Yourselves at
Home," "It Must Be," "Always Take
Mother's Advice," "The Tale of a
Coat," and others.

BETTER THAN CALOMEL

Thousands Have Discovered Dr.
Edwards' Olive Tablets are
a Harmless Substitute.
Dr. Edwards' Olive Tablets—the sub-
stitute for calomel—are a mild but sure
laxative, and their effect on the liver is
almost instantaneous. They are the result
of Dr. Edwards' determination not to treat
liver and bowel complaints with calomel.
His efforts to banish it brought out these
little olive-colored tablets.
These pleasant little tablets do the good
that calomel does, but have no bad after
effects. They don't injure the teeth like
strong liquids or calomel. They take hold
of the trouble and quickly correct it. Why
cure the liver at the expense of the teeth?
Calomel sometimes plays havoc with the
gums. So do strong liquids. It is best not
to take calomel, but to let Dr. Edwards'
Olive Tablets take its place.
Most headaches, "dullness" and that
lazy feeling come from constipation and
a disordered liver. Take Dr. Edwards'
Olive Tablets when you feel "fogy" and
"heavy." Note how they "clear" clouded
brain and how they "perk up" the spirits.

Your Freckles

Need Attention in March or Face
May Stay Covered.
Now is the time to take special
care of the complexion if you wish to
look well the rest of the year. The
March winds have a strong tendency
to bring out freckles that may stay
all summer unless removed. Now is
the time to use Othine—double
strength.
This preparation for the removal
of freckles is usually so successful
that it is sold by druggists under
guarantee to refund the money if it
fails. Get an ounce of Othine—double
strength, and even a few applica-
tions should show a wonderful im-
provement, some of the smaller
freckles even vanishing entirely. Adv.

TO WHOM IT MAY CONCERN:
This is to certify that I, the un-
dersigned, had very severe stomach
trouble and had been bothered for
several years and last August was not
expected to live, and hearing of Gim
Chung (whose Herb Store is at 214
South Front street, Medford) I de-
cided to get herbs for my stomach
trouble, and I started to feeling bet-
ter as soon as I used them and today
am a well man and can heartily re-
commend anyone afflicted as I was to
see Gim Chung and try his Herbs.

hor, none of her impositions has
revealed deeper feeling or a better un-
derstanding of the art of acting.
There is never the slightest doubt in
the mind of the spectator as to what
Norma Talmadge is trying to con-
vey. And on the other hand, she never
oversteps the demands of the situ-
ation. Her acting is always clear
and concise, and dominated by a
fine sincerity. As Wetona, the child
of an Indian chief and his white wife,
she is picturesque and beautifully hu-
man, and the story of her adventure
before she finds her real mate will be
followed with compassionate inter-
est.

UNDER THE TOP
AT THE LIBERTY

"Under the Top" is a story of cir-
cus life and it is said to be taken
from Fred Stone's early experiences.
When, as a youngster, he longed for
the life "under the big tops." He is
introduced in the prologue as Jimmie
Jones, a boy with a laugh, and years
later he is the most daring painter of
buildings in Three Forks. The
circus again visits his village and
pretty Pansy O'Neill who has inher-
ited the circus from her father, is
left in the town to stay with an old
eccentric woman, Lotta Crust. Then
her guardians, two crooked circus
men, go on with the show, thinking
that they can take all the money that
belongs to Pansy when she is out of

EAT LESS AND TAKE
SALTS FOR KIDNEYS

Take a glass of Salts before breakfast
if your Back hurts or Bladder
bothers you.
The American men and women must
guard against kidney trouble,
because we eat too much and all our food
is rich. Our blood is filled with uric
acid which the kidneys strive to filter
out; they weaken from overwork, become
sluggish; the eliminative tissues clog and
the result is kidney trouble, bladder
weakness and a general decline in health.
When your kidneys feel like lumps of
lead; your back hurts or the urine is
cloudy; full of sediment or you are
obliged to seek relief two or three times
during the night; if you suffer with sick
headache or dizzy, nervous spells, acid
stomach, or you have rheumatism when
the weather is bad, get from your phar-
macist about four ounces of Jad Salts;
take a tablespoonful in a glass of
water before breakfast for a few days
and your kidneys will then act fine.
This famous salt is made from the acid
of grapes and lemon juice, combined with
sodium bicarbonate, and has been used for
generations to flush and stimulate clogged kidneys;
to neutralize the acids in the urine so it
is no longer a source of irritation, thus
ending bladder disorders.
Jad Salts is inexpensive; cannot in-
jure, makes a delightful effervescent
lithia-water beverage, and belongs in
every home, because nobody can make
a mistake by having a good kidney flush-
ing any time.
