SAYS FIGHT WAS FATE.

(Continued from page one.)

almost anything in reason to be able to visit my mother, who was old and feeble.

"Unless Willard agrees to fight within a reasonable time which he should do to prove, if he can, that he can beat me fairly, I shall claim the world's title."

Willard's Denial
LAWRENCE, Kas., Mar. 13.—Jack Johnson simply needs the money and is trying to put over another match, was the comment of Jess Willard when shown the state-

ment received from Havana today in which Johnson claimed the championship bout with Willard four years ago was a pre-arranged affair.

"There is absolutely nothing to it," Willard continued. "I refuse to discuss the statement with a denial; for as far as I am concerned, it is simply a crude joke."

"In view of the fact that there were sport writers and fight critics from all over the world in Havana when I won the championship from Johnson, it is foolish to suppose that a fake could have been perpetrated even if I had been so low as to countenance such an arrangement."

"Johnson's game is almost childish in its simplicity and you may say for me that I refuse to fight for it. I do not intend to fight Johnson again or any other colored man."

EAGLE POINT EAGLETS

By A. C. Howlett.

I have been requested to put the following notice in the Medford Mail Tribune.

Died, in Los Angeles, Calif., Jan. 10, 1919, of Spanish influenza, James Austin Green, aged about 31 years. He was born in Napa City, Calif., and his mother soon moved to Eagle Point, where he was raised and educated. He was a grand son of the late J. J. Fryer. He leaves a wife and mother and two aunts, Mrs. Charles Jones of Seattle, and Mrs. Floyd Pierce of Eagle Point, to mourn his loss.

Last Saturday night Prof. Dear-doff, the principal of our school, gave a party to the pupils of the school and a few of the invited friends and I would judge from the invitation that I received that it was intended to be a celebration of St. Patrick's day as it was typed written in the Modern Irish language, but as I did not attend I am not able to give many of the particulars, but am told that among the amusing features of the entertainment was a boxing match between one of our prominent men and a woman, but did not learn the decision of the judges. Another feature of the play was an imitation of an "Irish zake." The corpse was so well prepared that it was difficult to decide whether it was a real corpse or a "live corpse."

They also had games of different kinds to amuse the children and the evening was passed off very pleasantly until it came time to serve supper, when it was discovered that some person or persons had stolen one of the baskets containing a cake and a dish of salad and a set of silver forks and other dishes that had been brought by our primary teacher, Miss Tina Benedict. Suspicion was soon fastened on the two boys or rather young men who were supposed to be the guilty ones and the next day cake of the same kind that was stolen was in the lunch bucket of two of the children, and later I understand, the culprits admitted that they took the basket and were willing to return the dishes and silverware. There is strong talk of having the young men arrested and prosecuted.

Sunday morning Rev. G. C. Griffin, the representative of the American Sunday School Union came in accordance to appointment and met with the Sunday school, taking part in the exercises, and at the close was invited by the superintendent, Miss Winnifred Hank, to take charge of the school, as it had already been voted to have him furnish the school with the literature of the society he represents. After reading and explaining the constitution, Miss Cleo Robertson was elected as librarian, the rest of the officers being already filled, and the signing of the constitution by the officers he announced that he would have to take the school by adoption as it was already organized. At night the C. E. S. had their regular meeting and the audience was entertained with a debate, the question being, "Resolved, that the Christian church ought to provide something as a substitute for the saloon." On the affirmative were Mr. Nat Slusser, our barber, and M. S. Wood, but Mr. Wood did not show up, and Prof. Dearloff and Miss Tina Benedict, our primary teacher, on the negative, and Rev. G. C. Griffin was chosen as judge to decide. There were but few arguments advanced on either side as Mr. Slusser said that he had not had time to prepare and Miss B. said to me privately that when she got up to speak, she discovered that she had left her notes at home, but Mr. D. had his notes and so did Mr. S. The judge decided six points in favor of the affirmative and four in favor of the negative.

This was followed by a stereotyped exhibit of the life of Christ that proved to be very interesting. Mr. G. spent Sunday night at the Sunnyside and Monday morning took the stage for the Trail country, intending to stop off about six or seven miles from here and visit on up to Trail, returning on the east side of the river via the Free Ferry and expects to hold services on Sunday, March 14.
