## A Queer Old Bird is The Pelican

Its bill holds more than its bellican.

But at that, its heart is bigger than its bill. It is the only bird which shares its food with other and weaker fowl.

So the queer old pelican looms up handsome in Goodrich's eyes -eyes which see beauty that is more than skin deep.

Goodrich, it is true, makes. Silvertown Cords the handsomest tires—the very Beau Brummel tires of smart cars.

Yet if clumsiness and ugliness would add one mile to their service, Goodrich would make them clumsy and ugly as the queer old pelican.

"Ouality First." rules in the manufacture of Silvertowns; and they render quality service first and last.

Give your automobile the obvious grace and elegance of the Tires with the Twin Red Diamonds on the sidewall. Their mileage is sure.
