WEEK OF DRIVES ON POCKET-BOOKS BEGUN IN ASHLAND

ASHLAND, March 24.—A diversity of "drives" are in order this week. First in the series were dual religious ones, the initial being the Methodist church on Sunday mornnig, heralding a broad extension of the missionary spirit as exploited by the national Woman's Foreign Missionary Society, which organization duly celebrated its golden jubilee on March 23, and this interesting event was observed with more than ordinary significance locally by the pastor and congregation in a service incident to which "The Romance of Missions" was revealed to the edification of all present, 50 years of faithful service in behalf of the women of heathen lands being a record filled with marvelous accomplishment. Self-denying Christian heroism is the knevnote actuating this mighty force of enlightenment.

Presbyterian Drive

Second in the specific effort of aiding denominational activities was the systematic campaign, on Sunday afternoon between the hours of 2 and 5 o'clock, in behalf of the Presbyterian church, incorporating an "every member" canvass for funds in support of the local church and the manifold benevolences for which it stands sponsor. In plain English, this campaign was to pledge the current annual budget. The "New Era Movement" was also presented individually from a militant standpoint, the contention being that, inasmuch as the American army made the world safe for democracy, the church should return the compliment by raising to the occasion of making democracy safe for the world. It is needless to add that the Methodist jubilee and the Presbyterian canvass succeeded in presenting the work of the church to best advantage both from a spiritual as well as financial standpoint.

Belgian Clothing Drive

Secularly, the most important drive during the present week was inaugurated Monday morning and will continue until Saturday. This refers to efforts in behalf of colecting more clothing for the distressed peoples of Europe, not specifically for residents of France and Belgium, but the impoverished people generally. Eight tons of clothing is going some, nevertheless this amount is the quota assigned to Jackson county, to be gathered and forwarded under Red Cross auspices. By "clothing" the term implies second hand and discarded garments, not rags. Donate what is serviceable and of fair texture regardless of style. Mrs. E. V. Carter is chairman of the local committee having charge of this work, and the donations will be systematically sorted to best advantage in the various classifications for readiness to shipping. Don't wait to be solicited for this appapel, but take an inventory of what you can spare and act accordingly, deliveries to be made at Red Cross headquarters as soon as possible in order to meet urgent appeals from overseas.

War Chest Drive

Although the patriotic fund has met every demand upon it thus far, a canvass is also under way this week to replenish its treasury by remindinf certain subscribers of their unpaid pledges. A number of lively high school lads have volunteered in this service and the canvass will be an active one. The patriotic fund has even anticipated demands upon it, notably in the specific instance of Armenian relief, which appeal was responded to weeks since upon representations from the state committee setting forth the urgency of the call. Jackson county's quota was $5,000, of which the Ashland district, including the city, Talent and Phoenix, assumed $1,667, and this amount was forwarded state headquarters as early as January 9, without waiting to hear from the county at large, the northern portion of which lately remitted $1,422, leaving the requisition upon the county shy by nearly $2,000. As for the pending appeal of the Young Women's Christian Association is concerned, response is left with the executive committee of the patriotic fund to decide. The quota for Jackson county is not large, being only $325, out of $11,395 asked of the state of Oregon.

Minor Drives Underway

Locally, we have several minor drives. The Civic Improvement club meets Tuesday afternoon, March 25, at 2:30, and these sessions always indicate that some important measures are contemplated for both urban and suburban betterment. Farm Bureau topics will be discussed, and all women are urged to be present. The Auxiliary club meets Monday evening, March 24, in a social way, hostesses being Mr. William Myer, Mrs. M. F. Cyester, and Mrs. Louis Schwrin. Both meetings in Auxiliary hall. The major social business drive of the week will occur on Wednesday evening, March 26, the event being the annual meeting of the Presbyterian congregation, business routine to be preceded by a fine supper, the excellencies of which are a matter of tradition.

Municipally, comes the big sanitary drive on Monday, March 31, an annual event whereby accumulated garbage and refuse are hauled off under city auspices, a general cleaning up measure, which has been in vogue here for years. Official proclamation also heralds a poultry drive, whereby estray chickens are to be driven summarily when caught trespassing upon neighboring gardens under penalty of fines ranging from $5 to $25.

DISMISS APPEALS IN LAND GRANT CASE

WASHINGTON, Mar. 24.—Upon a joint motion presented by Solicitor General King, who said that an agreement had been reached in the case, the supreme court today dismissed appeals brought by the Southern Oregon company from federal court decrees enjoining it from disposing of valuable timber lands in Oregon, the title to which was claimed by both the company and the government. An order remanding the case to the lower court with instructions to modify the decree in conformance with the agreement was entered by the court.

EAGLE POINT EAGLETS

By A. C. Howlett.

Last Saturday evening after I had written for the Medford Mail Tribune Albert Clements and Arthur Heffner came in to spend the night, and a few moments later Frank Leabo and Alec Beeson came in. Mr. Leabo had started from Roseburg, Ore., with his mother and family and when they reached Medford he took the stage for his old quarters and his mother and the rest of the family went on to Ashland. Mr. Beeson of Talent, came over to receive a bunch of cattle he had purchased in this neighborhood.

Sunday morning our auto stage driver between here and Medford, took two of the Misses Greb to Medford to meet their brother John who was one of our soldier boys returning from France, and there was general rejoicing in the Greb family on his arrival home, for he is one of the boys who had been reported dead while in the service.

On Sunday, it being your Eagle Point correspondent's eighty-seventh birthday, we had among our guests Mr. and Mrs. William Von der Hellen and son Hugo and daughter Miss Joyce, our county clerk, Chauncey Florey and little daughter, Fred McPherson, wife and son, beside a few others who were strangers, and at night we had Mr. Clarence Robinett and Miss Fay Perry, and Robert Harnish and Miss Bessie Nichols and Plenny Leabo remained until Monday afternoon when he went over to the Allvista orchard to work.

Ira Dunlap of Trail and Mr. and Mrs. Dennie Zimmerly started for Olympia, Wash., Monday morning.

Mr. and Mrs. A. M. Yarke nee Ora Ditsworth of Portland, came out on the mail stage Monday morning and took the Eagle Point-Persist stage for Trail where they were to be met by her brother, Gus Ditsworth.

Pete Betts who has been spending a few days in Medford, came out Monday and was met here by E. V. Brittson and taken to his home on his Rogue river ranch. Mr. Brittson was accompanied by his father, Rev. B. and mother. The four took dinner with us.

I omitted to state in the proper place that Rev. G. C. Griffin, representative of the American Sunday School Union preached for us Sunday evening according to appointment, and reported that during his week's trip up the country he had quite good success as there were four conversions reported and two of them heads of families. Last Sunday night was the first time that he has preached here, altho he gave a stereopticon lecture the Sunday night before, and his services here seemed to be highly appreciated by the entire congregation. There was no attempt at oratory, but simply a good plain, practical religious talk. He promised to return in the near future and preach for us again.

Last Monday morning Roy Ashpole handed me a dollar and a half to send for the Weekly Mail Tribune for Alex Mathews, and I wish to state here that I am not taking subscriptions now for any papers as the orders are to have all the business done direct with the office in Medford. I do not mind doing a favor for a friend or for the Medford Printing company, but I have no receipt book and my memory is so poor that I don't wish to tax it unnecessarily.

There were two trucks, Eads Bros.' and the Independent Creamery Co. of Medford came out Monday and brought freight for our merchants and farmers and the Indepdent Creamery company was gathering cream, eggs, chickens, etc.

County Commissioner James Owens and Wm. Lewis, our sheep man, were doing business here Monday and Mr. Lewis took a bunch of fine blooded cattle thru here Tuesday morning.

Dick Daley, of Medford, one of the crew of naval aviation service, came out on the mail stage from Medford Monday and so did J. H. Harding, formerly of Lake Creek and Mr. J. F. Vandorfy of Medford, and went on up to Lake creek. Mr. Daley was going to visit his grand parents, Mr. and Mrs. W. C. Daley.

A. C. Spence, the newly appointed road supervisor for the Lake Creek district, and Tommie Dugan, Thomas and Alex Vestal, Amos Ayres, M. C. Logan and son Aran were among the business callers Monday.

Mrs. C. A. Newstrom and two sons, Herman and a small brother, spent the night here Tuesday. Herman was just returning from military service and was on his way up to the parental home. Lewis Blass and Prof. R. E. Morris also spent the night with us.

F. J. Burnett who has been here with us for the past month with his family from Oakland, Cal., started for his home this Wednesday morning leaving his wife and two little boys to enjoy a month's vacation. He will be greatly missed for he is one of those jovial, good-natured, whole-souled fellows such as is seldom found. Another member of our family of boarders, George Wohman who has been with us almost all the time for the past seven years, left last Monday morning for Seattle. When he came here he opened up a harness shop, but the autos and trucks soon put the harnesse business on the shelf and for the past two years he has been assistant in the Von der Hellen hardware store. He will be greatly missed as he has a host of friends here.

Mrs. Tim Daley of Medford and Mr. Wilson, another one of our returned soldiers, came out from Medford this Wednesday morning on the mail auto, and Mrs. Daley went up to Trail on the Persist stage and Mr. Wilson took passage on the Derby stage. Mr. Wilson was the mail contractor on the Derby-Prospect route and was drafted into the army and the consequence was he had to give up his mail contract at quite a sacrifice, and I understand that he has gone up to Derby to try to make the arrangement to get his old job again.

D. R. Patrick and C. J. Kafer of Brownsboro, came in for dinner today and Mr. Patrick engaged a room. They are engaged in framing the timbers at the railroad depot to build the flume for the F. L. D. Co., across Lake Creek. The roads have been so bad that the company had to stop hauling and now, in order to save time they are having the framing done here so that when they can haul the lumber it can be put right together.

GRIP, INFLUENZA

Hamlin's Wizard Oil a Reliable, Antiseptic Preventive

During influenza epidemics spray the nose and throat several times a day with one part Wizard Oil and two parts water, using an atomizer. If you haven't an atomizer, gargle the throat and snuff the mixture up the nose. This treatment sets up an antiseptic wall of defense against "Flu" germs.

Chest colds and sore throat lead to grip. Stop them at once with Wizard Oil before they can develop into dangerous influenza.

Get it from druggists for [illegible]. If not satisfied, return the bottle and get your money back.

Ever constipated or have sick headache? Just try Wizard Liver Whips, pleasant little pink pills, 30c at druggists. Guaranteed.

OLD-TIME COLD CURE—DRINK HOT TEA!

Get a small package of Hamburg Breast Tea at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB RHEUMATISM FROM STIFF ACHING JOINTS

Rub Soreness from joints and muscles with a small trial bottle of old St. Jacobs Liniment

Stop "dosing" Rheumatism.

It's pain only; not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Liniment" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacob's Liniment" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache, neuralgia.

Limber up! Get a 30 cent bottle of old-time, honest "St. Jacobs Liniment" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

Glass of Hot Water Before Breakfast a Splendid Habit

Open sluices of the system each morning and wash away the poisonous, stagnant matter.

Those of us who are accustomed to feel dull and heavy when we arise; splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, lame back, can, instead, both look and feel as fresh as a daisy always by washing the poisons and toxins from the body with phosphated hot water each morning.

We should drink, before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to flush from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary tract before putting more food into the stomach.

The action of limestone phosphate and hot water on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast and it is said to be but a little while until the roses begin to appear in the cheeks. A quarter pound of limestone phosphate will cost very little at the drug store, but is sufficient to make anyone who is bothered with biliousness, constipation, stomach trouble or rheumatism a real enthusiast on the subject of internal sanitation. Try it and you are assured that you will look better and feel better in every way shortly.
