EAGLE POINT EAGLETS

By A. C. Howlett.

W. J. Crandall and wife motored into town Thursday morning and spent a short time with our business men.

The roads are drying up so that now the auto and auto trucks can come out of the hills. Mr. Aden Thomson of Lake Creek, one of the merchants of that place, made two trips, one Wednesday and one Thursday to Medford.

W. W. Taylor, one of our farmers who has been over in California during the latter part of the winter and spring, returned home Thursday.

Mr. Conley and his mother, Mrs. Hoester, drove in from Lake Creek Thursday.

The ladies of the Red Cross society met in their rooms above George Brun & Sons' store Thursday morning and resumed their work.

Henry French, C. E. Bellows, V. E. Britton, etc., were in town Thursday to meet the creamery truck with their cream. The dairy business is getting to be quite an important industry and I notice that those who are interested in that business always have the cash to buy what they want.

Mr. Hicox was a business caller Thursday.

Mr. Wines, a coal mining promoter came in Thursday and spent the night with us and the next morning he and George W. Daley started out up the creek without giving any hint as to their business, but we are led to believe that they have gone to examine some of the prospects that Mr. Daley has been inspecting, if not prospecting.

John Gelp and Harry Hoester of Ashland, two of our Agate men, came in Thursday evening and spent Friday in one of the Agate fields in this section and when they came in that evening they had about twenty-five or thirty pounds of Agates to show for their day's work.

Mr. and Mrs. Steve Smith motored in from their home on Reese creek Friday.

Mr. and Mrs. Paul Peyton, Miss Pearl Peyton and Miss Mildred McCoy were here Friday morning. Mr. and Mrs. Peyton took the Perisat stage for their home at Peyton, and Misses Peyton and McCoy motored to Central Point, Miss McCoy going on to Portland.

Mrs. George West of Medford, wife of one of the leaders in the forest service, came out Friday to visit Mr. Howlett and our daughter Hattie.

Miss Anna McCormick, the county food demonstrator called for dinner Friday on her way to Brownboro, where she had an engagement to meet a class of ladies.

Walter Woods, Frank Johnson, Wig Jacks, Roy Ashpole and O. C. King were here Friday for dinner, the first three named are among our leading cattle men and Roy Ashpole is one of our hardware merchants, and during the illness of his wife who is now and has been for several days staying with her mother, Mrs. John Rader, Roy is talking his meals in the Sunnyside and Mr. King was out to supply our merchants with what groceries they need in this market.

F. J. Gripp, representing the Wayne Oil Tank and Motor company of Fort Wayne, Ind., was also here for dinner Friday.

Mrs. Henrietta Dungan, a sister of our old townsman, A. J. Florey, Sr., whom he has not seen for about fifty years, came in Friday morning from her home in San Jose, Cal., to make a visit. She expressed herself as very much pleased with our country and especially with the surroundings where she could see cows, chickens and the first cows she had seen for an age and that she hardly knew what it sounded like to hear a rooster crow.

Mr. Florey's many friends here are congratulating him on her arrival for since he lost his wife a couple of months ago he has been confined to his room almost all the time and the most of the time to his chair, for he has been troubled with asthma most of the time the past winter, and is

The Outbursts of Everett True

By CONDO

also crippled in his feet. He is one of our old vets of the Civil war and is now suffering caused by the hardships he had to undergo at that time.

Perry Foster, one of our old settlers, was in from his home on the road above the Dodge-French bridge Friday and reports that he has been dragging the roads in his neighborhood and that the road supervisor, Dave Pence, never stops until the road is smooth and all the loose rock thrown-out. He complained about the road from the Dodge-French bridge to this place being so rough but we think that our new supervisor is working it now at this writing.

J. B. Jackson and wife motored to Medford Friday.

Our county commissioner, James Owens, passed thru here Friday going up the country.

Friday night we had a basketball game here between the Butte Falls and Eagle Point teams, and among those from Butte Falls who attended and helped to boost for Butte Falls and spent the night at the Sunnyside were Mr. and Mrs. C. W. Barker, the cashier of the Butte Falls bank, Misses Foley, Hargrave, Norma Stewart, Lucile Davidson, Burnice Edmondson, Mr. Charles Stewart, Merrill Stewart, Mr. Thomas Cook, Mrs. Anna Corum and George Albert. The following persons were members of the basketball team: Chester Jones, Vernon Jones, Cecil Allstrom, Theodore Fredenburg, Mr. Wilson O'Brien and Lester Smith. Both teams played well and they all seemed to have a very enjoyable time. The score stood 13 to 17 in favor of Butte Falls.

After the game was over they all came to the Sunnyside hotel and after eating a hearty supper started to return, but when it came to counting noses Mrs. Howlett found that after doubling up that she had to put one on the lounge and two on a made down bed, but there was no kicking

and they all reported that they had enjoyed themselves.

Mr. J. Spiker of Big Applegate, came in Friday and spent the night and so did Mr. Fred Fridaker. Mr. Fridaker came out to look after his twenty-acre orchard in this section.

W. C. Daley of Lake Creek, was among the business callers Saturday morning and his son Irvin, wife and daughter motored out from their home on Lake Creek this Saturday morning and went on to Medford. While talking with the two ladies Mrs. Daley called my attention to a set of furs that her daughter had on. It consisted of a fur to go over her shoulders and hang down on each side about two feet and on each end there were four tails of mink that she had caught the past winter, she dressed the skins herself and made the entire set herself—a muff and the above described article—it is not a cape and it is not a shawl, so I leave it to some of the ladies to name it; it is a beauty.

John Swanson, Miss Foley, one of the Butte Falls teachers and Master Wilson O'Brien of Butte Falls, and E. G. Henselman of Medford, were here for dinner today. Mr. Henselman is soliciting for the History of the World War.

OLD-TIME COLD CURE—DRINK HOT TEA!

Get a small package of Hamburg Breast Tea at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB RHEUMATISM FROM STIFF ACHING JOINTS

Rub Soreness from joints and muscles with a small trial bottle of old St. Jacobs Liniment.

Stop "dozing" Rheumatism. It's pain only; not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Liniment" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacobs Liniment" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops swelling, lumbago, backache, neuralgia. Limber up! Get a 35 cent bottle of old-time, honest "St. Jacobs Liniment" from any drug store, and in a moment you'll be free from pain, aches and stiffness. Don't suffer! Rub rheumatism away.

Notice of Election of Eagle Point Irrigation District.

NOTICE is hereby given, that an election has been called by the undersigned County Court pursuant to Section (6168) Lord's Oregon Laws, as amended by Chapter 223 of the 26th General Assembly of the State of Oregon, and Acts amendatory thereof, and the same will be held on the 15th day of April, 1919, between the hours of 8:00 o'clock a. m. and 3:00 o'clock p. m. for the purpose of determining whether or not the territory hereinafter described shall be organized as an irrigation district, under the provisions of said Section.

The boundaries of said proposed irrigation district within and for which said election will be held, are in Jackson County and described as follows:

Beginning at the quarter section corner, between sections (32) and (33), Township (35) South Range (2) East of the Willamette Meridian, and running thence West one and one-half miles to the center of Section (31); thence South to the Little Butte Irrigation Company's ditch; thence West along the quarter section ditch to the south line of Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian; thence North one-half mile to the center of Section (33) Township (35) South Range (1) West of the Willamette Meridian; thence West on line between townships (35) and (36) South, Range (1) West to the quarter section corner, between sections (4) and (33), Townships (35) and (36) Range (1) West of Willamette Meridian;
