

P. E. BAKER NOT A CANDIDATE FOR H. S. PRINCIPAL

An injustice was apparently done to P. E. Baker, principal of the high school when the statement was published intimating that he had been an applicant for the superintendency of the Medford schools. "Even had it been true that I aspired to the superintendency I would not have been guilty of such a breach of courtesy by applying orally or formally for the position when it was filled by another man," said Mr. Baker today. "Some time ago I made up my mind to give up my connection with the Medford schools and go elsewhere, so I resigned my principalship to take effect at the end of this school year."

Frank E. Redden, clerk of the board of education also corroborated Mr. Baker's assertion by issuing the following signed statement today:

"As clerk of the board of education I wish to state in behalf of Principal P. E. Baker's professional career that he was not an applicant for the superintendency, and I also state that it is true that Mr. Baker voluntarily declined acceptance of the principalship of the Medford high school for a third year.

The report was given to this paper from what was believed to be a perfectly reliable source.

The following teachers are the teachers who have so far signed contracts to teach next year:

High school—Jonnie Hood, Anna Lindsay, Grace Mitchell, Alice Van der Sluis, H. P. Jewett, Ruth Lawrence, Ethel Newland, Elizabeth Jerome, Genevieve Tillery, H. Heidenreich, F. C. McReynolds, Flora Smith, Adele Brandt.

Catarrhal Deafness and Head Noises

Tells Safe and Simple Way to Treat and Relieve at Home

If you have catarrh, catarrhal deafness or head noises caused by catarrh, or if phlegm drops in your throat and has caused catarrh of the stomach or bowels you will be glad to know that these distressing symptoms may be entirely overcome in many instances by the following treatment which you can easily prepare in your own home at little cost. Secure from your druggist 1 ounce of Parmit (Double Strength). Take this home and add to it 1/2 pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day. An improvement is sometimes noted after the first day's treatment. Breathing should become easy, while the distressing head noises, head-aches, dullness, cloudy thinking, etc., should gradually disappear under the tonic action of the treatment. Loss of smell, taste, defective hearing and mucus dropping in the back of the throat are other symptoms which suggest the presence of catarrh and which may often be overcome by this efficacious treatment. It is stated that nearly ninety per cent. of all ear troubles are caused by catarrh and there must, therefore, be many people whose hearing may be restored by this simple, harmless, home treatment.

LAUNCH STATE FIGHT TO SECURE SHARE OF FEDERAL FUNDS

PORTLAND, April 4.—Preparations are being made by the Oregon state chamber of commerce for the fight which soon will be launched to obtain "an equitable return" from the federal government of money paid by Oregon into the reclamation fund from the sale of public lands. Secretary George Quayle announced today. The money is needed for reclamation projects in Oregon, it is held. Altogether this state has paid \$19,971,698 into the reclamation fund and has received in return only \$4,443,585 for reclamation of arid and swamp lands, or only 41 per cent of the sum to which this state is entitled, the secretary declared.

Nearly every other western state has received much more, in proportion than has Oregon, a report filed today by J. W. Brewer, federal farm help specialist and member of the irrigation committee of the state chamber of commerce, makes clear.

JAP GUARDS KILL KOREANS IN SPITE OF THEIR PRAYERS

LOS ANGELES, April 4.—Japanese soldiers entered and searched schools conducted by Americans in Pyong Yang, Korea, according to a letter from an American school teacher in that city to a relative, Samuel Anderson, executive secretary of the Armenian relief campaign in Northern California and Nevada, which was made public by Anderson today.

Writing of the reported disturbances in Pyong Yang on March 1, the teacher said:

"My heart is breaking tonight at what I have seen today; helpless, unarmed people, kicked, beaten, bayoneted and dragged off to jail without even resisting. Crowds of school boys and girls who had only sung 'The Song of Liberty' were knocked down and kicked."

"The Koreans are unarmed. I think it strange that they offer no resistance, but I have heard that the Koreans are doing a lot of praying, which accounts for the fact."

ment (at Tokio) does not realize how brutal the soldiers here are or it never would permit it. The Japanese have been very kind to us foreigners and we appreciate it.

"They searched our school buildings today but they know that Americans are neutral and intend to do the right thing. They found nothing in our rooms, of course."

"Lots of arrests have been made but the Koreans seem as determined as ever to keep yelling for freedom and to remain passive when attacked."

SOLONS WOULD WIRE WILSON ANENT JAPS

SACRAMENTO, Cal., April 4.—

The rules committee has presented a report recommending that Senator Inman's request to introduce a bill prohibiting Japanese leasing agricultural lands in California be denied "because it was deemed inadvisable."

An effort was made to get Inman to consent to a delay of the vote on the report until the legislature could cable President Wilson at the peace conference and ask him if the proposed legislation would "embarrass the American delegation at the peace conference."
