

ROGUE RIVER HAS BIG CELEBRATION FOR WAR HEROES

Friday evening, April 14th was a gala evening for Rogue River. The citizens gave the returned heroes a bountiful banquet followed by an evening of music and dancing.

The city gave twenty-five dollars towards the banquet fund and the pies, cakes and other good things, that the boys had been deprived of so long, were furnished by their mothers, sweethearts and friends, and the boys say "it was some feed."

While the boys were enjoying the good things, that give joy to life, the school band rendered pleasing music from the bandstand (the first time it has been filled by a band) to the assembled friends and jolly boys. Boys are always happy when eating, and if you could have seen the pretty girls who were waiting on them no wonder they were happy.

After the banquet the boys enjoyed the fragrant Havanas, furnished by the city dads and mamas, they passed to the opera house for more pleasure. Here they were greeted with an applause of welcome by the assembled friends.

Program

Selection by school band, waltz, Blue Bells and Violets. Address of welcome, Judge Gilmore.

School band, Mountain Echo. Baritone solo, Gene G. Narreagan, The Alaskan, Encore, the Owl. Contralto solo, Mrs. Gallagher, My Flowers, Encore.

School band, Pride Waltz. Baritone solo, N. L. Narreagan, Barbara Pritchell, Encore, Courting in Evans Creek Valley.

While the band was playing the floor was cleared for action and the remainder of the evening was spent in social amusement and dancing. All of the entertainment program was furnished by the schools, with one exception.

Mrs. Gallagher has a very pleasing contralto, and her solo was received with much pleasure by the audience.

The dance music was furnished by the high school girls. Miss Lucy Mae (Arle), Miss Velma Heffrich and Eva Cook kept them moving all the time to lively music and there was not a dull minute from start to finish.

The piano was seconded by the drum. Master Lester Tarvin handling the sticks. Mr. Abbott did some very clever work with piano and drum.

The Rogue River schools have an unusual amount of musical talent; the band of twenty-one pieces, is mostly composed of fourth, fifth, sixth, seventh and eighth grade pupils, and Supervisor Morris says "Their work is very creditable."

VIVIAN MARTIN AT THE LIBERTY TONIGHT

As a little stenographer who has never known anything but poverty, plunged suddenly into a prospect of unlimited wealth and with a possible romance embodied in the striking figure of the disinherited nephew of her benefactor, Miss Martin does some of the most telling work of her career.

Niles Welch plays the young man who wins the admiration of the stenographer, while Casson Ferguson is the constant young Irishman who admires Jane and runs a lunch wagon.

Jane has as her slogan—"If you want a thing, go after it." But when she has finally won the love of the society man she finds she doesn't want him after all and goes back to Mickey, who has never wavered in his love and trust. The last time tonight at the Liberty theatre.

SOVIET LEADER IN BAVARIA TAKEN TO INSANE ASYLUM

NUREMBERG, April 13.—(Via Copenhagen).—A report from Third Army headquarters at Munich says the garrison has established a military dictatorship in support of the Hoffman ministry, which the soviet forces in progressing favorably, it is said.

Dr. Adolf Lapp, who was appointed commissioner for foreign affairs in the soviet cabinet on April 9, has been placed in an insane asylum, according to report. When his appointment to this office was announced, it was said that he had on two occasions been confined to an asylum for megalomania. Dr. Lapp, leader of the independent socialist, is believed to have fled, and 16 soviet leaders, including Herr Landauer, Herr Wauer and Herr Niekman, members of the soviet ministry, are said to have been arrested.

BERLIN, April 13.—(Via Copenhagen).—A Dresden dispatch to the Vossische Zeitung says an assault by soviet forces on the citadel in the Neustadt section of the city on the right bank of the Elbe, is expected. Frontier troops and soldiers from Priemna, 11 miles southeast of Dresden, have established themselves near the Catholic church to defend the northern end of the Friedrich Augustus bridge. Some of the Jaeger and Grenadier troops are reported to be unreliable, their arms having been distributed among the insurgents.

ASHLAND AND VICINITY

ASHLAND, April 14.—The ladies of the Red Cross canteen service have sold their popcorn and peanut roasting equipment to Redding parties for \$200. They paid a trifle more for the machine, but it has more than paid for itself during the war era when it worked overtime day and night in furnishing supplies for the thousands of soldiers and civilians passing thru this terminal in every direction. Like some other war activities it has been demobilized, but will not be placed on the retired list.

Troy Philps is home from Camp Lewis. Originally he was with the 13th infantry, eighth division, at Camp Fremont, Cal., and afterwards transferred to Camp Mills, New York but never got across inasmuch as only a portion of his division arrived in France before the armistice halted further movement of troops in that direction. Troy is now busily engaged in beating the sword into pruning hooks on his dad's fruit orchards.

At the marriage of Oscar Fansteel, of Madison, Yolo county, Cal., and Miss Lillian May Patterson of this city, which occurred at Oakland, Cal., last week, Rev. H. A. Carnahan, formerly Presbyterian pastor here, performed the ceremony. The wedding took place at the residence of A. B. Glixax, 519 Thirty-first street in Oakland, and an additional bit of romance was connected with the event due to the circumstance that the wedding occurred in the former home of the late Jack London, literary celebrity. Ashland people present at the ceremony included Mrs. Minnie Lamkin, aunt of the bride, and Miss Mary Ives, niece of Mrs. C. B. Lamkin of this city. A host of friends will join in the opinion, as expressed by the officiating clergyman, that "the bride is one of Ashland's best and beautiful girls," while the groom's qualities are praised as representing ideal manliness.

Fred A. Williams, of Grants Pass, member of the state public service commission, was in Ashland last Saturday on matters connected with public affairs, and incident to the visit was making note of highway development in this section, having been taken on a tour of inspection of road conditions and improvement work under way in this locality.

Granville Dabzell and Oliver Anderson, Ashland boys, have returned to Camp Lewis from France. Their identity as members of original commands is lost sight of, they returning with casual units of various regiments.

The Wonderful Call When Baby Comes

Like the Blast of Heavenly Trumpet When Call of Motherhood is Felt.

Of all the most vital times in a woman's life the coming of baby is fraught with the greatest meaning. Care should be exercised to insure that the crisis is passed in safety. Appreciation is afforded by the timely use of Mother's Friend, a preparation of penetrating oils and medicinal ingredients which renders the muscles, cords, tendons and ligaments pliable, and thus tension is avoided. The usual nervousness, nausea, bearing-down and stretching pains are counteracted and the period is one of calm repose. The broad flat abdominal muscles relax with ease, and when baby comes the time at the crisis is less and pain and danger is avoided. Thousands of women for half a century have used this penetrating external application, prepared especially for expectant mothers, and every woman awaiting the crisis should give nature a helping hand. Write the Bradford Regulator Company, Dept. F, Lamar Building, Atlanta, Georgia, for their Motherhood Book of great value to all women, and obtain a bottle of Mother's Friend from the druggist and begin its application regularly night and morning.

ments in the infantry and engineer classifications. As indicating to what extent generous entertainment was accorded their special train across the continent, it is stated that army rations were entirely discarded all the way in favor of the abundant fare which was at their disposal everywhere as afforded by the kind offices of Red Cross and Salvation Army contingents. Pete Arcadi, George Amber, Charley Jessiman, and Otto Frey, of Medford, are also listed among Camp Lewis arrivals included in the same bunch of returning soldiers. From Spokane westwards the boys received a perfect ovation.

Mrs. C. B. Lamkin has been elected superintendent of the Presbyterian Sunday school, and Mrs. F. J. Shinn assistant, G. E. Carpenter being secretary. Miss Alice Brown is librarian, and Miss Louise Leslie assistant. M. E. Bosjough has been selected elder to complete the full membership in that representation. W. G. McAdoo, ex-secretary of the treasury, passed thru here Sunday afternoon on the way north, returning east from a winter's sojourn in southern California. Brief remarks were publicly made by him in behalf of the financial policies of the government, notably appealing for support in upholding the Victory loan. The ex-secretary is frail in physique, denoting a condition of health not in the robust order.

Word recently from Rev. H. A. Carnahan, former pastor of the local Presbyterian church, indicates that the family is well pleased with their new home surroundings in Oakland, Cal., the specific address being 4970 Coronado avenue. Though relieved from war service on the active list, Mr. Carnahan is nevertheless a very busy man in a semi-military capacity under Y. M. C. A. auspices. He is a worker-director in the demobilization camp at the Presidio, where overseas men are arriving and departing continually. The scope of his duties also takes him to outside camps for addresses to the soldier boys and seamen at Mare Island, Goat Island, Camp Fremont and Fort Scott. He has also prepared a lecture on the "Passion Play" which will be staged for the edification of inmates of the Letterman General hospital and men generally in the demobilization camps. To all these duties is added the responsibility of movie operator, he having also perfected himself in various technical details as well as practical requirements. Summarizing his duties, they imply personal investigations as to the welfare of the army and navy men, extending the glad hand, and in behalf of the "Y" delivering a greeting as well as benediction to soldiers and sailors on the eve of leaving the service for their respective homes all over the country. It is perhaps unnecessary to add that, incident to this final labor of love which the beneficent "triangle" organization exerts in behalf of the nation's defenders, joy is mingled with a tinge of regret and sadness as the men from various stations of military and civil life arrive at "the parting of the ways." Of the immediate Carnahan family, Priscilla is attending the San Jose normal, Dorothy is perfecting herself in commercial art work, while Gladys, devoted to the domestic hearth, is "keeping the home fires burning."

W. N. Grubb, having disposed of a good share of his ranch holdings on the eastern limits of town, is taking a vacation in the way of a trip to California, accompanied by his wife, a preliminary visit southwards being in the vicinity of Sacramento.

Under auspices of the local unit of the Brotherhood of Railway Carmen of America, the Red Cross will benefit by a dance which will be given at the Ashland natatorium, on Wednesday evening, April 23. Music by the Launsbach orchestra of Medford Refreshments will be served by the Red Cross ladies.

Last Saturday 700 dozen eggs were delivered at the local Fruit association headquarters as the weekly credit of the "Aahbellent" co-operative society.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after-effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they "clear" clouded brains and how they "perk up" the spirits. 10c and 25c a box. All druggists.
