

Local Briefs

There is no reason for any able-bodied man of Medford or vicinity being out of work now, as there is a crying need for orchard and ranch help. The Medford office of the federal employment service placed 12 men in such work yesterday and can place as many more at once. Superintendent James says that there are a number of men in Medford now idle who refuse to take this work because they want jobs at fancy pay, who if instead of loafing during this season, while waiting for better jobs to turn up, would do ranch or orchard work would not be objects of charity next winter.

A. S. Bliton received a letter from Congressman Hawley this morning stating that the war department had just received a cable from France saying that there is still no information to change the status of Private Van Cornish, husband of Mrs. Bliton's daughter, who had been officially reported as missing in action since July 23, between Solons and Chateau Thierry. The cable also stated that the investigation to learn the missing soldier's whereabouts or fate was still being conducted.

Colonel John Leader, military instructor at Eugene and veteran of the Somme, was guest of honor at the Commercial club luncheon at the Hotel Medford this noon. Colonel Leader rather than repeat his remarks to be given at the Page theatre tonight, confined himself to informal and amusing comments on the war, his military experiences and impressions since coming to America. He closed with an eloquent tribute to the American soldier and the splendid victory achieved at Chateau Thierry. In all his experiences he said he never had come across an American soldier who showed a yellow streak.

PHYSICALLY FIT AT ANY AGE

It isn't age, it's careless living that puts men "down and out." Keep your internal organs in good condition and you will always be physically fit.

The kidneys are the most over-worked organs in the human body. When they break down under the strain and the deadly uric acid accumulates and crystallizes, look out! These sharp crystals tear and scratch the delicate urinary channels causing excruciating pain and set up irritations which may cause premature degeneration and often do turn into deadly Bright's Disease.

One of the first warnings of sluggish kidney action is pain or stiffness in the small of the back, loss of appetite, indigestion or rheumatism.

Do not wait until the danger is upon you! At the first indication of trouble go after the cause at once. Get a trial box of GOLD MEDAL Haarlem Oil Capsules, imported direct from the laboratories in Holland. They will give almost immediate relief. If for any cause they should not, your money will be refunded. But be sure to get GOLD MEDAL. None other is genuine. In sealed boxes, three sizes.

The usual pleasant and commodious waiting room of Medford's 100 per cent S. P. depot has looked like a 30-cent affair ever since the painters began several days ago to paint the cement floor. Today not only the south half of the waiting room was barred to the public, shutting off the ladies' room and the smoking room, but the entrance from the waiting room to the baggage room was locked and people had to visit the baggage department thru the side door. The floor painting job will be completed by tomorrow morning and everything will be spick and span again.
