A lively coach load of soldiers passing thru the city this morning on the south bound passenger train with two buglers and a lot of pep made things hum around the depot during the train stop. After they had tried numerous other stunts to while away the time six or eight of the boys started a game of craps for small sums of money on the platform in front of the depot. Chief of Police Timothy, who was disguised in a rain coat quickly put a stop to the game by jumping in among the players and seizing the dice. "Oh please now, sheriff," shouted the sporty soldiers in chorus as they gathered around the chief and begged him to give their dice back. Just as the train started to pull out the chief handed the boys the dice and received a chorus of "Thank you sheriff."

OLD AGE STARTS WITH YOUR KIDNEYS

Science says that old age begins with weakened kidneys and digestive organs. This being true, it is easy to believe that by keeping the kidneys and digestive organs cleansed and in proper working order old age can be deferred and life prolonged far beyond that enjoyed by the average person.

For over 200 years GOLD MEDAL Haaslem Oil has been relieving the weakness and disability due to advancing years. It is a standard old-time home remedy and needs no introduction. GOLD MEDAL Haaslem Oil is enclosed in odorless, tasteless capsules containing about 5 drops each. Take them as you would a pill, with a swallow of water. The oil stimulates the kidney action and enables the organs to throw off the poisons which cause premature old age. New life and strength increase as you continue the treatment. When completely restored continue taking a capsule or two each day. GOLD MEDAL Haaslem Oil Capsules will keep you in health and vigor and prevent a return of the disease.

Do not wait until old age or disease have settled down for good. At the first sign that your kidneys are not working properly, go to your druggist and get a box of GOLD MEDAL Haaslem Oil Capsules. Money refunded if they do not help you. Three sizes. But remember to ask for the original imported GOLD MEDAL brand. In sealed packages.
