SAULTS IF BACKACHY AND KIDNEYS HURT
Drink lots of water and stop eating meat for a while if your Bladder troubles you.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and slow you must relieve them, like you relieve your bowels; relieve you have backache, sick headaches, dizzy spells, your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.
Either consult a good, reliable physician at once or get from your pharmacist a couple of ounces of J. C. Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will thank you. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.
J. C. Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effective lithia-water drink.

they have been for the past five or six years.
The Southern Pacific will soon have a resident section boss here as we understand Mr. Johnson will soon be transferred from Phoenix to this city.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It
Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.
People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.
Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.
All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects.
Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowels and liver complaint, with the attendant bad breath.
Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.
